# MGA OFFICERS

**Paul Meierant,**  
*MGA President*

As president, Meierant leads the executive committee and board of directors in developing policies and programs of the MGA and appoints chairs to the organization's committees. He has been actively involved in amateur golf administration since his election to the MGA Board of Directors in 2009. Meierant has served as chairperson of the MGA's Marketing and Communications Committee and as a member on the MGA's Handicap and Course Rating and Regional Affairs committees. For the past six years, he served the association as an officer in his role as an MGA Regional Vice President. Meierant has a background in retail management and executive leadership at several leading local retailers including the Target Corporation, Hammer Made and SuperValu. Originally from St. Louis, Mo., he lives in Edina with his wife Rachel and two daughters.

## MESSAGE FROM THE PRESIDENT

For more than a century, the Minnesota Golf Association has been a steward of the amateur game in our state. What began in 1901, with seven member clubs and a goal to identify the best amateur player, today encompasses nearly 36 state championships, national qualifiers and numerous regional and club competitions.

Minnesota consistently ranks at or near the top in golfer participation and represents an industry that means \$3.04 billion annually to the state's economy. Clearly, we are passionate about playing the game and take seriously our role as its steward.

In association with 18 allied organizations representing those who make a living from the game to those who see the game as a way to improve the lives of others, the MGA is a year-round non-profit organization that serves the game for all golfers in Minnesota. The MGA actively supports, financially and otherwise, a diverse number of organizations like the Western Golf Association's Evans Scholars program and a number of other organizations that promote the game to disabled golfers, disadvantaged youth and groups that have traditionally found challenges in their paths when it comes to the game of golf.

The reason the MGA is able to give back to the game is first and foremost because of the more than 100,000 associate members and the more than 400 member golf clubs who choose to join in and support the MGA. Our exceptional staff, board members, ambassadors and volunteers turn this support into programs and services on behalf of the game in our state.

Thanks, everyone. Your support is so greatly appreciated. Together, let's make 2025 a great year for the game that we all love so much!

**Jerry Rose,**  
*Vice President*

As vice president, Rose fulfills the duties of the president when the latter is absent or unavailable to perform the office. Board of Directors in 2020, but has been actively involved in amateur golf administration for many years. Rose has served on the MGA Rules and Competition Committee and is currently a member of the Executive Committee. For the past seven years, he has served as the tournament chair of The Resorters at Alexandria Golf Club, where he recently completed his fourth year as club president. Rose attended Brigham Young University where he played on the golf team. He is an accomplished competitor, having won the MGA Senior Players' Championship twice and the MGA Senior Men's Player of the Year honor four times. After retiring from General Electric in 2012, Rose became an independent consultant in business strategy and leadership, and is currently a board advisor for Ark Electronics in Irvine, Calif. He lives in Alexandria, Minn., with his wife, Judy, and winters in Sarasota, Fla.

**Matt Hanson,**  
*Secretary/Treasurer*

As secretary/treasurer, Hanson is responsible for the financial affairs of the MGA. He was elected to the Board of Directors in 2016 and elected to the Executive Committee in 2021. Hanson has served as chairperson of the Marketing and Communications Committee for the MGA. As an avid lifelong golfer, he has played competitively and recreationally and served in volunteer roles for major golf events including the 2009 PGA Championship, the 2016 Ryder Cup, and the 2024 US Amateur. Hanson has a degree in Advertising from Iowa State University and a professional background in technology and executive leadership. He currently serves as Chief Executive Officer for The Bernard Group and Smartpress. He lives in Chanhassen with his wife Michelle, daughter Briley, and son Cal.

**Edle Rice,**  
*Past President*

As past-president, Rice remains actively involved in the MGA as chair of the nominating committee and as a tournament volunteer. She has been actively involved in amateur golf administration since becoming the first woman elected to the MGA Board of Directors in 1994. Rice is a passionate advocate for caddie scholars at the University of Minnesota Chapter House of the Western Golf Association's Evans Scholars program. She has been a WGA director since 1995 and was the first woman elected to the WGA Board of Governors in 2010. Rice is an accomplished competitive golfer having won the Minnesota Women's (and Senior Women's) Amateur Four-Ball championships in 2006, and earning the distinction of MGA Senior Women's Player of the Year. She was recognized with the MGA Warren J. Rebholz Distinguished Service Award in 2012 and continues to devote her time as a tournament volunteer and rules official. She was also awarded the 2022 USGA Joe Dey Award, honoring her meritorious service to the game as a volunteer. Rice and her husband Jack live in Edina and belong to Edina Country Club and Woodhill Country Club.

# THE MGA STORY

The Minnesota Golf Association, founded in 1901, is a nonprofit organization dedicated to upholding and promoting the game of golf and its values for all golfers in Minnesota. The MGA currently serves more than 400 member clubs and 92,000 amateur golfers throughout the state which makes the MGA one of the largest golf associations in the country. The MGA, through its programs and services, strives to preserve the integrity of the game to make golf more enjoyable for all.

Effective December 31, 2016, the MGA merged with the Minnesota Women's Golf Association (MWGA) and the Minnesota Women's Public Golf Association (MWPGA). The merger has created more playing opportunities for all female MGA members, some 17,000 throughout the state.

Seven golf clubs founded the Minnesota Golf Association in 1901, creating an organization designed to foster, promote and conserve golf within the state. In the more than 120 years since its inception, the MGA has produced a long list of services oriented towards the golfer, the golf course and the game itself.

The first of those services was the competitive golfing event, the Amateur Championship. First played at the conclusion of the MGA's inaugural meeting, the Amateur is one of the oldest and longest running sporting events in the state. It has become a popular tradition with over 700 golfers competing annually. The growth of golf has prompted the addition of events to the MGA's championship schedule. There are now 23 MGA amateur championships for golfers of all ages and abilities.

For the younger golfers, the MGA has the State Junior Boys' and Girls' Championships. Along with junior championships, there are also Junior Girls' Clinics, and the MGA provides opportunities for junior golfers to play golf for \$5 or less through the Youth on Course program.

Golfers interested in supporting the MGA can join the MGA's Membership Program through member clubs by contacting a club directly or through the MGA Join Online Program. Members receive a regularly updated Handicap Index® and MGA publications including the **Minnesota Golfer** magazine and the MGA eNewsletter, and have the opportunity to compete in MGA championships and events. Associate Member dues are the primary source of funding for the MGA's services.

For the golf courses in the state, the MGA offers club memberships. With a tradition founded on service, the MGA offers golf courses a unique network of information and assistance. An extensive course rating program keeps MGA member clubs' ratings up to USGA standards. This ensures that every member handicap accurately reflects a golfer's potential ability. MGA member clubs also receive club rosters, tournament schedules, course rating posters and dozens of other important pieces of literature each year. An MGA golf calendar informs golfers about various club events and tournaments that occur around the state. The MGA compiles these dates every spring and sends the calendar to all Associate Members on its mailing list – more than 55,000 households.

In addition, the MGA actively monitors state legislation to ensure the best interests of the game of golf are pursued. Any changes that will affect MGA member clubs are quickly passed along.

With the **Rules of Golf** being an integral part of the game, rules education and dissemination are an important service offered by the MGA. This includes selling **Rules of Golf** and **Official Guide** books, managing the Rules Hotline and presenting Rules Seminars, both in-person and virtually.

*"One Hundred Years of Minnesota Golf," by Loyal H. "Bud" Chapman was commissioned by the Minnesota Golf Association to celebrate the MGA's Centennial in 2001.*

*It captures in wonderful detail the people and historic events over the years in Minnesota.*

# ALLIED ASSOCIATIONS

The MGA along with its allied associations work together to promote and serve the game of golf for all golfers in Minnesota.

Minnesota is fortunate to have several golf associations that serve the game of golf in a variety of ways and the MGA is privileged to work with its many allies. To ensure the health of golf in Minnesota, the MGA supports other state allied golf associations through administrative and financial support and resource sharing. The golf industry's direct impact to Minnesota's economy is \$1.6 billion annually

(\$2.3 billion including indirect impact), so the golf industry's health is vital to many Minnesota citizens.

An Allied Association is an organization that is golf-related and has a mission or vision that is consistent with the MGA's mission. The MGA and allied associations work to support each others' mission or visions while respecting each association's unique role in fostering the game of golf in Minnesota. A complete list of MGA Allied Associations, their mission statements, as well as contact information follows:

## MGA SERVICES

### ADVOCACY FOR GOLF IN MINNESOTA

The MGA monitors the state capitol for legislative issues that might impact golf in Minnesota.

Over the last several years, the MGA and its allied associations have worked with legislators on a number of issues including creating legislation ensuring the regulated use of phosphorus by golf courses, developing proportional property taxes for Minnesota golf courses, management of vital natural resources such as water, and working with Governor Tim Walz and the Minnesota Department of Health to develop operations protocols to open Minnesota's golf courses quickly and safely during the COVID-19 pandemic.

In general, golf in Minnesota annually provides \$669.6 million in golf tourism, \$1.2 billion in wage earnings (34,800 jobs), and \$67.1 million in funds raised for charity. Minnesota golf is part of a larger \$101.7 billion U.S. economy (World Golf Foundation).

The MGA and allied associations commissioned an Economic Impact Study of the Golf Industry to articulate the contribution of golf to Minnesota's economy and establish the golf industry as a significant business sector. In 2023, the size of Minnesota's direct golf economy was approximately \$1.87 billion (or a total of \$3.04 billion, when the effects of golf dollars from other linked industries are factored in). The golf industry is on a par with several other important industries: snow activities, boating, fishing, hunting and RVing industries combined.

## COMMUNICATIONS

### Minnesota Golfer

The award-winning *Minnesota Golfer*, the official publication of the MGA, is distributed four times per year to a primary audience of 92,000. Readers include MGA Members, golf industry decision makers including golf professionals, club managers, golf course superintendents, course owners, club officials, sales representatives and the news media. A digital version of current and recent issues also appear online at [mngolf.org](http://mngolf.org).

The *Minnesota Golfer* is an effective tool for advertisers to help achieve their marketing goals with the most avid golf audience in Minnesota.

### mngolf.org

The MGA's website, [mngolf.org](http://mngolf.org), features a hugely popular course search engine and is an exceptional resource for information. This site displays key member club information such as telephone numbers, green fees, directions, course amenities, yardage and par as well as the course and slope ratings of all MGA member clubs. MGA Members are able to sign up for MGA events and programs via the website. While players, visitors and the media are able to view Minnesota golf news on a daily basis and "Live Scoring" during most MGA championships, in season news and stories on the local golf scene are updated nearly daily on the MGA website throughout the year. The MGA also has a mobile friendly web design for the convenience of MGA members and visitors using smartphone technology.

For more information on marketing opportunities with the MGA, please contact our account representative, Connie Van Housen at 612-723-2901 or [cvanhousen@mspcommunications.com](mailto:cvanhousen@mspcommunications.com).

## HANDICAPPING

Handicapping enables golfers of differing skill levels to play equitably together- a vital and important component in the overall golf experience. As the authorized golf association and central handicapping authority in Minnesota, the MGA strives to uphold these values:

- **Peer Review** - Golf clubs issuing Handicap Indexes® must have a minimum of 10 members, and members must have a regular opportunity to play golf together.

- **Score Posting** - Each golfer will post every acceptable round for peer review.
- **Rules of Golf** - Golfers must follow the Rules of Golf when posting scores for handicap purposes.
- **Frequency of Revision of a Handicap Index** - Golf Clubs issuing Handicap Indexes® must follow the MGA's score-posting season. A player's Handicap Index will be revised and updated the day after a score is posted.
- **Handicap Chairperson** - Golf Clubs issuing Handicap Indexes® must have an appointed Handicap Chairperson to work with all handicap-related issues.
- **Club Licensing** - All member clubs and clubs affiliated with the MGA for handicap administration purposes are required to attend an education seminar and complete a quiz demonstrating knowledge of the new Rules of Handicapping.

## WORLD HANDICAP SYSTEM

In 2020, the World Handicap System (WHS) was launched to serve golfers across the world. The United States Golf Association (USGA) along with six other handicap governing organizations across the world have collaborated to make golf an equitable game for golfers of all skill levels around the globe. The World Handicap System aims to bring the game of golf under a single set of handicapping rules and provide a more consistent measure of players' abilities throughout different regions of the world.

The MGA is the authorized golf association and the central handicap authority, to administer and implement the World Handicap System in Minnesota.

MGA Members can track their Handicap Index® by receiving the MGA eNewsletter via email, sent out on the first and fifteenth day of each month.

The MGA issues approximately 83,000 handicaps annually, including reduced-rate handicaps for juniors. It only takes 54 holes to establish a Handicap Index®. Minnesota's active season is April 1 to October 31. Once a handicap is established, it can be verified via the MGA's website, [mngolf.org](http://mngolf.org), or at [ghin.com](http://ghin.com). The MGA has a full-time staff that provides superior customer service to all MGA member clubs and Associate Members who have questions relating to GHIN or the Handicap System.

## FREE GHIN MOBILE APP

GHIN Mobile is available to all MGA Members. It offers a personalized mobile experience that allows you to manage and follow your game.

Download the free app by searching for "GHIN Mobile App."

### Key features include:

- **Score Posting** - Total Score, Hole-by-Hole Score and Hole-by-Hole Score with Stats
- **Stat Tracking** - Number of Putts, Greens in Regulation and Driving Accuracy
- **Score History**
- **Golfer Lookup**
- **Course Handicap™ Calculator**
- **3D Color Map Imagery**
- **Touch Point GPS Distance**
- **Distance to Center of the Green**

### Enhanced GPS Features\*

- **Distances** - To Front & Back of Green
- **Ability to Set Hole Location**
- **Shot Tracking**
- **Approach Heat Map**
- **Putt Break Map**

\*Enhanced features are available with an in-app purchase.

## COURSE RATING & MEASURING

One of the responsibilities of the MGA as the central handicap authority for Minnesota and authorized golf associations is to provide course rating and measuring services to its member clubs. MGA member clubs are usually rated three times in their first ten years of existence. More mature courses are re-rated every six-to-seven years. This ensures the accuracy and effectiveness of the Handicap System® for all MGA member clubs. New and reconstructed courses are a top priority at the MGA. Nearly all courses within the United States have been measured and rated using the Course Rating™ System Rating guidelines. This allows golfers to report their scores from any of these courses in the country for handicapping purposes. The use of the Course Rating™ System makes the Handicap Index® portable from course to course. MGA course raters have attended calibration seminars and training sessions to qualify for their positions. Each year the

MGA's two course rating teams measure and rate approximately 100 golf courses in Minnesota. Laser measuring and strict adherence to specifications ensures accurate ratings at all MGA member clubs. The MGA rating teams are among the top rating teams in the United States.

## MEMBERSHIP

Join the MGA and receive a Handicap Index directly through a golf course or you can join online at: [mngolf.org/JoinOnline](http://mngolf.org/JoinOnline). The join online fee is \$45.

### MGA Associate Members receive various benefits including:

- **Handicap Index** through the GHIN service
- Subscription to the *Minnesota Golfer* magazine
- Access to the **GHIN Mobile App** used for score posting, GPS and stat tracking
- Score posting and stat tracking tools through **GHIN.com**.
- Eligibility to **play in MGA tournaments, championships, tours, and member events**

## JUNIOR GOLF CHAMPIONSHIPS

The MGA offers the Minnesota State Junior Boys' & Junior Girls' Championships. The MGA also oversees United States Golf Association qualifying for the U.S. Junior Amateur and U.S. Girls' Junior Amateur Championships. Juniors who qualify locally compete at the national championship. The MGA helps defray the travel expenses so juniors from Minnesota can attend the event every year.

## U.S. NATIONAL DEVELOPMENT PROGRAM

The U.S. National Development Program (USNDP) is a new initiative by the USGA to expand the pipeline for elite local golfers (ages 13-18) into the national development program and strengthen junior golf programming across the country. The USNDP is designed to ensure that American golf is the global leader in the game by focusing on six key pillars: talent identification, access to competition, national teams, athlete resources, player development and relations and athlete financial support.

Minnesota is thrilled to be one of nine states that has been added to the state team pilot program in 2025.

For more information about Team Minnesota, please contact Holly Nobel, [holly@mngolf.org](mailto:holly@mngolf.org).

## FOR THE GOOD OF THE GAME – AND ITS FUTURE SUCCESS

The MGA is proud to support programs such as the Evans Scholars Foundation, the Fairway Foundation, the Minnesota Minority Junior Golf Association, the Physically Limited Golfers' Association and The First Tee. See our list of Allied Associations on pages 9-11 of this Media Guide.

In addition to the recognition as allied associations, the MGA publishes an annual golf calendar helping to raise awareness of charitable golf tournament fundraising at MGA member clubs.

## MGA FOUNDATION

The MGA Foundation (MGAF) is the charitable affiliate of the Minnesota Golf Association. The MGAF is a 501(c)(3) charitable non-profit and contributions are tax-deductible. It assists the golf community in Minnesota by providing charitable support for the administration of the following programs, adaptive golf, Youth on Course, caddie development and three scholarship programs, including, the Evans Scholars Minnesota Chapter, MGAF Women's Scholarship, and MGAF Jim Mendesh Memorial Scholarship.

### Adaptive Golf in Minnesota

Adaptive golf provides physical exercise, which can improve overall health, mobility, and fitness for individuals with disabilities. The sport also offers mental health benefits, such as increased confidence, reduced stress, and a sense of accomplishment. Golfing in a community setting helps individuals with disabilities build social connections and fosters a sense of belonging. Programs often emphasize inclusivity, bringing together people of all abilities to share in the enjoyment of the sport.

Courage Kenny and the MGA will be conducting four adaptive golf clinics in 2025 for the beginner and intermediate golfer. The **Inaugural Minnesota Adaptive Open** will be played at Braemar Golf Course on September 26-28.

Many other associations throughout the state provide opportunities for adaptive golfers. Go to [mngolf.org/adaptivegolf](http://mngolf.org/adaptivegolf) for more information for all opportunities.

### Youth on Course Minnesota

An annual Youth on Course membership (\$40) entitles members (ages 6-18) to play at participating courses in Minnesota and over 2,150 courses internationally for \$5 or less per round. By joining, juniors receive full membership benefits with the MGA including a Handicap Index®, subscription to the *Minnesota Golfer* Magazine and eligibility to play in various events.

Visit [mngolf.org/youthoncourse](http://mngolf.org/youthoncourse) to join and see a complete listing of participating Minnesota courses.

For more information please contact Nathan Lindberg, [nathan@mngolf.org](mailto:nathan@mngolf.org).

### Caddie Development in Minnesota

The MGA promotes caddie programs via a statewide network of MGA golf courses by disseminating information, such as best practices and support materials, and assists member courses in the recruitment of youth caddies. The Caddie Development Manager, as liaison between the MGA and the Minnesota Caddie Committee, perpetuates the Evans Scholarship by identifying and developing qualified applicants for the Evans caddie-scholar program.

For more information contact Jack Mendesh, MGA Caddie Development Manager at 952-345-3960 or [caddie@mngolf.org](mailto:caddie@mngolf.org).

### MGA Foundation Women's Scholarship & Jim Mendesh Memorial Scholarship

The MGA Foundation Women's Scholarship was established in 1998 and supports young women in their collegiate ventures. The MGAF has committed nearly \$900,000 in scholarships to 82 recipients. The criteria for judging applicants are based on their academic excellence, financial need, quality of character, and interest or involvement in golf. The 2024 recipients (pictured below) were **Mila Jenniges** and **Fernanda Ossa Letelier**.

New in 2024 was the introduction of the Jim Mendesh Memorial Scholarship in honor of Jim Mendesh, a self-taught craftsman who put a strong work ethic and a passion for hands-on work to good use. The scholarship is available to students pursuing a certificate or associate's degree in a skilled trade at an accredited vocational or technical school (i.e., electrician, construction, HVAC, medical assistant, teacher's aide, etc.).

2024 MGA Foundation Women's Scholarship recipients (L to R): Mila Jenniges and Fernanda Ossa Letelier.  
2024 Jim Mendesh Memorial Scholarship recipients (L to R): Parker Hinz, Zach Meyer and Taylor Raether.

The 2024 recipients (pictured below on previous page) were **Parker Hinz, Zach Meyer** and **Taylor Raether**.

For more scholarship information and application, visit [mngolf.org/foundation](http://mngolf.org/foundation).

There are several ways you can help the MGAF succeed in its mission to better the game of golf in Minnesota including, becoming a sustaining donor of the MGAF, making a donation directly to a specific MGAF program, purchasing a Minnesota Golf License Plate or leave your legacy through an estate gift.

To donate to the MGAF, visit [mngolf.org/foundation](http://mngolf.org/foundation).

For more information about donations please contact Matt Magers at 952-345-3974 or [matt@mngolf.org](mailto:matt@mngolf.org)

### Minnesota Golf License Plate

The Play Golf Minnesota specialty license plate is on sale through the Minnesota department of public safety and select DMV locations. Golfers who pay the \$30 plate fee will have the peace of mind of knowing that proceeds will be directed toward for-good-of-the-game programs, such as junior golf and player development, designated by a joint Minnesota MGA/PGA committee.

To order your golf license plate, visit your local county Driver and Vehicle Services office.

### GOLF DAY MINNESOTA

The 2nd Annual Golf Day Minnesota will happen on **June 7, 2025** with the purpose of celebrating the game in our state and supporting Youth on Course MN. Participating sponsors will donate \$5 per round posted to GHIN by MGA members on Golf Day Minnesota. 11, 245 rounds were posted on last year's Golf Day Minnesota! Special events, clinics, and deals were offered at many MGA Member Clubs.

### EVANS SCHOLARS – COLLEGE SCHOLARSHIPS

The MGA, in association with the Western Golf Association, provides Evans Scholarships to deserving caddies. Scholarships are awarded to caddies with financial need who have demonstrated outstanding scholastic performance and communi-

ty service. Scholarships include tuition and housing. Currently, there are forty-five active scholars at the University of Minnesota. Since 1930, when the first two Scholars enrolled at Northwestern University, more than 12,000 Evans Scholars Alumni have graduated from college, including more than 700 from Minnesota.

For more information, contact Anne Mullen at 952-345-3969 or [anne@mngolf.org](mailto:anne@mngolf.org).

### 2024 Chick Evans Scholarship Recipients

Eight Minnesota caddies (pictured below) were awarded the Chick Evans Scholarship, following a final selection interview in February 2024 for fall 2024 enrollment at the University of Minnesota.

### GUEST SPEAKER BUREAU

The MGA provides a speaker service for club meetings or special gatherings to discuss MGA services, programs and other related topics.

### HOLE-IN-ONE CERTIFICATES

The MGA recognizes holes-in-one made by MGA members on our website and in a comprehensive database available at [mngolf.org](http://mngolf.org). MGA members can enter their "ace" information online including telling a story about their perfect shot and uploading a photo. Recent holes-in-one are featured on the homepage. Once a hole-in-one has been recorded online, a player may print out a handsome certificate recognizing their accomplishment or request the MGA staff to send out a printed certificate. In 2024, just over 600 holes-in-one and double eagles were recorded by MGA Members. Simply go to the homepage of [mngolf.org](http://mngolf.org) and look for the highlighted area recognizing holes-in-one. You can see recent hole-in-one stories and photos, explore the searchable MGA hole-in-one database and record your own hole-in-one!

### INTERNSHIPS IN GOLF ADMINISTRATION

The MGA conducts a P.J. Boatwright Jr. internship program that provides education and training in all areas of golf administration. In 1991, the USGA established the P.J. Boatwright Jr. Internship Program, in honor of P.J. Boatwright Jr., a past United States Golf

2024 Evans Scholars Chick Evans Scholarship recipients (L to R): James Austerman, Peter Bolin Savannah Hartinger, Cal Havlicek, Kiersten Lawrance, William Moyer, Harrison Sand and Jacob Taggart.

