MGA Women's Team/Club Tournament

TEAM FORMAT:

Two-person teams will play 18 holes: six holes of alternate shot, six holes of four-ball, and six holes of scramble.
 Players do not have to be from the same club to be on a team.
 The lowest total net score will determine the winners of the team competition.

CLUB COMPETITION:

Each club/league that is represented by two or more teams, made up of players from the same club, will compete in the club component of this event.
 The lowest two net team scores for a club/league will make up that club's score with the lowest combined club score determining the winner of the club competition.