Association Director of Rules and Competitions. Each year, the USGA perpetuates a memorial tribute to P.J. Boatwright Jr. through funding of internship programs for regional golf associations throughout the country, including the MGA. This program is designed to give experience to individuals who are interested in pursuing a career in golf administration, while assisting state and regional golf associations, as well as other non-profit organizations dedicated to the promotion of amateur golf, on a short-term, entry-level basis. Interns help conduct tournaments, junior golf programs, membership services, and other general activities that promote the best interests of golf.

## **NORTH STAR SERIES**

Formerly known as MGA Member Days, this popular program allows our MGA Members to play outstanding golf courses around the state. These events of fun golf and camaraderie are an opportunity for MGA member clubs to host a full field of avid golfers eager to experience a championship-quality event. There is a nominal fee for the golfer, which includes green fees, prizes, food and fun.

For more information visit: [mngolf.org/MemberDays](http://mngolf.org/MemberDays).

## **INFORMATIONAL MEETINGS/ EDUCATIONAL SEMINARS**

Informational meetings provide an opportunity for golf course officials and MGA members to meet and discuss various topics with MGA staff and directors as well as provide great networking opportunities for those attending. The purpose of these meetings is to educate attendees along with enhancing communication between the MGA, member clubs and individual members. Meetings are held throughout the state each year, providing local club officials the opportunity to meet and discuss how the MGA is serving the needs of local clubs and members and to discuss issues that are specific to the local area.

## **VOLUNTEERING**

More than 300 volunteers dedicate their time and talent to work on a number of different MGA committees making possible all the programs and services that make the game of golf better in Minnesota. MGA Volunteers help to conduct MGA championships and qualifiers, USGA qualifiers, allied association events and the MGA junior golf program. Volunteers participate in a variety of roles and are vital to the overall success of the MGA.

Annually, the MGA celebrates active volunteers with a brunch and special day of golf at the MGA Appreciation Day.

If you would like to join the MGA Volunteer family, visit: [mngolf.org/Volunteers](http://mngolf.org/Volunteers).

## **RULES OF GOLF**

The MGA coordinates and conducts sanctioned *Rules of Golf* workshops throughout Minnesota that are open to the public.

For a complete schedule of Rules education, visit: [mngolf.org/Rules\\_of\\_Golf](http://mngolf.org/Rules_of_Golf).

The MGA office also monitors a "rules hotline" to answer questions on the *Rules of Golf* during the evenings and weekends as an additional benefit to MGA member clubs, 1-800-642-4405, ext. 965 or 952-345-3965.

## **SENIOR TOUR**

In 1996, the MGA Senior Tour began as a series of 18-hole events to provide senior golfers of all playing abilities an opportunity to participate in competitive MGA events. Nearly 700 senior players participated statewide in 2024. The program is eligible to golfers with an active MGA membership meeting the age requirement of 55 years and older for men, and 50 years and older for women.

There are six sections each with their own schedule of events along with additional All Section events. Net and Gross competitions are offered at each event including divisional age categories (Senior and Master). A Super Senior section is available for men, 70 years and older, featuring shorter tees, and the newest section, the Gross section, is for men looking for gross only competition with longer tees.

For more information visit: [mngolf.org/SeniorTour](http://mngolf.org/SeniorTour).

## **TOURISM**

Golf-related tourism is an important industry and vital to the state's economic engine.

The golf industry accounts for more than \$669.6 million annually in golf-related revenues.

The MGA supports golf tourism efforts through its joint partnership with the Explore Minnesota Golf Alliance and Explore Minnesota Tourism. The MGA's website, [mngolf.org](http://mngolf.org), provides a search engine of member club information enabling locals and out-of-towners to quickly access information ranging from phone numbers, green fees and directions to yardage, par, slope and course ratings™ for all MGA member clubs.

## **USGA LIAISON**

The MGA, as the central handicap authority for Minnesota and an authorized golf association, is designated by the USGA to administer and implement the Handicap System™ License Program. In addition, the MGA monitors national issues of importance to member clubs, processes amateur status reinstatement applications, and conducts qualifying competitions for all USGA championships.

# MGA AWARDS

## MGA MEMBER CLUB OF THE YEAR

**Hastings Golf Club** is the 2024 MGA Member Club of the Year in recognition of the facility's support of the MGA Associate Member program and willingness to host MGA championships and qualifiers.

The club receives a plaque and is featured in the 2025 Directory issue of Minnesota Golfer, the official publication of the MGA.

The Hastings Golf Club has its origins in the Valley View Golf Club which was formed at the tail end of the Roaring Twenties on land once owned by the family of local farmer, Nick Konzemius. The golf club was formerly organized in 1929 and managed to stay solvent after the stock market crash of the same year, and in an era when many other golf courses and country clubs could not. In 1939, the club voted

to change its name to Hastings Country Club, and for the next two decades the golf course operated on property just east of Highway 61. In 1959, after the current site was purchased using the proceeds from the sale of home lots, the club hired architect Paul Coates who developed a master plan featuring an initial opening of 9 holes, which opened in 1960 followed by a second nine in 1966. After a new clubhouse was built in 2002, the private club weathered years of financial difficulties culminating in the golf club's sale to local businesswoman Nicole Sindelar. Now operating as a semi-private golf facility, Hastings GC was named Business of the Year (2023) by the Hastings Area Chamber of Commerce, and a Golfers' Choice Top 50 U.S. Public Golf Course (2024) by NBC GolfPass.

## MGA GILES KOBILKA AWARD

More than 300 volunteers dedicate their time and talent to make it possible for the MGA to provide all the programs and services that make the game of golf better in Minnesota. Volunteer assignments range from working at MGA events and on committees to acting as a liaison with member clubs through the MGA Ambassador Program.

The service award was created to recognize individuals whose exceptional and meritorious contributions align with the mission of the MGA and enhance the amateur game of golf in Minnesota.

**Mark Loosbrock** is the 2024 MGA Giles Kobilka Award recipient.

Loosbrock, age 74, of Lismore, has been volunteering for the MGA for nearly three decades. He was elected to the MGA Board of Directors in 1997, and given his leadership ability and unstinting service, was quickly elevated as an officer as the Southwest Regional Vice President -- a position he holds to this day. Loosbrock

played a key part in the formation of the MGA's Ambassador Program, which ran from 2003 to 2016. He began serving as an MGA tournament volunteer in 2000 and remains active as a site captain and rules official. Loosbrock was appointed to the MGA Rules & Competitions Committee and served in that capacity from 2017 to 2020. Prior to his time serving the MGA, he was a volunteer marshal and rules official at the high school level, and for the past 30-plus years, he has officiated at Worthington's long-running Labor Day Classic. After a lifetime in the banking industry, Loosbrock recently retired as owner of the State Bank of Lismore, where he remains active in the community and his church.

The MGA award is named for Giles Kobilka, who passed away in 2020 after nearly 50 years of volunteer service to the MGA. Kobilka was highly regarded by volunteers and competitors alike not only for his personable nature, but also for his unwavering commitment to the volunteer ethos.

**MGA FRITZ CORRIGAN  
EVANS SCHOLAR OF THE YEAR**

The MGA Fritz Corrigan Evans Scholar of the Year Award is bestowed annually to the Evans Scholar from the University of Minnesota chapter house for outstanding achievement in academics, leadership and community service.

**Karsten Kimsal** was named the 2024 Minnesota Golf Association's Fritz Corrigan Evans Scholar of the Year.

Kimsal, 22, is a senior at the University of Minnesota majoring in Finance & Entrepreneurial Management, carrying a 3.4 cumulative GPA. Due to his love of golf, he caddied at Hazeltine National Golf Club in Chaska for five years before establishing an outstanding record of leadership within the Evans Scholars Program. In 2023, Karsten served as vice president of finance for the chapter and was elected to serve a second term on the executive board as the Minnesota chapter's president in 2024.

Karsten will graduate in December 2024 and has plans to launch his own business.

**THE WARREN J. REBHZOL  
DISTINGUISHED SERVICE AWARD**

The Warren J. Rebholz Distinguished Service Award was established in 1994 to honor individuals who, through their actions, have exemplified the spirit of the game at its highest level and who have made a substantial contribution to the game in Minnesota, or on a national or international level. Individuals may come from any golf-related area or discipline.

The award is named in honor of Warren Rebholz, the longtime MGA executive director (1972-1992) and former "Commish" of the popular MGA Senior Tour.

## MGA-PGA MINNESOTA GOLF HALL OF FAME

The MGA-PGA Minnesota Golf Hall of Fame was established in 1987 to recognize Minnesotans for their outstanding contributions to the game of golf. A task force meets annually to review nominations. The MGA-PGA Minnesota Golf Hall of Fame is housed at Bunker Hills Golf Club in Coon Rapids and is operated and supported by the Minnesota Golf Association and the Minnesota Section of the Professional Golfers' Association of America.

In an overhaul of its vision, mission and criteria for consideration, the MGA/PGA Minnesota Golf Hall of Fame selection committee announced a record number of nine Hall of Fame inductees in August 2023.

The reimagined mission and selection criteria for election to the Hall of Fame has opened the door to individuals not previously considered, and better reflects a place where the people with the greatest impact on Minnesota golf are forever enshrined.

Beginning in 2025, applications will be accepted on a biennial basis. Please visit [mngolf.org](http://mngolf.org) for more information.

## MS. & MR. MINNESOTA GOLF

The annual Ms. & Mr. Minnesota Golf Award was created in 2016 to recognize the outstanding male and female high school senior golfer based on their performance on the golf course, academic achievement and strength of character. Finalists are chosen by a committee of high school coaches and amateur golf representatives. The awards are announced and presented at a banquet in June of each year. All nominees and their families are invited to attend.

**Reese McCauley** and **Ryan Stendahl**, were named the 2024 Ms. and Mr. Minnesota Golf.

Since the Mr. and Ms. Minnesota Golf award began in 2016, three recipients have gone on to play collegiate golf at the University of Minnesota.

The list nearly doubled Sunday when Maple Grove High School's Ryan Stendahl and Simley High School's Reese McCauley, the state's top-ranked golfers and Gopher commits, earned award honors in a ceremony at Windsong Farm.

"My heart was bumping through my chest. Obviously, had a good year, but you never know until they say your name," Stendahl said after winning the award Sunday. "To be in this class with this many good players—there were a bunch of players who were left off, that easily could've been here. It always pushed me to be the best I could be. I'm so thankful and very excited."

"I'm honored to win this award. It had to be close because there are so many good players here," McCauley said Sunday. "My senior year has been good—a lot of ups and downs early on, but towards the end of the season, things started to come together."

Stendahl finished his senior campaign with a flurry of six consecutive rounds below par to help him earn medalist honors in four consecutive events, includ-

ing his second straight MSHSL Boys' 5AAA Section championship.

He will make his fourth consecutive Class AAA appearance Tuesday, notching back-to-back fifth-place finishes in 2022 and 2023, while helping the Crimson to a team title in 2021.

Stendahl posted a 71.8 scoring average across 18 rounds this season, claiming nine top-5 finishes to lead Maple Grove to the season finale at Bunker Hills for the third time in four seasons.

"This team has been a little different from years past with new guys, but this season was great," Stendahl said. "To play as well as we did, I couldn't be prouder of the team. State is the best two days of the season, so I'm excited for that."

Widely considered the favorite at the Class AAA championship beginning Tuesday, McCauley heads into the final 36 holes of her high school career with a chance to claim her third individual title.

In seven rounds this season, McCauley recorded four wins and a scoring average of 73.0, including a season-low 68 at the Metro East Conference Championship.

Back-to-back rounds of 68 led McCauley to her second Class AAA championship at Bunker Hills last June, becoming the 20th player in state history to win multiple individual titles.

McCauley and older sister Isabella, Ms. Minnesota Golf winner in 2022, become the second sister tandem to win the award following Red Wing's Stephanie (2017) and Leah Herzog (2019).

"I'm really looking forward to being on the team with her," said the younger McCauley, who will join her sister at Minnesota this fall. "It's close to home, too. I'm excited to play for Matt [Higgins], to travel with the team and play in college events."

### Maxwell Tylke

Tylke, 31, of Rosemount, and a member of the Legends Club in Prior Lake, amassed an astonishing number of runner-up performances this season, including losing in a 3-way playoff to Carson Herron at the Minnesota State Open and tying for 2nd at the MGA Amateur Championship; finishing as the lone runner-up at the MGA Mid-Amateur, the MPGA Public Links and the MPGA Four-Ball championships, the latter with partner Ryan Tschann; and losing in the final match to Trent Peterson at the MGA Mid-Players' Championship. He was also a quarterfinalist in the MGA Players' Championship, tied for sixth place at the MGA Amateur Four-Ball Championship with partner Gavin Cronkrite, and ultimately earned his first win of the summer at the Worthington Labor Day Classic. Tylke capped his competitive year by qualifying for match play at the U.S. Mid-Amateur Championship at Kinloch Golf Club in Manakin-Sabot, Va.

This is Tylke's first MGA Player of the Year honor.

## SENIOR MEN'S

### Dave Carothers

Carothers, 56, of Buffalo, is a member of Windsong Farm Golf Club in Independence. Playing in his first year as a senior, Carothers had a pair of strong finishes at state events, finishing tied for second at the Minnesota Senior Open at Keller Golf Course in St. Paul and tied for fourth at the MGA Senior Amateur Championship at Edina Country Club. Additionally, he finished in a tie for 56th and was the low senior at the MGA Amateur Championship at Minnesota Valley Country Club in Bloomington, qualified for the U.S. Senior Amateur Championship at Biltmore Forest Country Club in Asheville, N.C., and finished third in the Senior Division at the MGA Mixed Amateur Championship at Stillwater Country Club.

This is Carothers' first MGA Senior Player of the Year honor.

## JUNIOR BOYS'

### Jake Birdwell

Birdwell, 18, of Blaine, is a member of TPC Twin Cities. Birdwell's crowning achievement of the season was winning the Minnesota Boys' Junior PGA Championship at North Oaks Golf Club. With the win, he qualified for the Junior PGA Championship at Congressional Country Club, in Bethesda, Md., where he finished in a tie for fifth. Birdwell continued his strong play on the national level, qualifying for the match-play portion of the U.S. Junior Amateur Championship at Oakland Hills Country Club in Bloomfield Hills, Mich. On the local stage, he tied for 12th at the MGA Amateur Championship, tied for fifth at the MSHSL Class AAA Boys' State Tournament and qualified for the Minnesota State Open.

This is Birdwell's first MGA Junior Boys' Player of the Year honor.

# MINNESOTA CHAMPIONSHIPS, QUALIFIERS, EVENTS & HISTORY

*Sean Lehman, Alexandria GC, reacts to his birdie putt at the par-4 first green during the 2024 MGA Mixed Amateur Team Championship July 2 at Stillwater Country Club. After tying Olivia Herrick and Trent Peterson at 11-under-par 133, Lehman and partner Hannah Boraas won the championship division with a birdie on the first playoff hole.*

# MGA WOMEN'S SPRING SCRAMBLE Tournament

**Format:** 18 Hole Scramble with player on a two-person team tees off, then each golfer on the team plays her second shot from the best-driven ball. All players will then play their third shots from the best second ball, and so on. The field will be flighted after the registration deadline, and teams will be assigned to flights based on the lowest individual Handicap Index of the two team members.

**Eligibility:** Players must be current MGA members.

**Handicap Limit:** There are no age or Handicap limit requirements for this tournament.

### Minnesota PGA Picks Up Second Win in Three Seasons, Beat MGA at 47th Cup Matches

By Nick Hunter (May 15, 2024)

WACONIA, Minn. – Jumping out to an early lead at Island View Golf Club, the professionals from the Minnesota Section of the PGA held on for a 22-18 victory over the amateurs from the Minnesota Golf Association at the 47th edition of the MGA/PGA Cup Matches.

The professionals have now claimed two of the last three championships, while extending their overall lead at the event to 29-16-2.

“What I love about the event is the two organizations working together in a friendly exhibition,” professional and Augsburg College men’s and women’s head golf coach Eric Rolland said. “I’ve never said no to playing in it during the years I’ve been eligible, and I’ve played with a lot of friends over the years.

“I got to play with Tommy Koehler today—he and I go way back. We started making some putts, so that made it pretty fun.”

Rolland and Koehler picked up all four possible by winning their four-ball match against the MGA’s Bradley Wohlers and Jason Pendleton, as well as their respective singles matches.

The Minnesota PGA collects its second win since 2022, when it recorded one of the most lopsided victories in tournament history, defeating the MGA 27.5-12.5 at StoneRidge Golf Club.

Playing in the event as a professional for the first time, Andrew Israelson teamed up with Island View head professional Johnny Schwaller to down Joel B. Johnson and Jamie Quesnel.

Israelson edged Johnson, 2 and 1, while Schwaller closed out his match with Quesnel following his 15th hole, to tally a total of four points.

“I really enjoy the event and playing match play, especially switching teams for the first time,” Israelson said. “It’s not much different because it’s still a nice, laid-back environment.

“Playing with [Schwaller] was great because he showed me around with his home-course advantage. His game really suits my game as a partner—he plays fast, which I like, and he knows where he’s going. We were both more focused on our individual matches, but it worked out that we were making birdies as a twosome.”

The twosome of Don Berry and Chris Borgen produced a solid showing against 2023 MGA Senior Amateur champion Mark Aldrich and J.T. Johnson, winning their four-ball match, 4 and 3.

Berry and Borgen defeated their amateur counterparts by the same margin in each of their respective singles matchups.

Angie Ause contributed three points to the professionals, teaming with Lori Money to win their four-ball match against Lynn Anderson and Barbara Miller before Ause cruised past Anderson, 6 and 5, for an extra point.

Eric Chiles also chipped in three points for the Minnesota PGA, collecting two points during his four-ball match with partner Derek Stendahl, while Chiles rallied late to defeat the MGA’s Tim Peterson, 2 and 1.

## Minnesota PGA Picks Up Second Win in Three Seasons... Continued

A bright spot for the MGA was the play of North Dakota State University golfer Madi Hicks, who teamed with Xavier University's Emma Welch to defeat professionals Kellie Hoiness and Haley Tollette in four-ball, while Hicks added an extra point for the amateurs by winning her singles match against Hoiness.

"We were able to put three points on the board, so that was nice. Emma had a birdie at the first and that got us off to a good start," said Hicks, the 2023

Resorters champion. "We timed things nicely and stayed very steady.

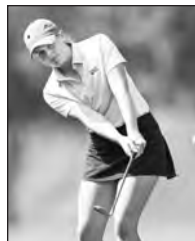

"I love playing this event—it's a little interesting playing a four-ball match and your own individual match because there's a lot going on, but I really like playing it."

Defending MGA Senior Players' champion Jerry Rose and defending MPGA Combination champion Ryan Conn were the only other two players for the MGA to help earn three points for the amateurs.

## Goodno and Hurley Hang on, Go Wire-to-Wire at MGA Women's Senior Four-Ball

By Nick Hunter (June 4, 2024)

MINNETRISTA, Minn. – An early birdie to start their back nine and a critical par save late in the round at Burl Oaks Golf Club guided Linda Goodno and Alison Hurley to a two-stroke victory at the 2024 Minnesota Golf Association Women's Senior Amateur Four-Ball Championship.

Goodno and Hurley overcame a bumpy start to the final round to earn a wire-to-wire victory by shooting 1-over 145 to edge the twosome of four-time senior four-ball champions Claudia Pilot and partner Brenda Williams.

"A win means I've finally gotten healthy—there's been some ups and downs," said Hurley, who wins for the first time since she claimed the 2009 MGA Women's Mid-Amateur Championship. "It's been a bit, but it's finally coming together."

"[Hurley's] a good partner for me and that helped out a lot. It feels good to win," Goodno said following her first state victory. "We played really well yesterday—weren't nearly as sharp today, but we stuck with it and saved ourselves a few times when we really needed to."

Goodno and Hurley distanced themselves from the field during the opening round by firing a 4-under 68 to take a four-stroke advantage into the final 18 holes.

After carding two bogeys during the entire opening round, Goodno and Hurley tallied four bogeys over their first seven holes to begin the final round, watching their lead shrink to one.

Hurley rolled in her birdie chance from 12 feet at the par-4 10th to put her and Goodno back into red figures for the championship before a pair of bogeys at the 14th and 16th moved them back to 1-over.

Once again, Hurley sank a crucial putt—a 10-foot bender at the 17th—to preserve a one-shot advantage.

With Hurley out of the hole at the last, Goodno's approach found the middle of the green and she two-putted for par to secure the victory with a final-round 77.

"I think what turned the corner for us was her birdie [on No. 10]," Goodno said, "We settled down a bit."

## Goodno and Hurley Hang on... Continued

"If I was in trouble, she was good. And if she was in trouble, I somehow managed," Hurley said. "We didn't play our best, but we didn't give up. Yesterday, we got the bounces and putts were going in. They weren't today, but he kept our heads down and it worked out."

Pilot and Williams, winners in 2021 and three more (2010, 2012, 2014) when the event was called the Minnesota Women's Golf Association Senior Four-Ball Championship, opened the championship with a round of 1-over 73 Monday.

Unable to make up ground during most of the final round, Pilot and Williams rallied late with a pair of birdies over their final three holes to post a round of 2-over 74 to finish in a tie for second with 2022 champions Christine Dean and Adele Peterson, but won a scorecard playoff to finish second at 3-over 147.

Dean and Peterson posted a steady even par 72 during the opening round by carding one birdie against one bogey.

Left with a birdie to force a playoff on the final hole late, Peterson's putt rolled past the cup, and she would take a three-putt bogey at the last to give her

and Dean a final-round 75 to finish tied with Pilot and Williams at 3-over 147.

Lynn Anderson and Leigh Klasse, winners of four straight women's senior four-ball titles from 2015 to 2018, bounced back from an opening-round 76 by carding a 1-over 73 during the final round to finish four shots back at 5-over 149.

Mary Flynn and Lili McMillan followed up their opening-round 76 with a 5-over 77 during the final round to run away with a six-stroke victory in the First Flight, while a final-round 79 helped Ann Leahy and Sue Sajevic to medalist honors in the Second Flight by the same margin.

Back-to-back rounds of 84 put the team of Janice Barstad and Jeri Meola on top of the Third Flight to claim a three-shot win, and twosome Kathy Fisher and Ann Harris bettered their opening-round score by seven strokes to claim a four-stroke victory in the Fourth Flight.

Posting a final-round 87 helped Jacqui Jarnes and Dale Ann Smith to a one-stroke victory in the Fifth Flight, edging the pairing of Brenda Breckheimer and Kay Rasmussen.

# MGA MID-PLAYERS' Championship

**Format:** All Championship players are guaranteed three matches. The first three matches are a “round robin” format within a “pool” of players determined by seedings. Each match will be worth one (1) point for a win or a half (.5) point for a tie. The players with the most points from each pool will advance to the round of 8, with the championship transitioning to single-elimination match play at that time. In the event there is a tie following pool play, there will be a hole-by-hole playoff to determine who will advance.

**Eligibility:** Must be 30 years of age by the first day of the championship and qualify or have an exemption.

**Handicap Limit:** 6.4 at the time of entry.

## 2025 Exemptions:

- 2024 MGA Mid-Players' Champion
- 2024 MGA Player Point List – The 6 highest ranking players to enter from the prior season's Men's Regular Points list, excluding the Defending Champion.
- MGA Mid-Amateur Champions from the last two years.
- Host Club Exemption (1)

## Peterson Holds Off Tylke for Third Win at MGA Mid-Players' Championship

By Nick Hunter (June 12, 2024)

BREEZY POINT, Minn. – Fending off a late charge by Max Tylke at Deacon's Lodge, Trent Peterson pulled out a 2-up victory to claim his third Minnesota Golf Association Mid-Players' Championship.

Peterson tallies the 36th victory of his amateur career, and has now won at least one championship in 12 consecutive seasons.

“A win is a little bittersweet—it's been a while since I've won this event,” Peterson said. “With a new format and playing six rounds instead of five, it's not easy, but it's nice to get a win on the board early.”

Peterson jumped out to an early lead with birdies on each of the first two holes before Tylke countered by sticking his approach inside of six feet at the par-3 third to cut into Peterson's advantage.

Rolling in his birdie chance from 12 feet at the ninth helped Peterson regain a 2-up lead with nine holes to play, but his lead would evaporate early on the back

nine following a bogey at the 13th and birdie by Tylke from 15 feet at the 15th.

But Tylke stumbled late, giving Peterson a slim 1-up lead into the final hole where he'd make birdie to earn the victory, 2-up.

“We each won a lot of holes with birdies today, which was fun,” Peterson said.

Peterson entered the week with three competitive rounds under his belt when he competed with partner Nick Jarrett at the 2024 U.S. Amateur-Four Ball Championship at Philadelphia Cricket Club in Flourtown, Pa., two weeks ago, advancing to the Round of 32.

## Peterson Holds Off Tylke for Third Win... Continued

"I haven't played in Minnesota after [the U.S. Four-Ball]. I kind of had to get the feel for it and each round it came back more and more," he said.

The 37-year-old former South Dakota State University golfer went 2-0-1 during pool play to advance to the quarterfinal round for just the second time since his victory in 2019.

Making quick work of Jesse Larson, 6 and 5, Peterson advanced to face Ryan Conn during the semifinals.

A string of four consecutive birdies to close out the front nine, Peterson built a 4-up lead and hung on for the victory, 4 and 3, to face Tylke in the finals.

Tylke went 2-1 during pool play, and advanced to the quarterfinal round after surviving a playoff against Aaron Wiemiller.

Pulling away late in his match against Jesse Polk, Tylke earned the victory, 3 and 2, to reach the semifinals against two-time defending champion Bryce Hanstad.

The 2021 MGA Players' champion carded three consecutive birdies to quickly mount a lead over Hanstad, and he would never look back, claiming the victory, 2 and 1, to reach the finals during his first appearance at the championship.

"I played a lot of good golf—hit the ball well and contended all the way down until the end," Tylke said. "I putted well until the last two holes. I really tried to avoid making big numbers. If you're here on the last day, it's a good sign.

"It was a great battle with Trent. We both had hiccups and we both had good shots. It came down to the end and he won the last two."

# MGA SENIOR PLAYERS' Championship

**Format:** All Championship players are guaranteed three matches. The first three matches are a “round robin” format within a “pool” of players determined by seedings. Each match will be worth one (1) point for a win or a half (.5) point for a tie. The players with the most points from each pool will advance to the round of 8, with the championship transitioning to single-elimination match play at that time. In the event there is a tie following pool play, there will be a hole-by-hole playoff to determine who will advance.

**Eligibility:** 55 years of age by the first day of the championship and qualify or have an exemption.

**Handicap Limit:** 7.4 at the time of entry.

## 2025 Exemptions:

- A. 2024 MGA Senior Players' Champion
- B. 2024 MGA Senior Player Point List – The 6 highest ranking players to enter from the prior season, excluding the Defending Champion.
- C. MGA Senior Amateur Champions from the last two years.
- D. Host Club Exemption (1)

## Peterson Tops Lehman to Claim MGA Senior Players' Championship

By Nick Hunter (June 12, 2024)

BREEZY POINT, Minn. – During his acceptance speech after earning Minnesota Golf Association Senior Men's Player of the Year honors in 2021, former University of Minnesota golfer Tim Peterson joked that he's probably the only player to win the award without ever actually claiming a state tournament title.

That season, Peterson advanced to the semifinals of the MGA Senior Players' Championship, and placed second at the MGA Senior Amateur Four-Ball. More importantly, Peterson likely sealed the award by advancing to the quarterfinal round of the U.S. Senior Amateur in Michigan.

It wasn't until 2022, when he partnered with former Gopher teammate John Brellenthin, that Peterson claimed his first state victory by winning the MGA Senior Amateur Four-Ball Championship at The Jewel Golf

Club. The two successfully defended their title a year ago, earning a six-stroke Victory at Eagle Creek Golf Club.

In the final match, Peterson outlasted 2019 champion Jim Lehman, 3 and 2, to win the 25th MGA Senior Players' Championship for the first individual title of his career.

“As someone who's about to turn 60, I feel like this win has been a long time coming,” Peterson said following his win. “It feels good—throughout six rounds I was pretty steady the whole time.

## Peterson Tops Lehman to Claim MGA Senior Players' Championship Continued

"A win is a little ironic because I felt like it was a bit of a slow spring for me to get my game going. It's nice to get this one because it was a little unexpected."

Peterson said he leaned on his experience from the semifinal round at the championship three years prior as the genesis for his successful approach this week.

"If I learned anything from [2021], it's to not give away holes. I played too aggressively a couple of times, and it cost me," he said. "I played fairly conservatively compared to how I normally play, and that worked pretty well—I made a ton of pars throughout all my matches."

Going undefeated in pool play to start the championship, Peterson cruised during his quarterfinal match against James Price, 6 and 5, to meet 2017 MGA Senior Amateur champion Dave Haslerud in the semifinals.

Playing 16 holes at 1-over, Peterson downed Haslerud, 3 and 2, to reach the finals for the first time in his career.

Early troubles by Lehman allowed Peterson a 2-up lead after just two holes before Lehman fought his way back to tie the match at the fifth.

Peterson chipped to eight feet at the seventh and converted his birdie chance to recapture the lead, following it by sinking his birdie opportunity from four feet at the eighth.

With a Lehman bogey at the ninth, Peterson increased his lead to three as the two went bogey-free over the final seven holes before Peterson closed out the match

with a respectable two-putt par at the 16th to earn the victory, 3 and 2.

"I certainly felt like I had good control of my golf ball," Peterson said. "I didn't make a ton of putts this week, but I didn't really need to. I was in play most of the time and playing from a decent spot, which made it easier for me."

"Against someone as accomplished as Jim, you have to keep the ball in play otherwise you'll have a hard time beating him."

Owner of 11 state titles, Lehman was denied his first victory since winning the 2019 MGA Senior Amateur Four-Ball on his home course at Windsong Farm with partner Jerry Rose.

Prior to this week's finish, Lehman has failed to reach the quarterfinal round since his victory at the championship in 2019, but remains optimistic and confident looking ahead.

"I've been working hard on my game and had a couple of good tournaments over the wintertime, so to have this runner-up finish is disappointing, but I also feel good about the direction I'm going," Lehman said. "It's fun to compete because I have so many friends here at these events."

"Tim played great. The difference was that he played solidly the whole afternoon and really didn't make any mistakes. I made some mistakes on the green."

## Conzemius Earns Fourth State Title with Win at MGA Players' Championship

By Nick Hunter (June 19, 2024)

HASTINGS, Minn. – Carding a final-round 69 on his childhood course at Hastings Country Club, Joe Conzemius claimed the 2017 Minnesota Public Golf Association State Public Links Championship for the first amateur win of his career.

Playing his first competitive event at Hastings Golf Club since his first win, Conzemius edged Bryce Hanstad, 1-up, to claim the 46th Minnesota Golf Association Players' Championship.

"This is such a special place to me. It's where I learned to play the game and it's where I fell in love with the game," Conzemius said following his win. "I saw a lot of familiar faces around the golf course this week, and to be able to come out here and play well was really fun."

At 39, Conzemius becomes the oldest player to win the championship since Joe Stansberry won the 1995 championship over Jay Coatta at Minneapolis Golf Club, also at 39-years-old.

"I'm getting older, and you never know if you're going to get another win," he said. "Winning golf tournaments

is really hard, especially the [MGA Players and MGA Amateur] when you're playing against the young kids and the college kids.

"This proves a lot to me—I can still come out and hang with the best players in the state."

Trading punches most of the front nine during the final match, Conzemius and Hanstad remained deadlocked through nine holes before Conzemius' two-putt birdie at the 10th gave him the lead for good.

He followed it by dropping a 30-footer at the 11th to take a 2-up lead.

Hanstad pulled within one after a Conzemius bogey at the 13th, but Conzemius countered by rolling in a 10-footer for birdie at the 15th.

## Conzemius Earns Fourth State Title with Win at MGA Players' Championship Continued

Making a late charge, Hanstad birdied the par-5 16th to cut Conzemius' lead in half going to the final hole, but a two-putt par sealed a fourth state title for Conzemius.

"It's been a lot of golf this week. You wake up, you're a little tired and a little sore, and not swinging as free as you were at the beginning of the week," Conzemius said. "You still have to find a way to get the ball in the hole."

Firing a 9-under 63 in dreadful conditions to claim the championship's top seed during the qualifying round, Conzemius was clearly the player to beat, playing 85 holes in a cumulative 10-under par this week.

Conzemius defeated University of St. Thomas golfer Owen Rexing, 3 and 2, to begin match play to reach the quarterfinal round for the first time in his seven appearances at the championship.

He then downed Brent Dickerman, 3 and 2, to reach the semifinal round where he ousted Tommie golfer Matt Armstrong, 2 and 1, to face Hanstad in the final match.

Falling to Hanstad during the quarterfinal round of the MGA Mid-Players' Championship at Deacon's

Lodge, Conzemius got a glimpse of what was in store for the finals.

"I play a lot of golf with Bryce—he's a good friend," he said. "What was on my mind is that he's a damn good player, and to win the match, I'd have to play really well. When you play Bryce, you can't get behind him because he doesn't give you anything or give holes away."

The finish marks yet another impressive performance by the 37-year-old Hanstad, who claimed back-to-back MGA Mid-Players' titles in 2022 and 2023 before opening the 2024 season with a round of 64 at the Twin Cities Open, where he placed fourth.

Advancing to the semifinal round each of the last two weeks, Hanstad has now earned six top-5 finishes, including a pair of victories since 2022.

"It was a little bit of a struggle—lost my swing this afternoon and, unfortunately, paid the price for it," Hanstad said following his runner-up finish. "My putter and short game really carried me through this week and made up for it."

## Reineke Outlasts Kuznik to Win First State Title at MGA Women's Match Play

By Nick Hunter (June 19, 2024)

HASTINGS, Minn. – Entering the 2024 Minnesota Golf Association Women's Amateur Match Play Championship at Hastings Golf Club, University of St. Thomas golfer Nicole Reineke had never finished higher than fourth in six state championship appearances.

Helped by two birdies during her back nine, Reineke defeated the University of Wisconsin's Camille Kuznik, 4 and 2, to claim the first state title of her career.

"A win means a lot and gives me a lot of confidence," Reineke said. "It kind of jump starts me into the rest of the summer, so it's a really good feeling.

"I'm most proud of my mental game this week. When I hit a bad shot, I felt like I did a good job of putting it behind me."

Steady from her opening tee shot during the final round, Reineke carded 10 consecutive pars to take a 3-up advantage over Kuznik before dropping her first birdie putt of the round—a 20-footer at the 11th to go up by four.

Kuznik fought back by winning the 12th and 14th to pull within two of Reineke, but it was all the closer she'd get.

Reineke won the difficult par-3 15th with a par to recapture a 3-up lead before an errant second shot at the par-5 16th resulted in Kuznik conceding Reineke's birdie to close out the match, 4 and 2.

"I was definitely a little nervous [for the final match], but mostly excited," Reineke said. "I had so much fun playing against Camille—she's such a good player.

"I wanted to play my own game, not focus on the outcome and play shot-by-shot."

Reineke fired an even par 72 during the qualifying round, earning the tournament's second seed behind defending champion Hannah Boraas.

Pulling away late during her Round of 16 match against University of Nebraska-Omaha golfer Maddie Simon, Reineke advanced, 4 and 3.

*Nicole Reineke, Chaska TC (far left & middle) defeated Camille Kuznik, Pioneer Creek GC (right), 4 and 2 in the 2024 MGA Women's Amateur Match Play Championship final match.*

A pair of birdies to close out her back nine helped Reineke defeat 2021 MGA Mixed Amateur Team champion Emma Welch, 3 and 2, to reach the semifinal round.

Taking advantage of a slow start by St. Catherine University's Grace Petzold, Reineke quickly built a 3-up lead through three holes and held on for the victory, 4 and 3, to reach the finals for the first time in her first appearance at the championship.

While the grind of a match play event takes its toll on many players in the later stages of the championship, Reineke only grew sharper and stronger.

After tying Emma Welch on the seventh hole of her quarterfinal match, Reineke never trailed again over the final 40 holes of the tournament.

She played 80 holes in a cumulative 8-over par, and never played beyond the 16th hole during her four matches.

Carding a 4-over 76 during qualifying, Kuznik earned the championship's No. 5 seed and began the match play portion of the championship by defeating St. Catherine's Kyra Venne, 3 and 1.

Kuznik then got past Minnesota State University-Mankato's Samantha Youngquist, 4 and 3, to reach the semifinal round.

Squaring off against the defending champion Boraas, Kuznik carded a lone birdie during her opening nine to grab a 1-up lead, and took advantage of Boraas' troubles to begin the back nine, winning three of the first five holes before closing out the match at the 15th, 4 and 3.

Falling to Reineke during the final match, Kuznik was denied her first state championship win since her and partner Aayushi Sarkar claimed the 2022 MGA Women's Amateur Four-Ball in 2022 at Monticello Country Club.

"I feel like I played well and pretty consistently the last two days—except for the last nine holes," Kuznik said. "Sometimes it comes down to the wire and [Reineke] was a little more consistent than I was, and it paid off.

"I thought I putted well this week; it's what I've been focusing on this week, so it was nice to see that shine through. I need a little more consistency with my irons."

## Callan Posts a 69 and 212, then Waits -- and Wins

By Mike Fermoye (June 26, 2024)

HUTCHINSON -- Carter Callan had a nightmarish back nine at Crow River GC in the first round of the Minnesota State Junior Boys Championship. After making the turn in even par, he made a double bogey at the par-4 10th hole and even worse, he followed it two holes later with another double, this one on the 522-yard, par-5 12th. As if that weren't bad enough, he bogeyed the other par 5 on the back nine at Crow River, the 505-yard 15th.

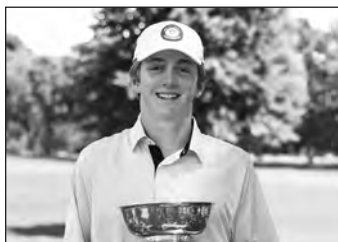

A birdie at the par-4 17th helped a little, but he had 40 on the back side and ended the round with a 4-over 75, which had him tied for 30th.

But things got progressively better for the Benilde St. Margarets senior to be after that. In the second round, he improved by six strokes on the back nine and shot 34 on both nines. The resulting 68 moved him up 24 places into a tie for sixth. Nevertheless, he was still four behind the leader, Ryan Stendahl, who was the only player to beat Callan's 68 in Round 2. Stendahl had a 67.

Callan went out a couple of groups ahead of Stendahl in the final round, and birdied the 376-yard, par-4 second hole, but so did Stendahl. Shortly after that, however, things began to change. Stendahl doubled the par-4 third (412 yards), and Callan was within two of him. A birdie at the par-4 sixth (396) got Callan within one. He bogeyed the par-3 eighth (160), but he birdied the par-4 ninth (390), and when Stendahl bogeyed it, they were tied for the lead.

That was a recurring theme. Callan moved mostly forward. The other contenders for the Boys Junior title would take a step or two forward, and then fall back until, in the end, Callan was the last man standing. He followed his second round 68 by closing with a 69, and his 54-hole aggregate of 212 (minus 1) was good enough to claim the victory, albeit just barely.

Jacob Wilson and Joey Mackinac tied for second, one behind Callan at 213, and Stendahl and Jimmy Abdo were right behind them in fourth at 214. All four of them had their chances.

*Carter Callan (YOC Minnesota) won the Minnesota State Junior Boys' Championship at Crow River Golf Club in Hutchinson, Minn. Callan finished with a three-day score of 1-under par.*

## Morton Goes Wire-to-Wire for First State Victory at Minnesota State Junior Girls' Championship

By Nick Hunter (June 27, 2024)

BLAINE, Minn. – Posting three consecutive rounds below par, recent Maple Grove High School graduate and incoming University of St. Thomas freshman Amelia Morton cruised to her first state championship, carding a final-round 70 at Victory Links Golf Course to win the 79th Minnesota State Junior Girls' Championship.

Morton's eight-stroke wire-to-wire win over Minnetonka junior Selena Wu marks the largest margin of victory since Samantha Sommers claimed a 14-stroke win in 2007 at Windsong Farm.

"This win makes me really happy and proud," Morton laughed. "It's crazy to think that I won it after being so little and playing in the First Flight so many times. It motivates me to keep going, knowing I can put three good scores together."

"I think I stayed patient this week—the front nine during the first round I couldn't get anything to fall. Yesterday was windy, so I knew scores were going to

be higher and par was going to be a good score."

Opening the championship with a 1-under 70, Morton then increased her lead by carding a 2-under 69 during the second round to take a sizeable seven-shot advantage to the final 18 holes of play.

"I was more focused on beating the golf course again," Morton said. "I wasn't trying to think about the other players and where they were. Just wanted to play my game."

Getting off to a quick start during her final round, Morton converted a pair of birdie chances through seven holes before taking back-to-back bogeys at the eighth and ninth holes to turn in 3-under for the championship.

She bounced back by capitalizing on her birdie look from eight feet at the 12th, but gave back a stroke with bogey at the 13th.

Unable to save par at the 16th, Morton dropped back to 2-under for the championship, but would stick her

approach inside of four feet at the 17th for a tap-in birdie to get back to 3-under.

With the tournament well in hand, Morton rolled in one final birdie putt from 12 feet at the 18th to claim a resounding eight stroke victory over Wu at 4-under 209.

"Happy with my driver—I stayed in the fairway pretty well the first two days," Morton said. "Struggled a little bit more today, but staying out of bunkers, the rough and thick fescue was big for me."

Runner-up a year ago, Wu posted an even par 71 during the opening round before carding a 4-over 75 during the second round to sit seven back of Morton with one round to play.

In the final round, Wu played her first 13 holes in 3-over par before holing out her approach at the par-4 14th from 72 yards with her sand wedge for eagle to get to 5-over for the championship.

Stopping her approach inside of five feet at the 18th, Wu rolled in one final birdie to card an even par 71 to finish eight shots back in second place at 4-over 217.

"Yesterday and the day before I was putting well," Wu said. "Not so much today, but I was hitting my drives mostly in the fairway, so I was able to hit more greens and have shorter putts."

Despite back-to-back bogeys to close out her final round, Wayzata junior Lauren Chams posted a 72 to place third at 6-over 219, 10 shots back of Morton.

Orono senior Ava Hanneman carded a 3-over 74 during the final round to finish in a three-way tie for fourth with recent Sartell graduate Shayla Nordlund and Minnetonka sophomore Kieley Hanson at 8-over 221.

Beginning in 2025, the winner of the Minnesota State Junior Girls' Championship will earn an exemption into the U.S. Girls' Junior Amateur.

## Boraas and Lehman Survive Playoff to Claim MGA Mixed Amateur Team Championship

By Nick Hunter (July 2, 2024)

STILLWATER, Minn. – Dropping a birdie chance from 12 feet on the first playoff hole at Stillwater Country Club lifted Hannah Boraas and Sean Lehman to a victory over 2016 champions Olivia Herrick and Trent Peterson at the 34th Minnesota Golf Association Mixed Amateur Team Championship.

Lehman sank the winning putt to earn his first state championship win, while Boraas earns her third state title in as many seasons.

“This win feels so good,” Boraas said. “It’s so fun to win with someone like Sean. Everyone knows the Lehmans, so it’s pretty legendary to be a part of something with him and his family. It was thrilling and so much fun.”

“Everyone knows that Hannah is one of the best golfers from [Alexandria] ever, so I called her up and said, ‘Let’s go win this thing,’ and she came out and grinded this week,” Lehman said. “We played so well, and she was an even better teammate—very uplifting and very positive.”

Boraas and Lehman took a two-stroke lead following and opening round bogey-free 64 before the championship’s format change for final round.

“We didn’t think the scores were going to be that low with the alternate shot format,” Lehman said. “We thought two to 3-under was probably going to win it today, but that wasn’t the case at all. [Herrick

and Peterson] went on a heater today and were firing on all cylinders.”

Carding a pair of tap-in birdies during their opening nine, Boraas and Lehman managed a one-stroke advantage heading into the final nine holes of play.

Another tap-in birdie at the 11th put the twosome at 11-under before they would card their first bogey of the week at the par-4 14th to fall into a share of the lead with Herrick and Peterson at 10-under.

“We were a little upset with that one,” Boraas said. “Came back with a birdie, which was a huge momentum builder—we needed that.”

A charged up Boraas buried her birdie from 35 feet at the 15th to reclaim a thin one-stroke lead at 11-under.

Boraas sank a 4-footer for par at the 18th to help her and Lehman to a final-round 69 and into a playoff with Herrick and Peterson.

In the playoff, Boraas wedged her approach to 12 feet right of the pin before Lehman rolled in one final birdie to clinch the championship.

“I thought it was just outside of the right edge and [Boraas] said she loved it,” Lehman said. “She hit an amazing wedge shot and put me in a good position. Straightforward putt down the hill—loved everything about it.”

*Hannah Boraas and Sean Lehman, of Alexandria Golf Club, after tying Olivia Herrick and Trent Peterson at 11-under-par 133, Boraas and Lehman won the championship division with a birdie on the first playoff hole.*

Posting the low round of the final day, Herrick and Peterson came up short of their second win at the event, claiming the 2016 championship at Valleywood Golf Course.

Following a 3-under 69 to open the championship, Herrick and Peterson rattled off five birdies during their front nine to rapidly move near the top of the leaderboard, turning in 8-under for the championship. Herrick and Peterson pulled within one shot of the lead after back-to-back birdies at the 11th and 12th holes.

Sticking her tee shot inside of three feet at the par-3 17th, Herrick left Peterson with a tap-in birdie as the two earned a share of the lead at 11-under.

Peterson had a chance for birdie at the 18th to take the outright lead, but his putt from eight feet slid past the high side of the cup and the two would settle for par, carding a final-round 64.

Firing a 6-under 66 during the opening round, brother-sister tandem Will and Celia Kuenster played their first 11 holes in even par before converting three birdie chances over their final seven holes to finish in a tie for third place with former North Dakota State University golfer Nate Deziel and his partner, Sarah Israelson, a former Augustana University golfer at 9-under 135.

## Late Birdie Helps Goodno Secure Second Win of the Season at MGA Women's Senior Match Play

By Nick Hunter (June 26, 2024)

BECKER, Minn. – Sinking a birdie putt from 25 feet late in the round at Pebble Creek Golf Club, Linda Goodno pulled out a victory at the 2024 Minnesota Golf Association Women's Senior Amateur Match Play Championship, 1-up, over Lynn Anderson for her second career victory.

"Let's keep it going," a smiling Goodno said following her second state championship win in three weeks. "I know I can play—it's just all about consistency. I have confidence that I can make par and some birdies, and good things will happen."

Anderson grabbed the early lead, taking advantage of a Goodno bogey at the second. Failing to capitalize on multiple chances to even the match, Goodno would draw even with a par from six feet at the sixth.

Getting up-and-down from short of the ninth green, Anderson reclaimed her lead, but Goodno quickly fired back by sticking her approach at the 10th inside of five feet, converting her first birdie of the round to once again even the match.

Goodno took her first lead of the match on the ensuing hole, getting up-and-down to save par, but couldn't get her par putt from six feet to drop at the 13th, then missed another opportunity to regain the lead with a birdie look at the 14th.

Anderson won the 14th with bogey to take her third lead of the match, but Goodno quickly swung momentum in her favor by dropping her birdie chance from 25 feet at the 16th to tie the match.

Reclaiming a slim lead after Anderson's par putt from eight feet slid past the hole at the 17th, Goodno sank one final putt from four feet at the 18th for par to win her first individual state championship.

A frustrating finish for Anderson results in her third runner up finish at the event since 2017.

Brenda Williams took a 4-up lead through six holes during her final match against Tracey Donesky in the First Flight, holding on for the victory, 2 and 1.

Goodno's four-ball partner Hurley rallied late to edge Sara Martinson, 1-up, to claim top honors in the Second Flight.

# MGA WOMEN'S AMATEUR FOUR-BALL Championship

**Format:** 36-holes of four-ball stroke play within flights.

The Champions will be the team who has the lowest 36 hole total from the Championship Flight. In the event of a tie for the Championship, there will be a hole-by-hole playoff immediately following play. Ties for first place in any other flight will be broken by a scorecard playoff as recommended by USGA policy.

**Flights:** Flights will be determined after registration has closed.

A team will be assigned to a flight based on the lower Handicap Index® of the two team members at the deadline. The number of flights will be determined based on the final number of teams entered.

**Eligibility:** Entries are open to any female amateur golfer who is currently an Associate Member of the MGA.

**Handicap Limit:** There are no Handicap limit requirements for this tournament.

## Lynch and Reineke Rally With a Final-Round 69 to Win MGA Women's Four-Ball

By Nick Hunter (July 30, 2024)

LE SUEUR, Minn. – Firing the low round of the championship during the final round, University of St. Thomas teammates Isabelle Lynch and Nicole Reineke combined to card a 4-under 69 at Le Sueur Country Club to earn a three-stroke victory at the 2024 Minnesota Golf Association Women's Amateur Four-Ball Championship.

Lynch and Reineke trailed by one stroke to fellow Tommies and defending champions Emma Davies and Katie Foley entering the final round, and would tally a total of six birdies to come from behind by shooting a 6-under 140.

"It's been a good season—definitely had its ups and downs," said Reineke, who claimed her second win of the season. "This one means a lot and I think it was fun to have St. Thomas finish first and second this week."

"This a tournament where you can focus on having a little more fun and enjoy the game instead of being serious and competitive," Lynch said. "I had a blast with one of my best friends and it was a fun week."

Even through their first five holes, Reineke started the scoring by converting her birdie chance at the par-5 fifth before rolling in another birdie chance

from four feet at the ninth to reach 4-under for the championship to join Davies and Foley atop the leaderboard.

Lynch and Reineke relinquished the lead following their only bogey of the final round at the 11th, but both came surging back with short birdie chances on the ensuing hole to regain a share of the lead at 4-under.

Taking control of the tournament at the par-4 14th, Reineke dropped her birdie chance from 15 feet to take a two-stroke lead following a Davies and Foley bogey.

Reineke chipped to a foot at the 16th to tap in one final birdie, helping her and Lynch card a final-round 69 to claim a three-stroke victory with a 36-hole tally of 6-under 140.

"We weren't trying to think about [the leaderboard] too much, we just wanted to go out and enjoy the round," Reineke said. "We made a few more birdies and only had one hole that we didn't play very well. We were very back-and-forth. We definitely changed our approach on a couple of holes off the tee and hit more fairways today, so there was less scrambling—less stressful."

*Continued on next page.*

Isabelle Lynch, left, and Nicole Reineke, right, hold the first place trophy after a six under-par performance and winning the MGA Women's Amateur Four-Ball Championship at the LeSueur Country Club in LeSueur, Minn. Reineke and Lynch finished with 140 (71-69).

## Lynch and Reineke Rally With a Final-Round 69 to Win... Continued

"[Reineke] got hot, and we did a better job of switching off on the bad holes. We helped each other out a little more than we did yesterday," Lynch said. "One stroke here or there isn't that much during this tournament. The biggest key was not taking anything too seriously. We did a good job of not getting mad at each other—no fights."

Rolling in four birdies and an eagle during their opening round, defending champions Emma Davies and Katie Foley were unable to find their collective stride in the final round, converting one birdie chance at the ninth before a bogey at the 14th set them back to 3-under for the tournament.

With four straight pars to finish the round, the two would combine for a final round 73 to finish three shots back at 3-under 143.

Last season, Davies chipped in for birdie on the final hole to help her and Foley two a two-stroke victory—the first state title for both.

Improving upon Day One's score by a stroke during the final round, Bella Leonhart and partner Lily Vincelli posted a 1-under 72 to finish in third place at 1-under 145.

*Nate Deziel, Moorhead CC won the 2024 MGA Amateur Championship by posting a 66-70-72—208, 11-under par, to finish three strokes ahead of his closest competitors, and gain an exemption into the 2024 U.S. Amateur Championship held at Hazeltine National Golf Club.*

## Deziel Goes Wire-to-Wire at MGA Amateur, Earns U.S. Amateur Exemption Along the Way

By Nick Hunter (July 17, 2024)

BLOOMINGTON, Minn. – Carrying a slim, one-stroke advantage into the final round of the 121st Minnesota Golf Association Amateur Championship at Minnesota Valley Country Club, former North Dakota State University golfer Nate Deziel held on to one thought:

Go and have fun.

“As hard as it is, I tried not to have any expectations and did my best to adapt to the uncontrollable—what will be, will be,” Deziel said following his round. “Being able to stay positive despite a few hiccups today was huge.”

Deziel produced a strong performance for a third consecutive round, capping it off by converting four birdie chances over his final five holes to earn a three-stroke, wire-to-wire victory at 11-under 208.

“This is up there with one of the coolest things I’ve ever experienced. It’s hard to even think about it yet, but I feel like my game has a higher ceiling now,” he said. “Winning is never easy, but this is definitely one of the best wins I’ve had.”

In addition to his victory, the 24-year-old Deziel also earns an exemption into the U.S. Amateur at Hazeltine National Golf Club where he’ll make his first appearance at a USGA championship.

“When I got to caddie for [NDSU teammate Nate Adams] at the U.S. Amateur last year, I knew I wanted to be there. It’s even more special that it’s here in Minnesota this year, and I get to test my game against some of the best.”

Despite carding a pair of bogeys during his opening nine, Deziel maintained a share of the lead at 8-under for the championship before a two-putt birdie at the 10th put him into sole possession of the lead.

A disastrous four-putt double-bogey seemingly dropped Deziel out of contention, but he would display a flawless short game down the stretch, helped by sinking crucial putts late in the round.

Rolling in a 6-footer at the 14th, Deziel recaptured a share of the lead, and would take the outright lead by sinking his short birdie chance inside of four feet at the 16th.

After missing the 17th green, Deziel chipped inside of tap-in range once again to save par and remain two shots ahead of the field before rolling in his birdie putt from five feet at the last to secure his third state championship victory.

“I thought the start was a pretty solid 2-over,” Deziel said. “I hit it in some spots where you can really get in trouble and had some very nice up-and-downs, so that saved me—I really loved where my short game was at today. Had some looks for birdie, just never capitalized on any.”

Deziel, a native of East Grand Forks, Minn., jumped out to the early lead by breaking the course record with his 7-under 66 to open the championship.

Carding three birdies during his back nine in the second round helped Deziel to a one-stroke lead over Carson Herron with 18 holes to play.

Last season, Caleb VanArragon became the first player in 25 years to win the Minnesota State Open and MGA Amateur Championship in the same season, and with his runner-up finish, Herron nearly became the second player in as many seasons to accomplish the feat.

Herron, a soon-to-be senior at the University of New Mexico, carded a final-round 74 to finish tied for second with University of Notre Dame golfer Nate Stevens, 2021 MGA Players’ champion Max Tylke, two-time MGA Players’ champion Cecil Belise and 2023 Minnesota Public Golf Association State Public Links champion Matt Armstrong at 8-under 211.

“Overall, the last two weeks have been great,” said Herron, who claimed the Minnesota State Open the previous week at Rush Creek Golf Club. “I really couldn’t wish for much better playing in some really good fields and shooting some good scores.

“It was windy and there were some tough pins today. I was right up there, but missing a putt [for par] on 14 might’ve slowed things down a little bit. I had good opportunities, but I had some course management issues and didn’t get some putts to fall. Happy with how I fought, just not the result I wanted.”

Stevens stormed back from his 1-over 74 during the second round by carding his best round of the tournament, a 5-under 68 to take the early clubhouse lead and notching his best finish at the championship in his fifth appearance.

Following his round of 67 during the second round, Belise carded an eagle and one birdie during his final nine holes to post a final-round 71 to earn a share of second.

A bogey early and a bogey late proved costly for St. Thomas University’s Armstrong, who carded a 1-under 72 during the final round to notch his second top-10 finish at the event.

The finish for Tylke marks yet another near miss for the 31-year-old, who claims his fourth runner-up finish of the 2024 season.

Owner of 10 state titles since 2011, Tylke kicked off the season with a second-place finish at the MPGA Four-Ball at Oak Glen Golf Course. He then lost to Trent Peterson in the finals of the MGA Mid-Players’ Championship at Deacon’s Lodge in June, and fell in a three-way playoff to Herron a week ago at the Minnesota State Open at Rush Creek, shooting 10-under 206.

NDSU senior Josh Galvin carded a final-round 70 to place tied for seventh with former University of Minnesota golfer and 2015 MGA Amateur champion Jon DuToit at 7-under 212.

## Welch Pulls Away Late at MGA Women's Amateur, Earns Spot at U.S. Women's Amateur

By Nick Hunter (July 24, 2024)

GLENWOOD, Minn. – Overcoming a pair of early bogeys to begin her back nine, Xavier University golfer Emma Welch rolled in a late birdie to pull away from the field at the 2024 Minnesota Golf Association Women's Amateur Championship to claim a three-stroke victory over defending champion Kathryn VanArragon at Minnewaska Golf Club.

Welch tallied her fourth state victory, but more importantly, earned an exemption to the 124th U.S. Women's Amateur at Southern Hills Country Club in Oklahoma—her first appearance at a USGA championship.

"It's a big deal, but I'm trying to keep it like any other tournament," Welch said following her round. "No expectations, I'm just going to see what happens and have fun—I'm excited.

"I've been working hard the past couple of years at school and during the summer. I've been close, so it feels good to get it done."

A steady Welch carded just 10 bogeys over 54 holes this week, beginning with a 1-over 73 to open the championship.

Getting off to a strong start in the second round helped Welch to a second-round 75 to sit one shot back of the lead with one round to play.

Following a pair of par saves early in the final round, Welch carded her first bogey of the round, missing the fourth green with her approach.

She stepped up and dropped her birdie putt from 30 feet on the ensuing hole, turning in 4-over for the championship and a hold of the outright lead.

Despite back-to-back bogeys at the 10th and 11th, Welch managed a two-stroke lead and would cruise over her final seven holes, helped by a 20-foot putt for par at the 12th and a short birdie at the 16th to post a final round 74, claiming a three-stroke victory at 6-over 222.

"My thought process was hitting greens as much as I could and making par," she said. "Par was going to be a good score, especially with where I knew the pins were going to be. Hit middle of green and try to keep my short game smooth.

"I kept my mental game and attitude pretty even keel throughout the round. Today especially, I didn't let a bad shot get me down. I was okay with making bogeys because I knew the field would be making some bogeys as well, so I think my mental game really kept me in it."

A close call for the defending champion Kathryn VanArragon, as the University of St. Thomas sophomore has now claimed five runner-up finishes over the past four seasons.

*Emma Welch, Brackett's Crossing CC, finished in first place with a 6-over par 73-75-74--222 to win the championship by three shots.*

VanArragon notched four victories during the 2023 season, including the MGA Women's Amateur and the Minnesota Women's State Open, leading to both MGA Women's and Junior Girls' Player of the Year honors.

During her final round, VanArragon was plagued by her putter down the stretch, carding a four-putt double-bogey at the seventh before failing to capitalize on birdie chances over her final five holes. She posted a final-round 77 to tally a 54-hole score of 9-over 225.

"It's hard to defend, as I've learned in past years," VanArragon said. "I'm happy that I put myself in a position to win again. I haven't played that well this summer, so this week was encouraging heading into the [Minnesota Women's State Open] and the college season.

"It's a long three days, so I'm happy with the way I stayed in it—it was a challenge mentally."

Entering the final round as the 36-hole leader one shot clear of Welch and VanArragon, North Dakota State University junior Madi Hicks stumbled early with three bogeys over her first five holes.

The former Chanhassen High School star rolled in her only birdie chance of the round from eight feet at the par-4 fourth, but a pair of late bogeys would remove Hicks from contention as she carded a final-round 80 to finish in third place at 11-over 227.

Posting a 6-over 78 during her opening round, Orono High School senior Ava Hanneman followed it by shooting a 79 during her second round, and would begin the final round 10 shots off the lead.

Hanneman carded five birdies during her back nine to post the tournament's second score below par this week, a 1-under 71 to finish in fourth place at 12-over 228.

## Tommies Rexing and Rouleau Hold Off Greve and Polk to Win MGA Four-Ball

By Nick Hunter (August 21, 2024)

LAKE CITY, Minn. – Tying a tournament record during their opening round with a 12-under 59 at The Jewel Golf Club, University of St. Thomas teammates Owen Rexing and Zach Rouleau followed it by firing a final-round 65 to claim the 63rd Minnesota Golf Association Amateur Four-Ball Championship.

Rexing and Rouleau carded six birdies over their final 13 holes to pull away from the team of Ben Greve and Jesse Polk to earn a two-stroke victory at 18-under 124.

"It proves further that Tommies are good golfers," Rexing laughed. "It was so much fun playing with Zach and helping each other out the whole way and then to hold the trophy at the end is pretty cool."

"A win feels really good and shows that I can compete at this level of golf," Rouleau said following his round. "There are a lot of really good players in this field, so it's a big confidence builder. Most importantly, it was fun to play with Owen for the first time in this event—I'll remember this one for a while."

Opening the final round with a three-stroke advantage, Rexing and Rouleau started slowly with consecutive pars before carding their first birdie of the final round at the par-4 sixth to reach 13-under.

Following a birdie at the eighth, the Tommie two-some would turn in 14-under and share the lead with Greve and Polk.

"We were still hitting the ball well," Rexing said of the start to the final round. "Just wanted to keep balls

in play and give ourselves two looks per hole. We weren't making any bogeys, but we just couldn't get anything to fall."

"Going into the day, I thought if we got to [18-under] that it would be good," Rouleau said. "Early in the round, we saw that teams were playing well and just tried to keep doing what we have been doing. We kept hitting them in close and you're going to eventually make some putts."

Finding their collective stride during their final nine holes, Rexing sank his birdie attempt from 15 feet at the 10 before Rouleau converted his birdie look from six feet at the 12th to reach 16-under.

Rolling in a birdie putt from inside of eight feet at the 13th gave the two the outright lead at 17-under before Rouleau added one final birdie for good measure at the par-5 16th, dropping a 3-footer to seal the championship at 18-under 124.

"I know we had good golf in us to play well in Round One, but I'm proud of how we battled after not starting well, even after other teams were going low," Rexing said. "We still managed to get it around bogey-free today. There were some nerves for sure—we missed some putts on the front nine."

"I'm proud of how we handled the front nine today with how well we played Monday and then struggled to get it going today," Rouleau countered. "We stayed patient and didn't get frustrated."

*Zach Rouleau, left, and Owen Rexing, right, the 2024 MGA Amateur Four-Ball champions, after posting an 18-under-par 59-65--124 to win by two strokes over the team of Ben Greve and Jesse Polk after the MGA Amateur Four-Ball Championship's final round, at The Jewel Golf Club.*

Greve and Polk began the day four shots off the lead but made up ground in a quick hurry with five birdies over their first six holes to climb the leaderboard to 12-under.

Back-to-back birdies at the eighth and ninth would give the two the outright lead at 14-under for the championship.

Sinking a pair of birdies over their first four holes of their back nine, Greve and Polk traded blows with Rexing and Rouleau, but after both Greve and Polk missed the par-3 15th green, they would fail to get up-and-down to slow momentum with their second bogey of the championship.

A late birdie at the 16th would put Greve and Polk at back at 16-under but with two pars over their

last two holes, they'd come up two short at 16-under 126.

"We played really well today, really. Just ran out of gas a little bit the last few holes," Greve said following his round. "I missed a birdie putt on [No. 14] and a soft bogey by both of us on 15. Jesse almost had one on 17 and I almost made one on 18. We were there, just didn't see it in at the end."

Following an 8-under 63 with a bogey-free 7-under 64, the twosome of Brett Bennett and Trent Peterson finished in third place at 127, while the teams of Jonathan Hanner and Jon Holmes and Jacob Pedersen and Max Ullan placed tied for fourth at 14-under 128.

## Schintz Cruises to MGA Senior Women's Amateur Title

By Jack Mendesh (August 21, 2024)

WILLMAR, Minn. – Former University of Minnesota women's golfer Amy Schintz used a final-round even par 72, the best of the tournament, to claim the 2024 MGA Senior Women's Amateur Championship at Eagle Creek Golf Club in Willmar.

Schintz shot a two-round total of 3-over 147 (75-72), to claim a five-shot victory over 11-time winner of the Women's Senior Amateur, Leigh Klasse, to get her first state title since winning the 2010 MGA Women's Mid-Amateur at Indian Hills Golf Club where she also bested Leigh Klasse by 10 shots.

Having grown up in Spicer, just three miles from Eagle Creek, this win was special for Schintz. She was able to celebrate the win with family and friends.

"My mom was able to follow us today and [I] was so flattered that many of our long time family friends came to watch," she explained.

Entering the final round with a two-shot lead over Klasse, Schintz came out of the gates fast birdieing the par-5 first hole to extend her lead to three-shots which helped her settle into the round and calm her nerves.

Playing steadily, Schintz carded three straight pars before heading to the par-4 fifth hole where she would make a bogey to shrink her lead back to two-shots.

A par at the tough par-3 sixth hole helped keep the momentum going.

She would go on to bogey the par-4 eighth hole to move back to 4-over for the championship and made the turn with a three-shot lead after Klasse made bogeys at the seventh and ninth holes to fall to 7-over for the championship.

Stumbling to open the back nine, she made bogey at the par-4 10th to move to 5-over and again shrinking her lead over Klasse to two.

She would play the best stretch of golf of anyone in the field over the next eight holes, playing them in 2-under, to separate herself from the competition. She used six pars, a two-putt birdie at the par-5 14th and a close tee shot on the par-3 16th where she converted another birdie to claim her first state title since 2010.

With the win she also claimed her first senior state title. Playing with and amongst many accomplished golfers was the cherry on top of the win.

Lori Jacobson, of Eagle Creek Golf Club (and Schintz's high school coach), claimed the first flight by six-shots over Mary George shooting a two-round total of 13-over 157.

Kathy Hubert-Wyss posted a 23-over 167 to edge Robin Goetz for medalist honors by three-shots in the second flight.

## Hanstad Edges Tylke to Win MGA Mid-Amateur Championship

By Nick Hunter (August 28, 2024)

CHASKA, Minn. – Sinking a short birdie putt on the 54th hole at Chaska Town Course, Bryce Hanstad secured a one-stroke victory over Max Tylke to claim the 37th Minnesota Golf Association Mid-Amateur Championship.

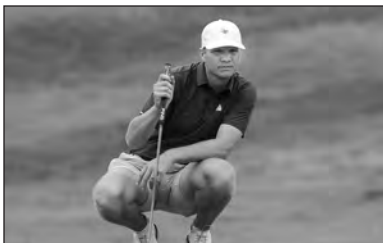

With his 17-under 199 this week, Hanstad set a new tournament record of lowest aggregate score, as well as score in relation to par since the championship switched to a 54-hole event in 2005.

"I knew my game was in a good spot, but I've been forcing some things the last couple of tournaments," Hanstad said after his sixth state victory. "It was nice to be confident in my game and it rose to the surface. Winning golf tournaments is hard, so it's always nice to get one across the line."

Claiming back-to-back wins at the MGA Mid-Players' Championship in 2022 and 2023, Hanstad began his season with a fourth-place finish at the Twin Cities Open before falling to Tylke in the semifinal round of the MGA Mid-Players at Deacon's Lodge.

The following week Hanstad lost the final match of the MGA Players' Championship to Joe Conzemius at Hastings Golf Club.

"My coach at [Olympic Hills Golf Club] Brandon Sutton and I have focused more on the strategy side—always enjoyed and excelled in the match-play realm, but it's really nice to get one on the stroke-play side to show some diversity in my game."

*Bryce Hanstad, Olympic Hills GC, posted a 17-under par 68-64-67—199, winning with a birdie at the par-5 18th green, one shot better than Max Tylke.*

Beginning his final round one shot behind 36-hole leader Ben Greve, Hanstad got help from his putter mid-round by sinking three birdie chances from outside of 15 feet through his first 10 holes to reach 16-under for the championship.

After converting his fifth birdie of the final round at the 15th, Hanstad carded just his third bogey of the week at the 17th to fall into a share of the lead with Tylke at 16-under for the championship.

Lagging his eagle putt inside of four feet on the final hole, a short birdie putt gave the former Colorado State University golfer a one-stroke victory at 17-under 199.

"I knew I had to stay somewhat aggressive and keep the pedal down," Hanstad said of battling against Tylke, Greve and Peterson during the final round. "But, at the same time, I tried to be patient and let the golf course come to me."

"A few putts started to fall at the latter part of the front nine. Varying speeds on the greens was definitely an adjustment all week with the heat and the storms."

A silver lining for Tylke, who claimed his sixth runner-up finish of the season, is his lead over Trent Peterson in the MGA Player of the Year race expands to 140 points with only a few events left on the 2024 calendar.

## Hanstad Edges Tylke to Win MGA Mid-Amateur Championship Continued

"I'm playing good and I'm not making many mistakes, but it seems like there's always something goofy during the round that slows you down," Tylke said. "I had two three-putts today, and that triggered it—everything is going well and you get a little careless.

"Every tournament it's disappointing, but in every tournament, I've had a chance to win. Maybe in the next month or two I need to sit down and figure what I can do differently to get a little closer. Sneak two wins in and it's an unbelievable season—no one's questioning anything."

Beginning his final round two shots back of the lead, quickly went to work with four birdies and an eagle against one bogey during his front nine to turn on

top of the leaderboard at 16-under for the championship.

But a pair of bogeys during his final nine holes slowed momentum, and a three-putt par at the last would but Tylke one back of Hanstad at 16-under 200.

The 31-year-old Tylke reached double-digit state victories last season with a win at the Worthington Labor Day Classic, but he's been turned away in each of his eight appearances so far this season.

The 36-hole leader Ben Greve, who was searching for his first state victory since the 2022 MGA Amateur Championship at Olympic Hills Golf Club, posted a final-round 70 to finish in a share of third with the five-time champion Peterson at 15-under 201.

## Deutsches and Williams Win Second MGA Net Team Title; Kochsiek and Lemke Individual Winners

By Nick Hunter (September 5, 2024)

PEQUOT LAKES, Minn. – Carrying a two-point lead into the final round at The Preserve at Grand View Lodge, the foursome of Eric Deutsch, Pat Deutsch, Tim Deutsch and Opie Williams carded a pair of late eagles to cruise to a nine-point victory at the 32nd Minnesota Golf Association Net Team Championship.

The Deutsches and Williams tallied 82 Stableford points during the opening round at The Pines at Grand View Lodge before closing out the championship with a total of 161 points to collect their second win at the championship since 2019.

Pat Deutsch led the way by earning 33 points during his opening round in the Net 2-of-4 Best Ball format, and finishing with 35 points over his final 18 holes.

Eric Deutsch, winner of the 2004 MGA Amateur Championship at Northland Country Club, carded 35 Stableford points during his opening round, and followed it by earning 32 points over his final round.

The foursome of Craig Kochsiek, Gary Lipppo and Mike and Patrick Quinn tallied 73 points on the final

day to finish in second place with 152 points.

Kochsiek carded a net 75 during his final round to earn medalist honors in the MGA Net Amateur Championship, claiming a one-point victory over Mark Forsberg with a total of 64 Stableford points.

Following a net 77 at The Pines, Kochsiek got help during his second round with a pair of early birdies to card 18 points during his first nine holes at The Preserve.

He would go on to card 15 points over his last nine holes to edge Forsberg by one point with a total of 33 points during the final round.

Opening the championship with an eight-point advantage following her opening round of 38 points at The Pines, Sandra Lemke tallied a score of 26 points on the final day to claim a four-point victory over Shelly Kasperek and defending champion Joan Frie with 64 points.

Lemke was helped by six birdies on her card during the first round at The Pines, posting a net 70.

From left to right, Craig Kochsiek and Sandra Lemke won the Individual competitions and Eric Deutsch, Tim Deutsch, Pat Deutsch and Opie Williams won the Team competition.

Bouncing back from an early triple-bogey, Lemke carded two net birdies during her opening nine holes, collecting 14 Stableford points before two birdies during her final nine holes earned her 12 points to finish four points clear of the field and earn medalist honors.

Lemke finished fourth at the championship a year ago. Kasperek finished in second following a score-card playoff, while Frie earned a third-place finish.

## Herrick Survives Playoff to Win Fourth MGA Women's Mid-Amateur

By Nick Hunter (August 28, 2024)

CHASKA, Minn. – The last time Olivia Herrick hoisted a state championship trophy, she defeated Jasi Acharya in a playoff to claim the Minnesota Golf Association Women's Mid-Amateur Championship at Legends Club in 2018.

In a moment of déjà vu, Herrick outlasted Acharya in a two-hole playoff at Chaska Town Course to claim her fourth MGA Women's Mid-Amateur title for her first victory in six seasons.

"It's tough because on one hand, my life is so full and wonderful, but I still really care about golf and competing. Winning and playing well matters to me," Herrick said following her victory. "I've felt like I've been in the orbit of winning a few times. To actually get it done—I proved something to myself, most importantly, today.

"Nerves were present. I definitely felt like I haven't lived up to my potential the last couple of years."

Winner of 26 state titles from 2006 to 2018, Herrick had previously never gone more than one season without winning a state championship.

In the six years since her last win, the 36-year-old Herrick has finished inside the top-5 11 times, including a pair of runner-up finishes.

"Earlier this season, I was really discouraged, and my husband told me right before the [U.S. Women's

Mid-Amateur qualifier] that I just need to keep showing up, to keep practicing and to keep entering tournaments. If I have faith that everything will come together, I will win.

"To qualify for the women's mid-am and to win this—I'm really happy."

As they did in 2018, Herrick and Acharya shared the opening-round lead before Herrick began her final round with a bogey at the first.

She countered by chipping in for birdie at the second to draw even for the day, but briefly fell behind Acharya with a double-bogey at the third.

Steady over her next six holes with consecutive pars, Herrick built a two-stroke advantage heading to the par-5 18th before finding a fairway bunker with her second.

Unable to get her par putt from 20 feet to drop, Herrick watched Acharya roll in a short birdie to force extra holes.

A two-putt par on the second playoff hole earned Herrick the 27th state victory of her career.

"I'm tired right now because I feel like I've just been surviving for the last 12 holes," Herrick said. "I've really tried my absolute hardest. I'm out there on my own, it's easy to get distracted and it's a long day. I tried to stay committed and tried to make the right decisions—I didn't always execute the right decision.

*Olivia Herrick (left & middle) and Jasi Acharya (right) finished tied at 154. Herrick would go on to capture the 2024 championship title on the second playoff hole.*

## Herrick Survives Playoff to Win Fourth MGA Women's Mid-Amateur Continued

"Jasi is such a good player; I knew it was going to take a good round to contend against her. She's really solid and reliable—fairway and green."

Unable to get up-and-down to save par on the second playoff hole put an end to Acharya's string of five consecutive wins at the championship.

"I'm happy for Olivia—we always have a pretty good battle," Acharya said following final round. "I think I need to practice more because it's hard to have high expectations when you're not working on your game as much. It's always fun to come out and see the ladies, so I'll be back next year."

"I was trying to play more conservative to start out and hit the middle of the green, but just did not execute in many areas. Off the tee, I was hitting my lines again, but from there I wasn't hitting anything close."

Carding one bogey over her first four holes to begin her final round, Acharya was tripped up by a double-bogey at the par-4 fifth to fall back to 7-over for the tournament.

A pair of three-putt bogeys at 12 and 14 put Acharya at 10-over for the championship, and she would slip to 11-over after failing to get up-and-down to save par at the 15th.

Acharya would roll in her short birdie chance from three feet to post a final-round 78, while Herrick made bogey, to finish in a share of the lead at 10-over 154.

Carding back-to-back rounds of 7-over 79 this week, former LPGA professional Adele Peterson placed fourth at 14-over 158, four shots behind Herrick and Acharya for her best finish at the championship in three appearances.

## Dallas Hangs on For First State Victory at MGA Senior Amateur

By Nick Hunter (September 11, 2024)

EDINA, Minn. – Playing a limited amount of tournament golf over the past three seasons due to surgeries on both his wrist and his thumb, Andrew Dallas said his nerves were present from his opening tee shot this week at Edina Country Club, until his final putt.

Dallas bounced back from an early double-bogey and fended off both Matt Yeager and three-time champion Leif Carlson by sinking a six-foot par putt on his final hole to win the 103rd Minnesota Golf Association Senior Amateur Championship.

"I would say I had some nerves all 54 holes," said Dallas, who collected his first tournament victory since his junior golf days in Southern California. "I could feel it in my legs and my stomach.

"This is my first real tournament win. I've played golf since I was 10, so to win at 64 is like a cherry on top and I actually did something with the game. I've accomplished something and I'll have my name on [the trophy] for the rest of my life."

Entering the final round with a two-stroke advantage, Dallas got up-and-down at the first by rolling in an eight-foot putt for par, but would take his second double-bogey of the championship at the par-4 second to share the lead with Carlson at 1-over.

Following a bogey at the par-5 10th, Dallas carded his only birdie of the final round at the par-4 12th, rolling in his chance from inside of 10 feet before narrowly avoiding disaster, finding the penalty area at the par-5 13th, coming away with bogey to sit at 2-over and one shot back of the lead.

A bogey at the par-4 16th put Dallas at 3-over for the championship, but he would manage a one-stroke lead heading to the final hole.

Over the 18th green in two, Dallas chipped to six feet and sank his par putt to claim a one-stroke victory over Yeager at 3-over 219.

"Today I was just trying to keep it out of trouble and I figured I'd probably have to shoot around even,"

Andrew Dallas (far left), Goodrich GC, won the 2024 MGA Senior Amateur Championship by posting an 3-over 75-68-76—219.

Leif Carlson (near left), Keller GC, shot a 1-over par 72-73—145 to claim Master division honors.

Tom Smith (right), Brackett's Crossing CC won the Grand Master Division shooting an 17-over par 80-81—161.

## Dallas Hangs on For First State Victory at MGA Senior Amateur Continued

Dallas said. "My short game is always pretty solid, so I thought I could play a lot of shots to where I could get up-and-down. I wasn't too worried about having to hit too many greens.

"That's a typical Andrew Dallas round: up-and-down, up-and-down, up-and-down. A little bit of a struggle early—I wasn't hitting my irons that well, but my driver was really good today compared to what it had been the first two days."

Opening the championship with a round of 75, Dallas carded a tournament-low this week with his second-round 4-under 68 to take the 36-hole lead.

His previous best finish at a state championship came in 2018 when he advanced to the Round of 16 at the MGA Players' Championship at The Jewel Golf Club.

Yeager, winner of two MGA Senior Amateur Four-Ball and one MGA Amateur Four-Ball Championships, began his final round five shots off the lead and narrowed Dallas' margin with a birdie at the first to get to 3-over for the championship.

Recording his only double-bogey of the championship at the third, Yeager would convert three birdie

chances over his final six holes of the front nine to pull within one shot of Dallas' lead at 2-over.

The 59-year-old Yeager remained tied with Dallas through 14 holes before back-to-back bogeys at the 15th and 16th proved costly. Closing out his final round with par at each of his final two holes, Yeager would post a final-round 72 to finish one shot back of Dallas at 4-over 220 for his second top-10 finish at the championship.

"This was a tough test, and I played good golf," Yeager said. "I've been playing well and had some confidence rolling. For three days I played outstanding.

"There are so many good players—so many good seniors, that wherever I finish, I have to be happy with that.

I had my chances and knew I had to make a run, and I did."

Leif Carlson, a three-time winner who entered the final round two shots back of Dallas, held the lead multiple times during the final round before a string of bogeys and a double-bogey on his final hole put the 71-year-old in third place at 6-over 222.

## Brellenthin and Peterson Make it Three Straight at MGA Senior Four-Ball

By Nick Hunter (September 11, 2024)

EDEN PRAIRIE, Minn. – Staging a late rally with four birdies over their final six holes at Bent Creek Golf Club, the twosome of John Brellenthin and Tim Peterson earned a three-stroke victory to become just the second team in 51 years to win three consecutive Minnesota Golf Association Senior Amateur Four-Ball Championships.

Brellenthin and Peterson entered the final round with a two-stroke advantage over former champions Jim Lehman and Jerry Rose and carded a final-round 68 to post a 36-hole tally of 10-under 132, tying John Reicher and David Rovick's mark of three straight wins from 1993 to 1995.

Beginning the final round on the 10th hole, Brellenthin and Peterson started slowly by carding their first bogey of the championship at the 13th before Brellenthin rolled in the first birdie of the round on the ensuing hole to draw even for the day.

Leaning on his putter all week, Peterson rolled in a 20-footer for birdie at the 17th to turn in 8-under for the championship. But the two would come back to the field with a pair of bogeys over their first three holes of the back nine to drop to 6-under.

Finding their footing after Peterson sank his birdie opportunity from 15 feet at the par-4 fourth, Brellenthin stepped up with three birdies putts inside of four feet over the final five holes to help the former University of Minnesota teammates pull away with a three-stroke victory.

Brellenthin's first state victory came in 1981 at the Minnesota Junior PGA Championship, and he'd follow it with individual medalist honors at the Class A state tournament to close out his junior season at The Blake School.

After edging Minnesota Golf Hall of Fame member Don Berry at the 2018 Minnesota Senior Open at Hastings Golf Club, Brellenthin won the 2021 MGA Senior Amateur on his home course at The Minikahda Club.

His first win at the MGA Senior Four-Ball in 2022 helped Brellenthin to MGA Senior Men's Player of the Honors.

Successfully defending his senior four-ball title each of the last two seasons, the 60-year-old Brellenthin has amassed seven state victories to date.

Advancing to the Round of 16 at the U.S. Senior Amateur and the semifinals of the MGA Senior Players' Championship helped Peterson claim MGA Senior Men's Player of the Year honors in 2021.

His first state win came alongside his former college roommate Brellenthin in 2022 at The Jewel Golf Club.

After successfully defending his title last season, Peterson earned his first individual state victory by defeating Lehman in the final match at the MGA Senior Players' Championship at Deacon's Lodge in June.

Peterson, also 60, claimed the fourth state win of his career with this Senior Four-Ball trophy.

It was another close call for 2019 champions Lehman and Rose, who've now finished in second place five of the last seven seasons at the championship.

### A Year After Coming Up Short, Tiziani Advances to U.S. Senior Open

By Nick Hunter (May 15, 2024)

BROOKLYN PARK, Minn. – Attempting to qualify for the U.S. Senior Open a year ago in his home state of Wisconsin, Mario Tiziani carded a 3-under 68 to finish two shots back of Tim Herron, who claimed the lone qualifying spot.

To make matters worse, Tiziani then fell in a playoff to Joel B. Johnson, who went on to earn an invitation to the championship at SentryWorld in Stevens Point, Wis.

Tiziani reversed his fortune at Edinburgh USA, holing out his approach on the final hole for eagle to card a 3-under 69 before dropping his birdie putt from 15 feet to win a playoff against Cameron Percy to earn medalist honors and a spot in the 2024 U.S. Senior Open June 27-30 at Newport Country Club in Newport, R.I.

“U.S. Opens will expose you and tell you where you’re deficient, so I’m looking forward to the challenge,” said Tiziani, who has claimed three top-20 finishes over his last five starts on the PGA Tour Champions this season. “I’ve been playing nicely and not necessarily getting a lot out of it.

“I was looking forward to today and hoping to get through. It’s another opportunity and I’d like to think I’m getting better all the time. I’m still learning at 53. I’m able to play with some hall-of-fame guys and pick their brain, which I was never able to do when I played the Tour for one year.”

Tiziani, winner of the 2021 Minnesota and Wisconsin Senior Opens, started his round by converting a short birdie chance on the par-5 first, following it by making birdie at the next two par-5’s on the front side to turn in 3-under.

Failing to get up-and-down to save par at the 11th gave Tiziani his first bogey of the round, and he would drop to 1-under following a three-putt bogey at the par-3 16th.

Hitting his second from a fairway divot at the last, Tiziani watched his ball roll near the hole before it disappeared.

“I was more concerned with contact,” Tiziani said after getting an unfortunate break with his 3-wood from the 18th tee. “I thought it might’ve gone in, but it was hard to see. When I got up there, I didn’t see a ball.”

A 3-under 69 put Tiziani in a share of the lead with Percy before prevailing on the first playoff hole.

“I played nice today and was able to make a few birdies early on the front side,” Tiziani said after qualifying. “They were all pretty close tap-ins. I played solidly and hit a lot of good. I’ve been working hard, so it’s nice to see it pay off.”

Newport Country Club plays host to the U.S. Senior Open for the first time in its 131-year history.

#### Minnesotans Miller, Rachey and Warian Advance From U.S. Open Local Qualifying

By Nick Hunter (May 1, 2024)

LAKE ELMO, Minn. – Rolling in three birdies during his opening nine holes at Royal Golf Club helped professional Ross Miller to a round of 3-under 69 and a share of medalist honors with Wes Buntenbach, advancing to Final Qualifying for the 2024 U.S. Open.

Moving on for the third time in four seasons, Miller takes one step closer to the national championship, set to be played June 13-16 at Pinehurst No. 2 in the Village of Pinehurst, N.C.

"It was challenging—cold and windy," said Miller, who moved to Florida and made three starts on the All Pro Tour this past winter. "My mental process, committing to targets and the number I wanted to hit was simple but important today. I've been playing fine, just not scoring. I hit some wedges close today, which was pretty validating.

"I told myself this morning don't wait to get it going, which isn't easy in tough conditions. You're usually a little nervous and you want to get comfortable and make a few pars."

Beginning his round on the 10th tee, Miller navigated cool and breezy conditions by carding three birdies to turn in 3-under par.

He would play his next eight holes in 1-over, but moved to the top of the leaderboard with a birdie at the par-5 ninth to advance from Local Qualifying for the sixth time in his career.

"I started working with a new coach last year and he's helped me with my driver tremendously," Miller said.

"I've always been a pretty good iron player, but being more confident over the drive has felt like a game changer."

Buntenbach, a former Iowa native who now works as a teaching professional at Medina Golf and Country Club, took advantage of his experience in the gusty conditions by stringing together three birdies over his first five holes.

Following an early birdie to begin his inward nine, Buntenbach gave back a pair of strokes, but regained momentum down the stretch by sinking birdies on his final two holes to join Miller at 3-under 69, advancing to Final Qualifying for the first time in his career.

"The wind helps me because I feel like I can play it better than other people," said the 26-year-old Buntenbach, who fell in a playoff a year ago in Sioux Falls, S.D. "I got a new putter last week and rolled that well. I hit one driver today and instantly regretted it.

Wes Buntenbach and Ross Miller, pictured in the center, earned co-medalist honors during U.S. Open Local Qualifying, May 1, 2024, at the Royal Golf Club. Buntenbach and Miller, who tied at 3-under-par 69, were joined by Luke Gutschewski (-2), at far left, and Matt Rachey (-1) and Ben Warian (even), second from the right, and far right, respectively.

### U of M's Wetzel Medals, Rexing, Udovich and Former Gopher Flanagan Advance at U.S. Open Local Qualifying

By Nick Hunter (May 13, 2024)

HUDSON, Wis. – With the help of his putter over his final 12 holes at Troy Burne Golf Club, University of Minnesota golfer Jack Wetzel rolled in four birdie chances to claim medalist honors by shooting 3-under 68 to advance to Final Qualifying for the 2024 U.S. Open.

Joining Wetzel at the second stage are University of St. Thomas golfer Owen Rexing, former Gopher Angus Flanagan, Cretin-Derham Hall junior Sam Udovich and Wisconsin professional Keegan Drugan, who survived a two-way playoff to earn the final qualifying spot.

All five players now move on to Final Qualifying, a 36-hole event known as 'The Longest Day in Golf,' June 3 at 10 various sites across the country, hoping to earn a coveted spot in the 2024 U.S. Open at Pinehurst Resort and Country Club.

"I was 1-over through seven and stayed patient and waited for the putter to heat up a little bit," said Wetzel, the 2022 Class AAA individual co-champion his senior season at Edina High School. "I hit a lot of fairways and gave myself a lot of good looks. I was hitting it a little firm early on, but my speed control was a lot better on the back.

"I came in ready to compete—since the Big Ten Championships in late April I haven't played an event. I was excited to get out and test my game out."

Following an early bogey in the round, Wetzel carded three birdies over a six-hole span midround before saving par from 15 feet at the 13th.

He answered by sinking a 20-footer for birdie at the 14th and rolled in one final birdie from inside of six feet at the 16th to advance for the first time in his career despite a bogey at the last.

"I've played in a lot of these and have never been able to get through," Wetzel said. "I'm excited for the opportunity to move on. There's going to be a lot of great players and it's going to be a good test of stamina and endurance."

Rexing, another co-medalist from the 2022 Class AAA championship, posted a colorful scorecard, tallying three birdies against two bogeys on each side to earn a spot at the next stage of qualifying for the first time, shooting 2-under 69.

"I putted the ball well and just missed in the right spots," Rexing said after earning his spot. "Just one three-putt and one water ball, but other than that, I got it around nicely. I made a lot of eight to 12-footers—that's how you score.

"I'd have to play out of my mind to advance [in Final Qualifying], so I'm just going to enjoy that, have a nice little vacation and get some extra golf in."

Udovich, the defending Minnesota Boys' Junior PGA champion and 2022 Class AA medalist, quickly climbed the leaderboard by carding four birdies over his first 10 holes before taking back-to-back bogeys at the 11th and 12th holes.

After trading a birdie at the 16th with a bogey at the 17th, a par save from inside of 10 feet at the last put the 17-year-old Texas Christian University commit to the next stage of qualifying with his round of 69.

"I thought I played some really good golf today, especially with my driver. That was my most confident club in the bag," Udovich said.

"I'm really looking forward to moving on—it's been a while since I've qualified for a big event like this. I'm going to keep putting hard work into it and prepare myself mentally."

Flanagan, who won both the Minnesota State Open and Minnesota Golf Champions in 2020, as well as back-to-back Minnesota PGA Foundation Pro-Ams (formerly the Tapemark Pro-Am), played his first 11 holes in 1-over before rattling off three birdies over his next four holes to card a 2-under 69.

Drugan, of Holmen, Wis., bounced back from two early bogeys during his front nine by carding four birdies over his first seven holes of the back side.

## U.S. Open Local Qualifying #1 Minnesotans Miller, Rachey and Warian Advance... Continued

"I tried to take it easy on myself because this is the first year I'm working full-time. Formerly I was playing full-time on mini tours. It felt good to come here and put my name on the map for Minnesota because no one knows me here yet."

Iowa State University junior Luke Gutschewski claimed the third qualifying spot, firing a 2-under 70 despite tallying four birdies over his first 10 holes.

He would give back three strokes over his next five holes, but rebounded by two-putting for birdie at the 18th to advance to the final leg of qualifying for the first time in his career.

"Nothing I wasn't used to," Gutschewski said of the challenging conditions. "Any time you can get through and qualify—I have no complaints. I hadn't played much since the [Big 12 Conference] tournament, but I didn't really have any expectations coming in.

"I've been playing well the last month and a half. I was striking the ball really well today—in the wind, it's nice when you're hitting the ball well. I didn't really plan to play in the qualifier this year, so this is a cherry on top."

University of St. Thomas men's golf coach Matt Rachey birdied two of his final four holes to safely

advance to the second stage of qualifying, shooting a 1-under 71.

Beginning his round with an early birdie, Rachey then carded four bogeys over his next five holes to fall to 3-over for the tournament.

The former University of Minnesota golfer tallied four birdies over his last nine holes to punch his ticket to Final Qualifying.

Surviving a six-for-one playoff, Gopher golfer Ben Warian earned the final qualifying spot by winning the second playoff hole to advance for the third consecutive season.

Playing his first seven holes in 3-over, Warian recorded three birdies over his next 11 holes, including a birdie at the par-5 ninth to move into a share of fifth place at even par.

Bennett Smed, a professional from White Bear Lake, Minn., and Kentucky's Alan Lockwood finished as first and second alternates, respectively.

This year's national championship marks the fourth time the event will be played at Pinehurst, and first since 2014 when Martin Kaymer ran away from the field for an eight-stroke victory.

### Texan Papp Budde Advances From Playoff, Headed Back to U.S. Women's Open

By Nick Hunter (May 6, 2024)

WAYZATA, Minn. – Entering the U.S. Women's Open qualifier at Woodhill Country Club, Texan Kaitlyn Papp Budde is enjoying the best two-week stretch of her professional career.

Playing at the LPGA Tour's JM Eagle L.A. Championship at Wilshire Country Club late last month, Papp earned the biggest paycheck of her career by finishing tied for 13th, and followed it by notching an eighth-place finish at the Epson Tour's Casino Del Sol Golf Classic in Tucson, Ariz.

Papp Budde's good fortune continued, posting a 36-hole tally of even par 142 before surviving a two-hole playoff to earn a trip to her fourth U.S. Women's Open.

"Like any other [U.S. Women's Open] qualifier, you know it's already going to be a physically and mentally challenging day," Papp Budde said after qualifying. "The U.S. Open requires the best of every part of your game. I feel like I've been playing good golf and my confidence is starting to build back up again."

Papp Budde opened with a 2-over 73 during her opening round to earn a share of the lead despite carding a single birdie in challenging conditions.

"I was a little frustrated, but optimistic—I hit it great off the tee the whole first round, but I didn't make any birdies," she said. "I knew I'd have to make birdies in the second round.

"Today it was very windy and gusty at times. The rough here was very thick and some of the pin placements were pretty tricky. I feel like this golf course was a good test because I've never seen rough so thick at a qualifier."

A string of three birdies over a four-hole span, including a pair of tap-ins, pushed Papp Budde into a share of the lead with former Iowa State University golfer Joy Chou.

Both players failed to save par on the first playoff hole before Papp Budde rolled in her birdie chance from eight feet on the second playoff hole to claim the lone qualifying spot to the 2024 championship at Lancaster Country Club in Lancaster, Pa., beginning May 30.

"Off the tee I was most happy with today," Papp Budde said. "I missed one, maybe two, fairways all day. That definitely helped me avoid more bogeys."

Chou finished as first alternate Monday, while Wisconsin's Emily Lauterbach finished as second alternate, shooting 3-over 145.

This year's championship marks the second time the U.S. Women's Open has been contested at the 104-year-old William Flynn design. Korean In Gee Chun fired a final-round 66 to earn a one-stroke victory at the 2015 championship.

*Kaitlyn Papp Budde, Austin, Texas, during U.S. Women's Open Qualifying, May 6, 2024, at Woodhill Country Club, Wayzata, Minn. Papp Budde finished at even-par 142 (73-69) and tied with Joy Chou. Budde birdied the second playoff hole to earn medalist honors and the lone qualifying spot to the 2024 U.S. Women's Open.*

## California's Eifrig Cruises to Medalist Honors, Spot in 2024 U.S. Girls' Junior Amateur

By Nick Hunter (May 22, 2024)

DELLWOOD, Minn. – High school senior Gabriella Eifrig traveled over 1,900 miles from her home in Newport Beach, Calif., to White Bear Yacht Club, looking to qualify for the 2024 U.S. Girls' Junior Amateur.

Earning medalist honors by carding a 5-under 67, Eifrig will only need to travel 60 miles from home to El Caballero Country Club, site of this year's national championship July 15-20 in Tarzana, Calif.

"I'm so excited and it's nice that it's in California," said Eifrig, who will make her USGA championship debut. "I've never seen the course, but I look forward to playing a practice round soon. It's going to be a lot of fun.

"I was confident coming in because I put in some practice this week and my game felt good. Today I played pretty well right off the bat—my putter was feeling good and so was my driver, and I felt like those were the two things that helped me score well."

Following a three-putt bogey at the par-4 second, Eifrig came surging back by carding three birdies over a four-hole span beginning at the fourth.

She took a step back after failing to get up-and-down to save par at the eighth, but left herself with a tap-in birdie at the par-5 ninth to turn in 2-under for the day.

"I was feeling good after nine—I hit eight out of nine greens on the front, and making a birdie at nine was a confidence boost going to 10," she said.

Carrying momentum to her back nine by sinking a 6-footer for birdie at the 10th, Eifrig wedged a pair of approaches in close to convert birdie chances inside of four feet at Nos. 13 and 16.

Eifrig was one of 16 players to make bogey or worse at the 183-yard par-3 17th, where she made bogey to slip to 4-under for the tournament.

With the lead well in hand, Eifrig was looking for a two-putt par at the last from 20 feet, but her ball had other ideas.

"I just wanted to play it safe and make par on that hole, but it ended up going in," said Eifrig, who claimed the lone qualifying spot with an eight-stroke victory at 5-under 67.

## California's Eifrig Cruises to Medalist Honors... Continued

Issues with her schedule resulted in Eifrig choosing Minnesota as her qualifying destination—for good reason.

"My dad grew up Edina and we come up here every summer," she said. "We had some conflicts with other locations, so we thought, 'Why not go to Minnesota?'"

Eifrig, who also played beach volleyball at St. Margaret's Episcopal School, will play her collegiate golf at Georgetown University.

Ryleigh Knaub, from Debary, Fla., carded a 3-over 75 to finish as first alternate, while Emmerson Hinds, of

Boulder City, Nev., finished as second alternate by shooting 4-over 76.

The national championship in July at El Caballero Country Club is the second USGA championship contested at the 67-year-old William H. Johnson design.

The course previously played host to the U.S. Women's Amateur Four-Ball Championship in 2018, and hosted the LPGA's Office Depot Championship from 2002 to 2004.

## Meader and Birdwell Medal, Honsa Earns Final Qualifying Spot to U.S. Junior Amateur

By Nick Hunter (May 20, 2024)

MEDINA, Minn. – Taking advantage of a short eagle opportunity on his 13th hole at Baker National Golf Course lifted Thomas Meader to a round of 4-under 68, earning a share of medalist honors and a spot in the 2024 U.S. Junior Amateur.

Joining Meader at the national championship at Oakland Hills Country Club in Bloomfield Hills, Mich., July 22-27 will be Jake Birdwell, who also fired a 4-under 68 to qualify for the second consecutive season, and by Joe Honsa, who survived a one-hole playoff to claim the final qualifying spot after a round of 70.

"It feels great to get in—I've tried to qualify the last two years," Meader said. "The thing I'm looking forward to the most is the experience and playing with the top guys in the world."

Meader, a junior golfer at Mahtomedi High School, carded two birdies against one bogey during his front nine Monday to turn in 1-under for the round.

Meader chipped inside of eight feet at the par-5 10th and converted his birdie chance to move to 2-under for the day before sticking his second shot from 230 yards with a 4-iron to two feet for a tap-in eagle, carding a 68 to qualify for his first USGA championship.

"My ball-striking was good, and I was able to make some nice par saves," Meader said after qualifying. "I was just hoping to put a good round together and make a few birdies."

"It's been an up-and-down last couple of weeks. I was at [White Bear Yacht Club] for an invite and finished eagle-birdie-birdie-birdie to shoot 69, and that sent me over the edge to start playing some good golf."

*Left & center, Co-Medalists Jake Birdwell, Blaine and Thomas Meader, Lake Elmo, tied at 4-under-par 68 during the U.S. Junior Amateur Qualifying at Baker National Golf Course. Birdwell and Meader earned two of three qualifying spots for the 2024 U.S. Junior Amateur Championship and Joe Honsa, right, Mendota Heights, earned the third qualifying spot after posting a 2-under par-70.*

A recent tweak to his putting stroke helped Birdwell find some confidence coming down the stretch of the high school season.

"I had a slow start with the putter this year, but I switched to a claw grip last week and shot a 65 my first round," the Spring Lake Park standout and defending Class AAA individual champion said.

Birdwell, the state's top-ranked high school golfer and University of Illinois commit, came out firing with a pair of birdies over his first six holes, but played the final three holes of his front nine in 1-over to turn in 1-under for the day.

Following an up-and-down for birdie at the par-5 10th, Birdwell dropped back-to-back birdies at the 12th and 13th put him at 4-under for the championship.

Left with eight feet for par at the last, Birdwell buried his putt to qualify for the second time in as many chances, advancing to match play at last year's championship at Daniel Island Club in Charleston, S.C.

"Competing with all those guys on the highest level last year was so much fun," he said. "I'm going in feeling well and playing well, so I think I have a good chance to go pretty far."

Honsa, runner-up at the Class AAA championship to close out his sophomore season last year at Cretin-Derham Hall, started slowly with a bogey on his opening hole, but quickly found his footing by playing his next five holes in 5-under.

## Meader and Birdwell Medal, Honsa Earns Final Qualifying Spot... Continued

After rattling off three consecutive birdies beginning at the third, Honsa rolled in his eagle putt from six feet at the par-5 sixth to reach 4-under.

Following bogeys at the eighth and 12th holes, Honsa rebounded by converting his birdie chance at the 13th, but would finish in a five-way tie for third at 2-under 70 with a bogey at the par-3 15th.

Chipping to three feet in the playoff, Honsa made his birdie putt to seal his invitation to his first USGA championship.

"I let a couple go on the back nine, but I didn't let one bad shot lead to another and kept grinding the entire day," Honsa said. "I thought my game was sharp enough and knew I had a chance to qualify. My goal was to shoot right around 70.

"It's pretty awesome—this is my second time trying to qualify. It's the top junior golf tournament in the world with the best competition, and the course sounds like it's even better. I can't wait."

Colton Rich, a junior at Rochester Lourdes, finished as first alternate, while Leo Vincelli, a St. Thomas Academy sophomore, finished as second alternate.

The 106-year-old South Course at Oakland Hills Country Club will host its 11th USGA championship in July, but its first U.S. Junior Amateur.

The course has previously played host to six U.S. Opens (1924, 1937, 1951, 1961, 1985, 1996) two U.S. Amateur Championships (2002, 2016), a U.S. Women's Amateur (1929) and the 2004 Ryder Cup.

### Wilson Earns Medalist Honors at U.S. Amateur Local Qualifying; 11 Others Moving onto Final Qualifying

By Jack Mendesh (June 26, 2024)

MORTON, Minn. -- This year, there is a new qualifying format the U.S. Amateur to be contested at Hazeltine National Golf Club and Chaska Town Course, August 12-18. Traditionally, there were two one-day, 36-hole qualifiers held in Minnesota with 2-3 qualifiers per site. This year, there is one local qualifier with 12 golfers moving on to the final qualifier which has a yet-to-determined number of golfers moving straight into the U.S. Amateur.

On a windy day at Dacotah Ridge Golf Club in Morton, Minn., recently reinstated amateur Jacques Wilson broke the course record with an 8-under-par 64 to claim medalist honors at U.S. Amateur Local Qualifying and spot into the U.S. Amateur Final Qualifying.

Starting on the first hole, Wilson would come out of the gate hot, birdieing his first three holes to reach 3-under. He had a crucial up and down on the fifth hole to keep the momentum going.

"I made a really good par save on 5. I kind of short sided myself there and got up and down which was a big momentum booster," Wilson said of the par save.

Riding the momentum, he would go on to par his next two holes and would roll in another birdie putt on the par-5 6th hole to get to 4-under.

Wilson would end up making the turn at 4-under after four straight pars to end his front nine. He would yet again start his back-nine off with a flurry of four birdies in his first five holes at the 10th, 12th, 13th

### Former Gopher Pedersen Among Six to Advance From Final Qualifying For U.S. Amateur

By Jack Mendesh (July 31, 2024)

MORTON, Minn. -- When it comes to playing in one of the biggest amateur championships in the world, former University of Minnesota golfer Jacob Pedersen has found a simple mantra to playing at the U.S. Amateur.

There's no such thing as perfect golf.

"I realized that during my first two. You get so caught up that you're playing in the U.S. Amateur, and you think that you have to be perfect, but that's impossible," said Pedersen, who qualified for the championship in 2021 and 2022. "If you hit fairways and greens, you don't have to do anything too special."

Pedersen fired a 1-under 71 at Dacotah Ridge Golf Club before making birdie on his first playoff hole to claim of six qualifying spots to the 2024 U.S. Amateur at Hazeltine National Golf Club next month for his third appearance at the championship over the past four seasons.

"It's nice to get back, especially when it's 10 minutes from my house," Pedersen said after qualifying.

"It's going to be a blast—I have a bunch of buddies who'll be there, and I have a lot of good memories out there."

and 14th holes to reach 8-under for the day through his first 13 holes. With the course record in reach, he would play steadily with pars at his final four holes to finish at 8-under 64 and beat the course record by one shot.

"It feels great...We stuck to our gameplan, this is my 7th or 8th U.S. Am Qualifier out here, so I am very comfortable with the golf course. I didn't know that was the course record today, I told Zach [Wilson's caddie] that I had not idea what I was at...I was just focused on what was in front of me," Wilson said following the round.

The 2017 MGA Players' champ, Wilson is looking to qualify is looking to qualify for his second U.S. Amateur and the first since 2017. Growing up playing Chaska Town Course, one of the stroke-play qualifying sites for the 2024 U.S. Amateur, qualifying would be special.

"It means a lot to Minnesota golf having the U.S. Am at Hazeltine and Chaska Town Course. I grew up playing Chaska Town Course, that's my home course, so for it to be out there is very special."

Jacob Peterson had the round of the afternoon wave with a 5-under 67 to earn the second-best round of the day and his spot into the final qualifier.

He birdied the first hole of his round, the 10th hole, which eased him into his round.

"I birdied my first hole of the day. I hit my drive into a screwy spot and hit a wedge to about 10-15 feet and made the putt, which was a really good start and could relax after that," Pederson said following the round.

He followed the opening birdie with two pars and would birdie the 13th to get to 2-under. He would close out his front nine with a pair of birdies and pars and a bogey to make the turn at 3-under.

From there, Pederson would continue his solid play with four birdies over his next eight holes to stand at 7-under for the day. He would stumble on his last hole of the day, the 9th, making a double bogey but still posting a 5-under 67 to move onto final qualifying.

With a chance to move onto a U.S. Amateur in his home state, Wetzel is excited for the opportunity.

"I've played in two [U.S. Amateur's] before but playing in one that is 10 minutes from my house would be really cool," Pederson reflected after the round.

Jack Wetzel, a soon to be junior on the University of Minnesota's golf team, finished four shots back of Wilson after a 4-under 68 to earn the second lowest score of the day and his spot into U.S. final qualifying.

Wetzel, like Wilson, started out his round on fire. Riding a hot putter, Wetzel would roll in birdies on five of his first eight holes, the 1st, 3rd, 4th, 6th and 8th holes, to reach 5-under and take the early lead in the qualifier.

"I was lucky with the putter early, I made a lot of mid-range birdie putts so it's nice when you're hitting the ball well to pay it off," Wetzel said of his putting.

Making the turn at 5-under, Wetzel birdied the 10th hole and rolled in a 30-foot putt on the 11th to reach 7-under through 11 holes.

Stumbling with a bogey on the 12th hole, Wetzel made pars on his next three holes when he reached the 220-yard par-3 16th.

"I left myself in jail on 16...I flared it into the right bunker and had a 40-yard bunker that was short sided. I was just playing to hit the green and hit a really good bunker shot to about 30 feet which was all I was looking for. It's really easy to send that over the green or leave it in the bunker, 5's and 6's are possible from there so that was a key shot to keep me steady after a bad tee shot," Wetzel said.

Wetzel would stumble once more with a bogey at the 18th hole, but it was still good enough for a 4-under 68 which moved him onto final qualifying with hopes of qualifying for his first U.S. Amateur.

Following his good play in the last several season, Bryce Hanstad also earned a spot into final qualifying after a 2-under 70.

Hanstad played a solid round throughout the day. Minus a two stretch of 3-over on two holes, Hanstad carded 5 birdies and 11 pars to move on.

There were three players who finished at 1-under for the day: Josh Persons, Carson Herron and Trent Peterson.

Persons started steady with three birdies over his first 14 holes against no bogeys to stand at 3-under. He would err down the last four holes with three bogeys and birdie but it was enough to earn his spot into final qualifying.

Herron, playing one of the steadier rounds in the field, carded three birdies against two bogeys to move onto to final qualifying. Herron is looking to head to his third straight U.S. Amateur.

Playing in one of the last groups, in the toughest conditions, Peterson was even-par through nine holes, with all pars. He would birdie three out of his next six over to sit at 3-under.

He would stand on the final hole at 2-under knowing a bogey would get him through to final qualifying. In trouble off the tee, he laid up short of the trouble on the 9th to ensure he took a double bogey out of play, which he did, and moved through to final qualifying.

There were then six players tied at even par but only four available qualifying spots remaining. Sam Udovich, Cooper Markham, Nate Diziel and Kagan Kollar would all survive the playoff and move onto final qualifying while Jack Dudeck and Bennett Swavely would earn the 1st and 2nd alternate spots respectively.

## Final Qualifying Former Gopher Pedersen Among Six to Advance... Continued

Pedersen qualified along with University of Michigan's Yuqi Liu, who fired a 4-under 68 to earn medalist honors, as well as Texas Tech University's Price Hill, who posted 2-under 70 to finish tied for second with the University of Missouri's Brock Snyder.

South Dakota State University golfer Luke Honner and Vietnam's Hung Le claimed the final two qualifying spots after advancing from the 4-for-3 playoff.

Following back-to-back bogeys to begin his round, Pedersen rolled in a 25-footer for birdie at the third and a 15-footer for birdie at the fifth before sinking his eagle chance at the par-5 sixth to reach 2-under for his round.

He'd fall back to even with bogeys at the ninth and 10th holes, but got help from his putter again at the 11th by converting his birdie opportunity from 25 feet.

The former Minnetonka High School standout would reach 3-under with birdies at the 13th and 14th, but finished his day with bogeys at the 17th and 18th before making a birdie on the first playoff hole to punch his ticket to Hazeltine.

"The course was playing hard today," Pedersen said. "A little bit of everything—bad start, not a great finish, but a lot of good in the middle of that.

"I stayed really positive during the round. The wind was really blowing, and it was hard to get at a lot of pins. I just made a lot of good putts."

Liu cruised during his first 13 holes, carding five birdies before he was slowed by a bogey at the par-4 14th.

Consecutive pars to finish his round put the Michigan senior on top of the leaderboard by two shots, earning a spot at his second consecutive U.S. Amateur.

"It was a really good day for me. It was a hard golf course, so I was proud of myself to shoot 4-under," said Liu, who entered the week coming off a top-10 finish at the Northern Amateur in Indiana Friday. "With the blowing wind you have to be more creative with your shots, so my shot-shaping was good today and I putted well.

"I'm playing well and I played a bunch of events this summer. The main thing for me, I kept telling myself

that playing in the U.S. Amateur doesn't define me as a player, so I came out and tried not to be nervous. I'm excited—it shows I can compete at the highest level."

Playing his first 13 holes in 4-under, Hill, a sophomore for the Red Raiders, had little trouble before he was tripped up with a bogey at the 14th.

He bounced back with a birdie at the 15th, but finished the day at 2-under following a double-bogey at the 16th.

"I knew it was going to be a tough day with the wind, so I tried to not make any big mistakes early," said Hill, who qualified for his first USGA championship. "I got hot on the front nine and was able to cruise in a little bit after that. I had the putter going and kept it in play where I didn't have to think too hard about getting into some of these greens with where some of the pins were.

"On 17 and 18 was probably the most nervous I've ever been because [the U.S. Amateur] is what you work for. I won the Texas Junior Amateur last year and I was more nervous today. For myself, it gives me some confidence knowing I can get into these things and compete with the best in the world. Hopefully make match play and keep my confidence up going into the fall season."

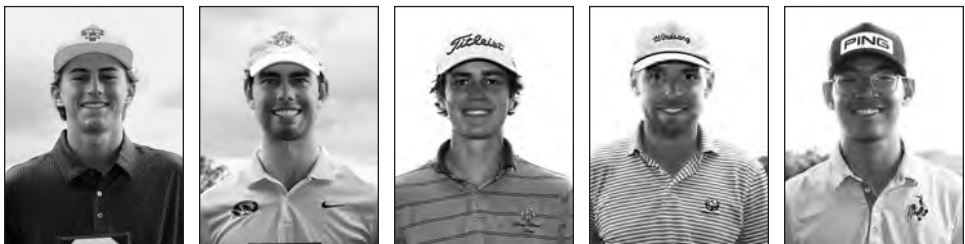

A sophomore from Ames, Iowa, Snyder started hot with a birdie at the first, but would card two bogeys over his next 11 holes.

Snyder found his stride by converting three birdie chances over his final six holes to finish tied for second at 2-under 70.

Even through 17 holes, Honner converted his birdie opportunity on the final hole to force a four-way playoff before claiming his spot at the national championship next month.

Helped by a pair of eagles during his round, Le played his back nine in 2-under to post a 1-under 71 to join Pederson and Honner in the playoff.

University of North Dakota golfer Kagan Kollar, from Maple Grove, Minn., finished as first alternate, while Aidan Gutierrez, of Valparaiso, Ind., claimed second alternate honors.

Along with medalist, Yuqi Liu, the following players (left to right) made it through the U.S. Amateur Final Qualifying at Dacotah Ridge Golf Club to secure spots in the U.S. Amateur Championship, Price Hill, Brock Snyder, Luke Honner, Jacob Pedersen, and Hung Le.

# U.S. AMATEUR Championship

## Ballester Outduels Kent to Become First Spaniard to Claim U.S. Amateur Title

By Nick Hunter (August 18, 2024)

CHASKA, Minn. – Celebrating his 21st birthday during the final match at Hazeltine National Golf Club, Arizona State University golfer Jose Luis Ballester survived a late surge by the University of Iowa's Noah Kent to claim the 124th U.S. Amateur Championship.

Making just his second start at a USGA championship this week, Ballester enters the record books as the first Spaniard and fourth Sun Devil to hoist the Havemeyer Trophy.

"I think I'm still not conscious of what just happened today," Ballester joked following the championship match. "Super thankful to have the opportunity to live this moment, especially on my 21st birthday.

"We have many great Spaniards, many great legends, and being able to add my name into that history, it's pretty sweet. They have done many more things than I have accomplished yet. Just having my chance to put my name into history, especially doing something that none of the Spaniards did, even the best of the best, it's special."

Setting the tone early, Ballester birdied two of his first four holes to jump out to a 3-up lead over Kent, extending his lead to four following the first 18 holes of play.

Ballester stumbled late in the round with a string of wayward iron shots, leading to a string of two bogeys and a double-bogey to allow Kent to pull within one shot of Ballester.

A two-putt from 15-feet on the 36th hole of the championship gave Ballester the title as the first Spaniard to claim the championship.

Bailed out by a spectacular short game on multiple occasions this week, Ballester drew comparisons to fellow Spaniards Seve Ballesteros and friend Sergio Garcia.

"I think it's in the blood, it has to be," he said. "I've been working a lot on my short game lately. Even with my wedges, I feel like I was really good this week. It's always nice to hear that comparison, I'm pretty happy they can say that about my short game."

Opening the championship with a 2-under 68 at Chaska Town Course to begin stroke play, Ballester

then fired a 1-over 72 during the second round to earn the No. 47 seed for match play.

Ballester ousted Ben James, the fifth-ranked amateur in the world, 2 and 1, to begin match play before a victory over Big 12 Conference rival Tiger Christensen from the University of Arizona, 3 and 1.

During his Round of 16 match against Christian Brand, Ballester carded two late birdies to pull out a victory, 2 and 1, to reach the quarterfinals.

Falling behind Texan Bobby Massa during the front nine, Ballester again carded a pair of late birdies to edge Massa, 3 and 1, to advance to the semifinal round.

Squaring off against countryman Luis Masaveu, Ballester drew even at the par-4 ninth and rallied with a late birdie to reach the finals in his second appearance at the U.S. Amateur.

Carding a 3-over 146 last season at Cherry Hills Country Club in Denver, Ballester missed the cut for match play by three strokes.

Ballester now joins ASU alumni Billy Mayfair (1987), Phil Mickelson (1990) and Jeff Quinney (2000) as winners of the U.S. Amateur.

A promising week turned into a disappointing finish for Kent, who trailed just five holes over his first 83 holes to begin match play this week.

Falling behind Ballester on the second hole during the final match, Kent would trail for the remaining 35 holes to claim a runner-up finish in his first USGA appearance.

"You don't want to be 4-down going into an 18-hole match, but it's been done before, and I kept telling myself that," Kent said following the final match.

"Everybody in my corner kept telling myself that. I fought like crazy out there.

"I know I shot under-par on my ball. I know I gave it my all. I got it to 18. I'm sure a lot of people are like, oh, it's going to be a wipe early, and I made it to 18."

A runner-up finish will likely come with perks for the Hawkeye sophomore in the way of an invite to both the 2026 Masters Tournament, as well as the U.S. Open.

## Ballester Outduels Kent to Become First Spaniard to Claim U.S. Amateur... Continued

"It means the world. I kind of made a joke to [swing coach Claude Harmon] the other day. He teaches [Brooks Koepka and Dustin Johnson]. I'd like to play a practice round with them. It would be pretty cool," Kent said. "He's like, I know a guy who can set this up. We have a college tournament before the Masters. I

made a joke to my Coach before the week, I could still play. I want to go play the [Masters] Par-3 Contest now. The 125th U.S. Amateur will be played at The Olympic Club in San Francisco Aug. 11-17, 2025.

## Carothers & Husband Win Medalist Playoff at U.S. Senior Am Qualifier

By Mike Fermoyle (July 8, 2024)

ROSEVILLE -- As a general rule, if you're the medalist or co-medalist in a qualifying tournament, once you've signed your scorecard, you get to relax -- and maybe even celebrate.

That, however, was not the case in the U.S. Senior Amateur Qualifying. For one thing, it wasn't a relaxing kind of day at Midland Hills Country Club. While other parts of the Twin Cities were mostly sunny and dry, there was enough rain in Roseville to force a lengthy delay.

And then, for the co-medalists -- Dave Carothers, John Husband and Scott Ainsworth -- there was the little matter of a playoff, because there were three of them and only two qualifying spots available. All three of them shot even-par 71s. So not long before 9 p.m., as the sun was about to set, they went to the tee at the 350-yard, par-4 18th hole to settle the matter.

Fortunately for the MGA officials in charge of the qualifier, the playoff lasted only one hole, and they didn't have to bring the principles back the next morning. But it wasn't so fortunate for the unlucky co-medalist -- Ainsworth. Carothers and Husband both made pars on the 18th, but Ainsworth three-putted for a bogey, missing a 4-foot putt for his par, and he was eliminated.

This wasn't the first near miss for Ainsworth. At last year's U.S. Senior Am Qualifying at Hastings CC, Ainsworth missed a playoff for the second spot by two strokes.

Carothers earned his share of medalist honors and got into the playoff by going 2 under for his last six holes. Having started on the back nine, he was 2 over after eight holes. He birdied the 18th, but bogeyed the par-4 second, to slip back to 2 over, but he birdied the 135-yard, par-3 fourth and the 535-yard, par-5

sixth. He bogeyed the other par-3 on the front nine, the 175-yard seventh hole, but bounced right back with a birdie at the 335-yard, par-4 eighth.

This wasn't the first time Carothers demonstrated that he could make birdies when it mattered. He birdied five of the last 10 holes at Interlachen on his way to a final-round 66 and a one-stroke victory in the 2017 Minnesota State Amateur. At age 48, he became the second-oldest winner in the history of the State Am, behind only Jim Scheller, who won the 1991 State Am at age 51 (the year after he won the State Senior Am).

Now at 55, Carothers was playing in his first USGA senior event. (USGA and MGA senior tournaments have a minimum age of 55. The minimum for U.S. Senior Opens, Minnesota State Senior Opens and Minnesota Public Links senior tournaments is 50.)

As for Husband, the 64-year-old from Ontario, Canada, seems to like qualifying in Minnesota. He was the medalist in the U.S. Senior Am qualifier at Edina CC last year, with a 70. But he didn't make it to the match-play portion of the Senior Am itself. Tim Peterson, the other qualifier from Minnesota did, before losing his first match. On Monday, Peterson didn't miss a return trip to the Senior Am by all that much. He shot 73 at Midland.

The 70th U.S. Senior Am will be played at Oak Hills Country Club in San Antonio, Tex., beginning August 23, 2025.

Dave Carothers, left, and John Husband, right, finished as Co-Medalists & Qualifier at the U.S. Senior Amateur Qualifying at Midland Hills Country Club. They both tied with Scott Ainsworth with final scores of 71 (E) but went on to secure the two qualifying spots on the first hole of a playoff.

## Illinois' Piar Medals, Kentucky's Frye Claim Spots at U.S. Women's Amateur

By Nick Hunter (July 8, 2024)

STILLWATER, Minn. – A round of 4-under 68 at StoneRidge Golf Club earned California State University-Northridge golfer medalist honors with a two-stroke victory and a spot in the 2024 U.S. Women's Amateur.

Piar rolled in six birdies against a pair of bogeys to qualify for her first U.S. Amateur.

"I'm so excited—it's something I've been dreaming about," the Illinois native said following her round. "Seeing how well I do against the top amateurs in the world is going to be awesome.

"It was a great round today. I kept hitting fairways and greens, and the putts were rolling really well. I had 23 putts today, which is really good for me, and I had no three-putts."

The 20-year-old Piar got off to a hot start by converting three birdie chances during her front nine before she was slowed with a bogey at the par-4 10th.

Piar countered by dropping her birdie chance from three feet at the 11th to get back to 4-under.

Knocking her approach to six feet at the 15th, Piar converted her fifth birdie of the round, but took another step back with bogey at the 16th.

She quickly bounced back by reaching the par-5 17th in two, narrowly missing her eagle putt from 14 feet, and tapped in for birdie to post a 4-under 68 to advance secure her spot at the championship at Southern Hills Country Club in Tulsa, Okla.

"I've never qualified before—I've been trying for the last five years and last year I was close, just not enough," Piar said.

Joining Piar at the national championship at Southern Hills will be former University of Kentucky golfer Laney Frye, who bounced back from an early bogey to card a 2-under 70 to qualify for her fourth consecutive U.S. Women's Amateur.

"It was pretty clean to be honest," Frye said. "I had a little bunker trouble on the second hole, but made some birdies around the turn and kept it steady. I was hitting a lot of fairways and greens, and made some momentum putts along the way.

"I was close to the [World Amateur Golf Rankings] cutoff on being exempt, so part of me didn't want to have to come and qualify. Expectations were high—I really wanted it, and I'm thrilled to get the opportunity to play in it again."

After taking bogey at the second early, Frye drew even with a birdie at the fifth before sinking putts from 10 feet at the eighth and two feet at the ninth to turn in 2-under.

Saving par by rolling in her putt from six feet at the 10th, Frye would cruise over her next eight holes with consecutive pars to finish second at 2-under 70.

Following a five-way playoff, Wisconsin's Jessica Guisier claimed first alternate honors, while Iowa native Anna Jensen finished as second alternate.

(L-R), Laney Frye and Gracie Piar, of Nicholasville, Ky., and East Alton, Ill., respectively, earned the two qualifying spots after the 2024 U.S. Women's Amateur Championship Qualifying July 8 at StoneRidge Golf Club, Stillwater, Minn. Piar claimed medalist honors with a 4-under 68 (33-35), two shots better than Frye, who finished 2-under 70 (34-36).

### Japan's Shimura Medals, Minnesotan Weiss Qualifies for U.S. Senior Women's Open

By Nick Hunter (June 5, 2024)

EDINA, Minn. – Japan's Kaori Shimura carded a 5-over 77 at Edina Country Club to earn medalist honors, while Minnesotan Karen Weiss posted a 78 to claim the two qualifying spots for the 2024 U.S. Senior Women's Open.

Both Shimura and Weiss will make their fourth appearance at the national championship, set to be played August 1-4 at Fox Chapel Golf Club in Pittsburgh.

"I love USGA championships, and to have a month to get my game into form is great. I've got some time to work on my wedges and putting—the things you need to do," Weiss said after qualifying. "I'm going to try and find a little more comfort in my ball-striking, but mostly short game and putting—you've got to grind through rounds at a U.S. Open.

"I hope that I can bring a reasonably good version of my game. It's not going to be perfect, but if I can make some good swings, it'll be fun regardless of what happens."

Getting off to a shaky start with bogeys at the first and second, Weiss settled into her round with six consecutive pars before a bogey at the ninth sent her to the back nine in 3-over.

Her first birdie of the round came at the par-5 10th hole, where she dropped a 40-foot bender, but Weiss gave back a stroke with a bogey at the 12th.

Following a double-bogey at the 15th, Weiss hit her approach inside of eight feet at the 17th and converted her birdie opportunity to get to 4-over.

Despite a struggle on the final hole leading to a double-bogey, Weiss held on to card a 6-over 78 and earn the final qualifying spot.

"Overall, I played fairly well and hung in there. I wasn't hitting it all that great, but then hit a few more solid shots on the back nine," Weiss said. "I thought if I played well that I could qualify, and I played okay considering I didn't feel that comfortable."

## Japan's Shimura Medals, Minnesotan Weiss Qualifies... Continued

Missing the cut in each of her first three appearances, Shimura said she hopes to replicate her solid start at the national championship in August.

"The front nine was good," Shimura said through a translator. "The back nine I was so nervous, but I'm very happy."

A steady Shimura played her front nine in even par before a birdie at the 10th put her into red figures for the round.

As conditions worsened late in the round, Shimura would card six bogeys over her final eight holes on her way to medalist honors at 5-over 77.

Gigi Higgins, of Cape Coral, Fla., posted an 8-over 80 to finish as first alternate, while Jayne Pardus, from Mount Pleasant, S.C., escaped a playoff to finish as second alternate following a round of 81.

## Kellar-Luther and Williams Headed to U.S. Senior Women's Amateur

By Nick Hunter (August 1, 2024)

ST. LOUIS PARK, Minn. – Converting a pair of late birdie chances at Minneapolis Golf Club helped Andrea Kellar-Luther to a round of 6-over 78 to claim medalist honors as well as a spot in the 2024 U.S. Senior Women's Amateur next month.

Set to be played at Broadmoor Golf Club in Seattle, Kellar-Luther will be joined at the national event by Brenda Williams, who carded a 7-over 79 to qualify for her ninth U.S. Senior Women's Amateur.

"Going once, you almost want to qualify even more," Kellar-Luther said. "The USGA does such a nice job and there are people that I haven't seen in a while, so it's nice to reconnect with them.

"For the most part, it was nice and steady today—didn't make too many mistakes. I knew I was going to make some, but a couple of birdies coming in helped. I stayed patient and was pretty consistent. I knew coming in that if I played my game, it could be good enough."

A steady start for Kellar-Luther as she played her first four holes in even par before a string of three bogeys over a four-hole span put her at 3-over for her round. She would turn in 5-over following a double-bogey at the par-4 ninth.

Following back-to-back bogeys at the 12th and 13th, Kellar-Luther rolled in her first birdie of the round at the par-3 16th from three feet, and added her second birdie from six feet at the 17th.

Despite a three-putt bogey at the last, Kellar-Luther finished on top of the leaderboard at 6-over 78 to earn medalist honors and qualify for her second U.S. Senior Women's Amateur in three seasons.

Making her first appearance at the national event in 2022 at Anchorage Golf Club in Alaska, Kellar-Luther posted rounds of 80 and 86, respectively, to miss the cut for match play by five strokes.

"This time I'm going to enjoy it and not put a lot of pressure on myself. I missed the cut last time in Alaska—not that I wanted to miss the cut, but what a great place to miss the cut," Kellar-Luther said.

Williams scattered three bogeys over her opening nine holes, turning in 3-over before a bogey at the par-3 10th.

She would roll in her only birdie of the round at the par-5 12th to get back to 3-over for the day, but stumbled with back-to-back double-bogeys at the 13th and 14th.

Steady from there, Williams entered the clubhouse at 7-over 79 following consecutive pars, including a 15-footer at the 16th, to close out her round to advance for the fifth time in eight seasons.

## Kellar-Luther and Williams Headed to U.S. Senior Women's Amateur Continued

"I'm so excited—the way the USGA treats everybody is amazing" Williams said after earning her spot.

"The courses are always great and the hospitality is amazing. I never have expectations going in, but once you get there, of course you want to get through to match play.

"This is the one event that I kind of get nervous for because I want it, so I was nervous this this morning."

Williams entered the round after finishing third in the Women's Division at the Northland Invitational, and finished first in the Senior Women's Division Saturday at Northland Country Club in Duluth, Minn.

"I felt like I was playing well and felt solid," she said. "I hit my irons well and my lag putting was good, which is crucial on this course. Even the putts I didn't get close; I was still making some longer ones."

Alison Hurley, who claimed the 2024 MGA Women's Senior Amateur Four-Ball Championship at Burl Oaks Golf Club in June, carded a 10-over 82 to finish as first alternate, while Tracey Donesky, of Minnetonka, Minn., posted an 83 to earn second alternate honors.

Leigh Klasse, an 11-time qualifier for the U.S. Senior Women's Amateur, earned an exemption into the championship due to her top-30 status in the World Amateur Golf Rankings for senior women.

### Tylke and Jarrett Headed to U.S. Mid-Amateur Along with Johnson and Peterson

By Nick Hunter (August 8, 2024)

MEDINA, Minn. – After four runner-up finishes this season, Max Tylke found himself on top of the leaderboard for the first time, firing a 2-under 70 at Medina Golf and Country Club to earn co-medalist honors with Nick Jarrett and a spot in the 2024 U.S. Mid-Amateur.

Tylke rolled in five birdies over a six-hole span before a late bogey sent him into a share of the lead with Jarrett, clinching his spot at his second U.S. Mid-Amateur and fifth USGA championship.

"I've finished second more times than I need to count this year, so it feels good to at least close one out. When you talk about the demons, you battle through it and finish the best you can."

Starting on the 10th tee, Tylke rolled in three consecutive birdies from inside of 10 feet to begin his round before his momentum was slowed by a bogey at the par-3 13th.

The 31-year-old Tylke quickly responded by converting back-to-back birdie chances at the 14th and 15th to reach 4-under for the round.

As gusty conditions picked up during the round, Tylke would turn in 3-under following a bogey at the par-4 18th, but he'd find his footing by playing his final nine holes in 1-over to post a 2-under 70 to sit atop the leaderboard with Jarrett.

Making his USGA debut at the U.S. Amateur Four-Ball Championship with Trent Peterson in May, Jarrett now qualifies for his second national championship in ten months.

Jarrett, a 35-year-old former Concordia University-St. Paul golfer, started quickly with a birdie on his opening hole from 10 feet before back-to-back birdies at

the seventh and eighth from inside of 10 feet sent him to his inward nine in 3-under.

He would cruise over his next eight holes by making consecutive pars before he was tripped up by his only bogey of the afternoon at the 18th to place tied for first with Tylke.

Surviving a one-hole three-way playoff, Joel B. Johnson and Peterson earned the final two spots to the championship at Kinloch Golf Club in Manakin-Sabot, Va.

Jumping out to a fast start with two birdies through his first five, Johnson fell back to even par with a double-bogey to begin his back nine.

Johnson, 53, would get up-and-down for birdie at the par-5 14th, but gave a stroke back with his first bogey of the round at the 16th, finishing in a share of second with Peterson and Wisconsin's Travis Meyer.

Advancing with a par on the first playoff hole, Johnson returns to the U.S. Mid-Amateur for the first time since the 2015 season.

Last year, Johnson qualified for the U.S. Amateur Four-Ball Championship at Kiawah Island Club in South Carolina, as well as the U.S. Senior Open at SentryWorld in Stevens Point, Wis.

Jarrett's teammate earlier this year, Peterson earns his second trip to the U.S. Mid-Amateur after advancing to the 2017 championship at Capital City Club in Atlanta.

Far left, Max Tylke and Nick Jarrett earned co-medalist honors at the U.S. Mid-Amateur Championship Qualifying held at Medina Golf & Country Club.

Near left, Joel B. Johnson and Trent Peterson tied for third with Travis Meyer, and secured the final two qualifying spots on the first playoff hole.

## Tylke and Jarrett Headed to U.S. Mid-Amateur... Continued

Winner of three events already this season, Peterson carded one birdie and one bogey during his opening nine, and repeated it during his final nine holes to finish in a three-way share of second.

A par on the first playoff hole earned the 37-year-old a spot in his seventh USGA event.

Travis Meyer, of River Falls, Wis., was eliminated during the first playoff hole to earn first alternate honors, while Ryan Conn, from Alexandria, Minn., posted a 1-over 73 to finish as second alternate.

### Ledwein Medals, Herrick, Kelly and McCullough Advance to U.S. Women's Mid-Amateur

By Nick Hunter (August 8, 2024)

MEDINA, Minn. – Playing only her fourth competitive round of the 2024 season, Taylor Ledwein fired a 3-over 75 at Medina Golf and Country Club in cool and breezy conditions to earn medalist honors and a spot in the U.S. Women's Mid-Amateur for a second consecutive season.

The former Bradley University golfer claims her spot at the national championship, set to be played at Brae Burn Country Club in West Newton, Mass., and will be joined by Olivia Herrick, Betsy Kelly and Paige McCullough, who claimed the final three qualifying spots following a four-way playoff.

Ledwein, 26, carded a lone bogey during her opening nine before pulling even with a birdie at the par-4 10th. She gave back a stroke with bogey at the 11th, and would finish the day at 3-over 75 following back-to-back bogeys at the 16th and 17th.

Herrick, 36, carded a pair of early bogeys before converting her birdie chance from three feet at the par-5 fifth. She would turn in 3-over following a bogey at the ninth.

Dropping to 5-over with back-to-back bogeys at the 11th 12th, Herrick rebounded by rolling in her birdie chance from 25 feet at the 15th to get back to 4-over for the round.

Bogeys at the 17th and 18th put Herrick into a share of second before she'd earn a spot in her 11th U.S. Women's Mid-Amateur with a par on the first playoff hole.

Bouncing back from a disappointing finish at the Minnesota Women's State Open a week prior, Kelly's 6-over 78 earns her a spot in her first USGA event since 2013.

Kelly carded a pair of early bogeys to begin her round, turning in 2-over before back-to-back bogeys at the 11th and 12th holes.

Bogeys at the 17th and 18th holes moved Kelly into a share of second place at 6-over 78.

Over the green with her approach on the second playoff hole, Kelly chipped to three feet to save par and qualify for her first U.S. Women's Mid-Amateur.

McCullough, a former University of Minnesota golfer, two-putted for par on the second playoff hole to qualify for her first U.S. Women's Mid-Amateur in three seasons.

Playing her opening nine holes in 2-over, McCullough was helped by holing out for birdie at the sixth. She remained steady through 15 holes, including a lengthy birdie putt from 40 feet at the par-3 13th, before taking double-bogey at the 16th to fall to 4-over for her round.

Bogeys at the 17th and 18th would put her in the clubhouse in a share of second with Herrick, Kelly and 2019 MGA Women's Player of the Year Jasi Acharya.

A two-putt par on the second playoff hole earned McCullough a ticket to her eighth USGA championship.

Jasi Acharya, winner of five consecutive MGA Women's Mid-Amateur titles, fell to Herrick, McCullough and Kelly on the second playoff hole to finish as first alternate, while Hillary Zuleger, of Edina, Minn., posted a 7-over 79 to finish as second alternate.

## U.S. Amateur Four-Ball Qualifying Deutsch-Gustafson and Ollinger-Bosley Qualify for 2025 National Four-Ball

By Craig Bihrlé (September 30, 2024)

PRIOR LAKE, MINN. - Former college teammates from Notre Dame and former co-workers at Interlachen Country Club have earned spots in the 2025 U.S. Men's Amateur Four-ball Championship, scheduled for May 17-21 at Plainview and Echo Lakes country clubs in New Jersey.

The Wilds Golf Club, in Prior Lake, hosted the Minnesota regional qualifier Monday under warm and windy conditions. Eric Deutsch, Rochester, and Scott Gustafson, Chaska, who played together at Notre Dame more than 20 years ago, took the clubhouse lead at seven-under 65, then waited more than two hours before their score was matched by Harry Ollington from England, and Drew Bosley, from Edina. Each team claimed one of the two automatic qualifying spots in next year's national tournament, while three teams tied at 6-under and played extra holes to determine first and second alternates.

John Hafdal, of Prior Lake, and Danny Menton, of Hutchinson emerged as first alternates, while defending medalists Nick Jarrett, of Rochester, and Trent Peterson, of St. Paul, took the second alternate spot.

Deutsch and Gustafson, who missed a playoff by one shot at a regional four-ball qualifier in Iowa last year, had a classic "ham and egg" round on the way to 65. They got to 2-under after four with a Gustafson birdie at one and both birdieing the short par-4 fourth hole. A team bogey at seven, however, set them back to 1-under, which at the time was five strokes behind Hafdal and Menton, who had just finished their round at 66.

Left to right, Drew Bosley, Harry Ollington, Eric Deutsch and Scott Gustafson, co-medalists after the U.S. Amateur Four-Ball Qualifying at The Wilds Golf Club. The two four-ball teams tied at 7-under-par 65 to earn qualifying spots to the 2025 U.S. Amateur Four-Ball Championship to be held at Plainfield Country Club & Echo Lake Country Club in New Jersey, May 17-21, 2025

Then their fortunes turned dramatically. Deutsch birdied eight, nine and 10, while Gustafson birdied the par-5 12th, followed by close approach irons to set up birdies on 14, 15 and 16. At that point, they were 8-under and had the tournament lead by two.

## U.S. Amateur Four-Ball Qualifying

### Deutsch-Gustafson and Ollinger-Bosley Qualify for 2025 National Four-Ball Continued

The run of seven birdies in nine holes – with three of those coming on holes when the partner made bogey or double – came to an end with the team's second bogey of the day on the par-5 17th, reducing the lead to one shot. Both parred the 18th, however, to take a 65 to the clubhouse.

"We ham and egged it better than you could ever imagine," Deutsch said of the round as a whole, and the birdie barrage in particular. "It kind of happened pretty quick ... it was quite fun."

With 7-under appearing at the top of the board, Ollington and Bosley, former co-workers at Interlachen and playing in their first four-ball qualifier together, were getting close to rounding out the

front nine at 5-under. They broke an early par run with Bosley's birdie at four, then Ollington, a former University of Minnesota golfer, caught fire and birdied five, seven, eight and nine to put them in striking distance with the back nine to go.

Knowing they needed to get to at least 7-under, both players birdied the par-5 12th. Solid pars on the next three holes led up to Bosley's birdie after a close wedge into 16. Both players then scrambled for pars the last two holes to round out their tying 65.

"Yesterday just clicked, it was one of those days," Ollington said the day after the event. "... We were just seeing the lines good together."

## U.S. Women's Amateur Four-Ball Qualifying

### Illinois-Indiana Pair Take Medalist Honors at Women's Four-ball Qualifier

By Craig Bihrlé (September 30, 2024)

PRIOR LAKE, Minn. – Sometimes, leaderboards at golf tournaments change so quickly that even electronic scoring can't keep up. That was sort of the case Monday, during the final holes of the U.S. Women's Amateur four-ball qualifying event at The Wilds Golf Club in Prior Lake.

At stake was a berth in the 2025 U.S. Women's Four-ball Championship, scheduled for May 10-14 at Oklahoma City Golf and Country Club, Nichols Hills, Oklahoma.

The end result was that Kennedy Gutierrez of Valparaiso, Indiana, and Alli Wiertel of Oswego, Illinois, earned the automatic qualifying spot by shooting a 2-under 70 on the 6,200-yard Wilds layout. Isabelle Lynch, Bloomington, and Nicole Reineke, Chaska, shot even-par 72 and earned the first alternate position in a playoff over defending medalists Samantha Sommers, Richmond, and Olivia Herrick, Hugo, who claimed the second alternate spot available.

On the strength of an eagle two on the short par-four fourth, Sommers and Herrick were at or near the lead through the middle of the back nine at 2-under. Wiertel and Gutierrez had three birdies to offset two bogies on the front, then strung together five pars to start the back nine to reach the 15th tee at one-under, one behind Herrick and Sommers. At about the same time Lynch and Reineke were two back as they finished 13.

Wiertel-Gutierrez's birdie at 15 pulled their team into a front-running tie at -2, then a bogie at 16 erased that. Playing one hole behind, Sommers and Herrick parred 16 to maintain their one-shot lead over two

teams, which at that point included Lynch and Reineke, who had birdied 15.

About the time that Sommers and Herrick were heading up the 17th fairway, Wiertel calmly drained a 6-foot birdie putt on the 17th green to pull their team into a tie. A short time later, Sommers and Herrick wound up bogeying 17 to fall back by one, while Lynch and Reineke birdied 15 to stand one off the lead as well.

Gutierrez and Wiertel knew they were one ahead before Wiertel assessed a long downhill breaking birdie putt on 18. To add drama, she left the putt well short. Knowing she needed to make the putt to preserve the lead, or at least two-putt to drop back into a tie, she rolled in the 20-footer for par.

Then the short waiting game began. Sommers and Herrick needed a birdie at 18 to tie, but instead came in with a bogey to fall two back. Lynch and Reineke had bogeyed 16 to also fall two back, and two pars to finish got them into a playoff to determine the alternate seeding.

Wiertel, age 15, and Gutierrez, age 14, have been competitors and playing partners for years. In 2023, they tied for 6th in a U.S. Women's Four-Ball qualifier in Indiana. "We knew that we had the ability to qualify going into this tournament," Wiertel said, adding that she and Kennedy were "pretty aware" of where they were at the last couple of holes. "I think it's more of an edge when I know what I need to do," she said.

"I felt like we had a good attitude the whole way through," Gutierrez added. "We were excited!"

# MPGA FOUR-BALL Championship

**Format:** 36 holes of Four-Ball stroke play in elective flights without handicap (Championship or Senior) with the remaining players divided into net flights based upon the number of entries and handicap. Each team member playing with 85% of his sloped handicap. The cumulative 36-hole team score (best-ball net of the team from each hole) will be the team's score for the championship.

**Eligibility:** Amateur players who are members of a club that is a member of the Minnesota Public Golf Association (MPGA) and carry an active GHIN handicap at that club. Age requirement for Senior division is at least 50 years of age as of the first day of the championship.

**Handicap Limit:** The partners' Handicap Indexes may not differ by more than 8.0 when pairings are set-up, the higher handicap player will be reduced to 8.0 above the lower handicap player and then be put into the correct flight.

**MGA Player Points:** Points are awarded for the Championship division and Senior player points for the Senior Division; however, both team players must be 55 years of age to win Senior player points.

## Late Birdies Put Burleson and Larson on Top at MPGA Four-Ball

By Nick Hunter (May 19, 2024)

STILLWATER, Minn. – Rolling in three birdies over their final five holes at Oak Glen Golf Course, Justin Burleson and Jesse Larson fired a final-round 67 to edge the twosome of Ryan Tschann and Max Tylke for a one-stroke victory at the 47th Minnesota Public Golf Association Four-Ball Championship.

The win for Burleson is his first since winning the 2020 Minnesota Golf Association Mid-Players' Championship, while Larson collects his second career victory in 12 seasons.

"There's nothing like the competitive juices coming down the stretch," Burleson said. "It's nice to feel the nerves and have to perform. Especially those last four or five holes, we came through when we needed each other."

"It feels nice to climb the mountain again because it's been a while," said Larson. "You pick a good partner who you can rely on and good things will happen. I'm not getting any younger and I've been working hard on my game the last few years, so it's nice to see the payoff."

Entering the final round with a two-stroke cushion, Burleson and Larson combined for two birdies over their first eight holes before taking their only bogey

of the championship at the par-4 ninth, dropping to 10-under for the tournament.

From a greenside bunker at the 11th, Larson navigated a wedge downhill to six feet, sinking his birdie chance to keep pace with Tschann and Tylke at 11-under.

Keeping stride once again at the 14th, Larson rolled in another 6-footer for birdie to put him and Burleson at 12-under to remain in a share of the lead.

With Burleson inside of six feet at the 15th, Larson chipped in for birdie off the green before Burleson's birdie chance from 20 feet at the 16th found the bottom of the cup to take the outright lead at 14-under.

Following an up-and-down to save par by Larson at the 17th, a two-putt par by Burleson at the last sealed the championship, shooting 14-under 130.

"We played very solid yesterday and made putts," Larson said. "We knew there was going to be a stretch of trouble, knowing how well yesterday went and weathering that storm, there's opportunities out here."

"Four-ball is a little bit different. Up two as an individual, you may play to the center of the green more,

## Late Birdies Put Burleson and Larson on Top at MPGA Four-Ball Continued

but not in four-ball—you have to make birdies,” Burleson added. “Yesterday we shot 9-under, and it probably could’ve been lower. Today we shot 5-under, and it was as well as we could’ve played. Two very different days.”

Teaming up for the first time in 2019, Burleson and Larson have not finished worse than 10th, while notching back-to-back runner-up finishes in 2020 and 2021.

“We complement each other pretty well,” said Larson of his successful partnership with Burleson. “I was able to take advantage of a few doglegs and things like that. Justin is just so steady—his record shows that. He’s in play almost all the time and he putts it well.”

“We go about the game very differently,” Burleson said. “Jesse is very analytical, and I just see the ball and hit the ball. We balanced that out well. I think we had 14 birdies between the two of us this week.”

Tschann and Tylke began the final round in a share of second following an opening-round 65.

The two combined for three birdies during their opening nine in the final round to turn in 10-under for the championship.

After rolling in three birdies over their first six holes to begin the back nine, Tschann and Tylke were unable to get putts to fall over their final three holes, posting a final-round 66 to come up one shot short at 13-under 131.

John Butler and Joel B. Johnson posted a round of 6-under 66 to open the championship and fired the same score during the final round to finish in third place at 12-under 132.

Jim Lehman and Jerry Rose, winners of the 2019 MGA Senior Amateur Four-Ball Championship at Windsong Farm, followed their opening-round 68 with a 7-under 65 during the final round to earn a two-stroke victory over the team of Eric Rislove and Dave Zuercher to earn medalist honors in the Senior Division, shooting 11-under 133.

## Sperber and Raghuever Claim 2024 MPGA Junior Public Links Titles

By Nick Hunter (June 28, 2024)

OAKDALE, Minn. – Converting his birdie chance on the final hole at Oak Marsh Golf Course helped Garrett Sperber to a 2-under 103 to claim a one-stroke victory over Alex Rhode and Phillip Ebner to earn medalist honors at the 38th Minnesota Public Golf Association Junior Public Links Championship.

Sperber played his opening 10 holes in 2-over before finishing his back nine with a flurry of three birdies over an eight-hole span to shoot 1-under 69.

Carding an early birdie at his 20th hole, Sperber moved to 2-under for the championship, but would take a step back with a bogey at his 25th hole.

Dropping his sixth birdie of the day, Sperber posted a 1-under 34 during his final nine holes to claim his first state championship title.

Rhode bounced back from early bogey trouble by carding an eagle at the par-5 seventh to turn in 1-over.

A birdie and two bogeys over his final nine helped Rhode to an opening-round 72 before three late birdies during his final nine holes pulled him within one shot of Sperber at 1-under 104.

Even through his first five holes, Ebner stumbled over his next six holes by carding three bogeys to drop to 3-over for the championship.

He took advantage of the par-5 16th to card his second birdie of the day to finish the first 18 holes in 2-over 72.

A steady Ebner rolled in three birdies during the final nine holes to finish in red figures in a share of second at 1-under 104.

### **Raghuever Cruises to Girls' Title**

Taking a three-stroke advantage after the first 18 holes of play, Alyssa Raghuever cruised to a seven-stroke victory by shooting 3-under 32 during her final nine holes to finish at 1-over 106.

Coming off a top-20 finish at the Class AAA championship at Bunker Hills Golf Club to close out her sophomore season for Benilde-St. Margaret's High School earlier this month, Raghuever made few mistakes over her first 10 holes to remain even before a string of four consecutive bogeys would put her at 4-over for her opening 18 holes.

Tallying three birdies over her first five holes allowed Raghuever to cruise over her final four holes to a commanding seven-stroke win over Callie Dockter.

Dockter, who earned a top-10 finish to cap off her senior year for Byron High School at the Class AA championship at Ridges at Sand Creek, stumbled during her opening nine, carding four bogeys to turn in 4-over.

Helped by a late birdie during her back nine, Dockter posted a 7-over 77 before carding a 1-over 36 during the final nine holes of play to finish in second place at 8-over 113.

## Peterson a Winner Again, Claims Fourth MPGA Mid Public Links Title

By Nick Hunter (June 16, 2024)

MPGA

ST. PAUL, Minn. – Coming off the 36th state victory of his career at the Minnesota Golf Association Mid-Players' Championship at Deacon's Lodge, Trent Peterson wasted little time winning his 37th tournament, shooting 5-under 139 at Highland National Golf Course to win the 20th Minnesota Public Golf Association Mid Public Links Championship.

Peterson carded a final-round 71 to claim a two-stroke victory over Yarri Bryn and Erik Bredesen for his fourth win at the event over the past five seasons.

"It's been a good week," Peterson said with a smile after his win.

A two-time MGA Men's Player of the Year, Peterson rolled in one birdie during his opening nine to keep the field at an arm's length before trading two birdies with a pair of bogeys to begin his back nine.

Regaining a two-stroke lead after a bogey by Bryn at the 17th, Peterson nearly holed out for eagle at the 18th from the right rough, two-putting for par to claim his second victory in just four days.

"Yesterday was miserable—I knew it was going to be a struggle, but I putted really well and made some nice birdie putts," Peterson said of the wet conditions during the opening round. "I got through it and was quite happy with the round I had.

"Today I was a little more defensive at times and the putter wasn't as good. I told myself to get the ball in play, hit the green and two-putt. You make a birdie or

two and [the field] has to come get you."

Following his match play victory at Deacon's Lodge, Peterson said he had to alter his strategy for a stroke-play event in softer and slower conditions at Highland National.

"In match play you can be much more aggressive," he said. "If you're out of the hole, you just move on. Here, you have to avoid mistakes and big numbers, so you've got to play more defensively.

"Sometimes it's harder to go low because you might not be going right at pins like you are in match play. In stroke play, I'd rather have a lot of fours than a seven."

A former South Dakota State University golfer, Peterson admittedly had some unfinished business at Highland National Golf Course after falling to Mike Christensen in a playoff in 2017, the last time the course hosted the championship.

"I hadn't played this course since that event, so there's a little redemption. Losing in a playoff is no fun. To come back and win feels nice."

Bryn, whose lone state championship win came at the Twin Cities Championship at Hastings Golf Club in 2020, entered the final round two shots off the lead following his opening-round 70.

Even through his front nine, Bryn pulled within one shot of Peterson's lead with a birdie from 10 feet at the 12th, but a late three-putt bogey at the 17th proved costly.

*Trent Peterson claimed his fourth MPGA Mid Public title thanks to rounds of 68-71—139 (-5).*

He would card a final-round 71 to finish tied for second with 2018 Twin Cities champion Erik Bredesen at 3-under 141.

"I think these were my fourth and fifth rounds of the year," Bryn said following his round. "We have a 6-week-old at home, so I haven't been playing much. Just getting out here is all I can really hope for right now. I was just trying to hang with Trent—he obviously played pretty well.

"I kept the ball on the golf course. I didn't putt so well coming in, but I feel pretty good about everything; there's nothing really bugging me right now."

Bredesen tied Peterson's mark for low round of the championship by shooting 4-under 68 during the final round, helped by a string of three consecutive birdies late in the round to move into a share of second for his best finish since he placed fourth in 2022.

## Piotrowski Edges Lehman to Win Second State Title at MPGA Senior Public Links

By Nick Hunter (July 21, 2024)

MINNEAPOLIS – Entering the final round of the 86th Minnesota Public Golf Association Senior Public Links Championship facing a two-stroke deficit, Keith Piotrowski fired a 1-over 71 despite a double-bogey on the final hole to earn a one-stroke victory.

The 53-year-old Piotrowski tallied a 1-over 141 to edge Jim Lehman for the second state championship victory of his career.

Piotrowski played his first six holes in 2-over before taking advantage of the par-5 seventh hole. Rolling in his birdie opportunity at the ninth put Piotrowski at even par for the championship.

Converting his birdie chance at the par-3 17th for the second consecutive day, Piotrowski moved to 1-under for the tournament, increasing his lead to three shots. He would take a double-bogey at the par-4 18th to claim a one-shot victory over Lehman, posting a 1-over 141.

At the championship last season, Piotrowski carded rounds of 76-77 to finish in a tie for 17th place at Keller Golf Course.

Lehman, a four-time MGA Senior Amateur champion, began the championship by firing a 1-under 69 to sit one shot back of the lead.

Troubles with three bogeys over his first eight holes during the final round put Lehman at 2-over for the championship before he found his footing with his only birdie of the day at the par-4 ninth.

Following a bogey at the par-5 11th, Lehman capped off his final round with consecutive pars to shoot a 3-over 73 to come up one shot short of Piotrowski at 2-over 142.

Brad Johnson carded a 2-under 68 during the opening round Saturday to pace the field.

Johnson posted a 5-over 75 during Sunday's final round to finish tied for third with Jason Christenson, John Spreiter and Tony Vincelli at 3-over 143.

*Keith Piotrowski, University GC won the 2024 MPGA Senior Public Links. He toured the course in 70-71 for a 1-over 141, edging Jim Lehman of Alexandria GC by one shot.*

## Peterson Collects Another State Title with 4th Publinx Championship

By Mike Fermoye (August 28, 2024)

STILLWATER -- What Trent Peterson did at Loggers Trail wasn't so much a round of golf as it was a clinic in how to win tournaments. There were a couple of misclubs and suspect chip/pitch shots, but for the most part, his 5-under-par 67 was a flawless masterpiece. It was textbook stuff -- hit fairways (12 of 14), hit greens (14 of 18), and make the crucial putts when you have to -- and it gave him a 36-hole total of 134 (11 under). That was good for a three-stroke victory in the 2024 MPGA Public Links Championship.

Unfortunately, only one player can win, and that's a lesson that keeps being reinforced on Max Tylke. A year ago, Tylke tied Matt Armstrong for first in the State Publinx, but lost in a playoff. Starting with that, he has put together one of the best runs of championship level performances in the history of Minnesota golf, but the problem is that he hasn't won. He keeps finishing second, and that was where he finished -- yet again. His runner-up streak in state championships is at five in a row.

Peterson, 37, now has four Publinx titles -- and 40 state titles in all, more than any other Minnesota male amateur has ever won. (Leigh Klasse has the record for women, with more than 50 Minnesota state titles. She has also won a few in Arizona.) In addition to those 40 state titles, Peterson has won about a dozen other tournaments with fields comparable to the ones he's conquered in state championships, from tournaments such as the Krugel Invitational in Mankato, which he won for the second consecutive year in July, the Lyle Cran in Stillwater, the Twin Cities Championship and the Twin Cities Junior (twice).

"I really don't know how many I have," he conceded. "I've lost count."

When the final round began, there was a three-way tie for first. Peterson, Tylke and former State Publinx runner-up Yarri Bryn (2010) had all shot 67s during the opening round.

Bryn routinely hits drives over 300 yards, but he couldn't find the fairways at Loggers Trail and fell behind early, leaving Peterson and Tylke in a two-horse race. They both birdied the 533-yard, par-5 second hole, and Tylke was the first man to 8 under for the tournament when he birdied the 228-yard, par-3 sixth hole. But he gave that stroke back when he bogeyed the next hole, the 357-yard, par-4 seventh. Peterson birdied it, and thereby took his first lead of the day. But then he bogeyed the long (475-yard) par-4 eighth when he hit his second shot over the green -- the wind stopped just as he was making his swing -- and hit a week pitch from behind the green. He nearly saved par with his putt, but the ball ended up hanging on the back lip.

The pin at the par-5 ninth (568 yards) was only four steps from the back of the green, and there was nothing good behind the green. Neither Peterson nor Tylke could reach the green in two, but they hit two of the best approaches of the day, both to within 12 feet. In what was to become a kind of recurring theme over the last 10 holes, Peterson made his putt, and Tylke didn't.

That meant Peterson was one ahead of Tylke -- minus 9 to minus 8 -- as they went to the par-5 10th (507).

*Trent Peterson, Bunker Hills GC won the 2023 MPGA Public Links Championship at Loggers Trail Golf Course. Peterson finished with a 67-67—134 (-11).*

## Peterson Collects Another State Title with 4th Publinx Championship Continued

Ten minutes later, it appeared that Tylke would leapfrog Peterson after he hit a gorgeous second shot to within 5 feet of the cup, and Peterson was 40 yards from the green, hitting his third shot. But he got the ball to take one hop and stop 6 feet from the cup. He made the 6-footer for birdie, and Tylke missed his 5-footer for eagle. So, the potential two-shot swing disappeared, and Peterson was still one ahead going to the 11th tee.

On each of the next three holes, Tylke had the advantage. At the 470-yard, par-4 11th, Peterson was 70 feet away from the cup in two, and Tylke was 20 feet. Peterson's first putt went 7 feet past the cup, but he made the comebacker for par, and Tylke just missed his 20-footer for birdie. No blood. At the 12th (387 yards), Peterson two-putted from 30 feet, and Tylke came close but couldn't drop his 15-footer for birdie.

Nevertheless, Tylke was able to gain a stroke -- finally -- and pull even at the par-3 13th, a hole that goes steeply uphill and that was playing only 87 yards. The difficulty of the hole, despite its lack of length, was made apparent when Peterson came up 5 yards short of the green. His chip/pitch came up 10 feet short, and he missed the putt for par. Tylke two-putted from the front fringe, and the two were tied with five holes to go, both at 2 under for the round, and 8 under for the tournament.

"My chipping and pitching weren't all that great today," Peterson said. "They've actually been kind of suspect all year. I think that might be because I've been hitting a lot of greens this year, and I haven't had to hit a lot of chips or pitches. I should probably be working on those things a little more in practice. But my putting has been good, and that was the

thing that saved me a couple of times today. I putted pretty well all weekend."

Peterson began his sprint to the finish line -- and reclaimed the lead -- at the 441-yard, par-4 14th, where he hit a wedge shot to 3 feet. He made the birdie putt, and Tylke missed his birdie chance from 15 feet. Golf in the 21st Century has become a game of power. It always was, but it's even more so now. Peterson may very well be the most accurate driver in Minnesota amateur golf, but he's never been a long hitter. That has changed a little bit this year, since he got a new driver, and he's probably up from averaging 270 or 275 yards with his tee shots, to 280 or 285. And in the final round, he essentially sealed his victory at the 490-yard, par-5 16th hole, thanks in no small part to a 310-yard drive. He followed it with a 5-iron from 180 yards to 15 feet.

Tylke did well to two-putt for a birdie from the back of the 16th green, 90 feet away, but Peterson made his eagle putt.

"It was a perfect putt," he said, smiling. "I had to be careful, because it was going to break (about 9 or 10 inches), but if you hit that putt too hard, it could get away from you. But the speed was exactly right, and it died into the cup."

So the three-time MGA Player of the Year was two ahead with two holes remaining, and he doesn't make many mistakes. At that point, Tylke had to be thinking that he needed a birdie-birdie finish to catch Peterson. When he didn't birdie the 220-yard, par-3 17th, he was discouraged, and that probably explains why he missed his short putt for par.

That was the clincher.

# MPGA COMBINATION Championship

**Format:** This tournament is a 27-hole, one-day event with one Championship division, plus a senior division. Each two-man team will play nine holes partner best ball, nine holes partner scramble (best shot), and nine holes partner alternate shot. The championship division is elective. Other teams shall be divided into flights based on total team handicap and shall play at gross, except for the highest handicapped flight which will play at net.

**Eligibility:** Open to amateur players who are members of a club that is a member of the Minnesota Public Golf Association and carry an active GHIN handicap at that club.

**Handicap Limit:** The partners' Handicap Indexes may not differ by more than 8.0 when pairings are set-up. If so, the higher handicap player will be reduced to 8.0 above the lower handicap player and then be put into the correct division.

**MGA Player Points:** Points are awarded for the Championship Flight.

## Johnsons Earn Two-Stroke Victory at MPGA Combo

By Nick Hunter (September 15, 2024)

BECKER, Minn. – Combining for seven birdies during their first nine holes Sunday at Pebble Creek Golf Club helped the team of Brad and Joel B. Johnson card a 12-under 96, claiming a two-stroke victory at the 39th Minnesota Public Golf Association Combination Championship.

The Johnsons played their final six holes in 3-under to finish two strokes better than the twosome of Yari Bryn and Trent Peterson.

Joel B. Johnson claims his third MPGA Combination victory, while Brad Johnson earns the first state victory of his career.

The Johnsons jumped out to a fast start in the scramble portion of the championship, carding seven birdies during their first nine holes before posting a 3-under 33 during alternate shot, highlighted by a hole-out for eagle on the ninth hole.

Carding three birdies over their first seven holes during best ball, the Johnsons carded an inconsequential bogey on the 27th hole of the championship to finish at 12-under 96.

Narrowly missing his fifth win of the 2024 season, Peterson combined with Bryn to post a 3-under 33 during the scramble format and followed it by firing a 4-under 32 during alternate shot.

The two finished the championship with three birdies over their final nine holes of best ball to come up two strokes short of the Johnsons, shooting a bogey-free 10-under 98.

Former University of Minnesota golfer Harry Plowman-Ollington and partner Drew Bosley combined to card a 7-under 101 Sunday to finish in third place, five shots back.

*Joel Johnson (left) and Brad Johnson (right) won the Championship division of the MPGA Combination Tournament. Johnson and Johnson finished the 27-hole event with a score of 12-under par.*

## CLASS AAA - BOYS

### Ohe Closes Deal in Boys AAA

By Mike Fermoyle (June 12, 2024)

COON RAPIDS -- If you shoot the low score on the first day of a 36-hole tournament, the best way to make sure you'll win the tournament is to shoot the low score again on the second day.

That was pretty much what Torger Ohe was thinking when he started the second round of the Class AAA boys portion of the Minnesota state high school tournament at Bunker Hills Golf Course, and that was exactly what he did. The last thing the Edina junior -- and prized University of Minnesota recruit for 2025 -- wanted to do was fall into the trap of just trying to make pars.

"I wanted to make some birdies early," he said, "especially on the par 5s."

Of course, it helps if you can hit your driver 300 yards or more, and that's not a problem for Ohe. On the first hole (No 1 East), he hit a pitching wedge to 15 feet and made the putt. At the 486-yard, par-5 fourth, he bombed a drive and hit a pitching wedge onto the green for a two-putt birdie, and he had only 73 yards left after his tee shot at the 385-yard, par-4 fifth hole. From there, he hit a lob wedge to 20 feet and made that putt, as well.

Going 3 under on the first five holes of the final round is a great way to protect a lead.

Ohe made his only bogey of the round at the 220-yard, uphill par-3 seventh hole, but he made up for that by hitting a 160-yard 9-iron second shot to within 18 feet at the ninth, and converting that birdie putt. His best birdie of the day, however, came at the 240-yard, par-3 17th. Ohe was able to get a 5-iron to the green during the first round, but the wind was into him in the final round, and he needed a 4-iron for the tee shot. He hit it to 15 feet and made the putt for what was essentially a clinching birdie.

His par at the 18th hole (No. 9 West) gave him a 4-under 68 to follow the 67 he shot in the opening round, and the resulting 36-hole total of 135 (9 under) was good enough for a three-shot victory.

It was the third consecutive state tournament round in which Ohe shot the low score or tied for the low score of the day at the AAA tournament. He shot 68 on the second day last year and finished third at 140.

## CLASS AAA - GIRLS

### Jirele Wins Girls AAA Title, But with Help

By Mike Fermoyle (June 12, 2024)

COON RAPIDS -- The Maple Grove Crimson won the girls title for the second year in a row. After taking the lead on Day 1 -- by one shot over Wayzata -- with a first-round 305, they pulled away on Day 2 with a 306, and won by 15 shots over the Trojans, 611 to 626. Minnetonka finished third, but was only a speck in the rear-view mirror for the Crimson and the Trojans, at 650.

Randy Glasmann has been the Maple Grove girls coach since the school opened in 1997, and it took her 26 years to win her first state team championship. Now she was two in a row. "And we get to try for a three-peat next year."

The Crimson lost a couple of seniors from last year's roster, but their top two players from the 2023 championship team were both juniors -- Amelia Morton and McKenna Hogan. So they were back for their senior season this spring, and both finished in the top 10 on. Hogan shot a valedictory 76 and finished seventh at 149.

Morton was ranked No. 2 in the state for the entire season, and it looked for a long time as though she would win the individual championship. She was leading for most of the day -- but she has never felt all that comfortable on the 360-yard, par-4 16th,

**CLASS AA - BOYS****Holy Family Boys Win Weather-Shortened Class AA Championship; Justesen Individual Champ**

By Nick Hunter (June 12, 2024)

JORDAN, Minn. – Shortened to a nine-hole final round, the Holy Family Catholic boys golf team carded a 3-under 141 to cruise to a 16-stroke victory at the 2024 Minnesota State High School League Class AA Championship, for its third team title in five seasons.

The Fire were led by senior P.J. Herron, who opened the championship with a 1-under 71 before a pair of late birdies lifted Herron to a round of 1-under 35 to place second at 2-under 106.

Senior Tully Super contributed by posting a final round of even par 36 to finish tied for 11th, while teammates Ryder Carlson and Mick Herron both placed tied for 14th to help Holy Family to a third team title in eight appearances at the season finale.

Detroit Lakes posted a team score of 150 on the final day to remain one spot behind Holy Family, while Totino-Grace moved up two positions during the final round to place third.

**CLASS A - BOYS****Fertile-Beltrami Cruises to Class A Boys' Title; Brock Mounts Comeback to Claim Individual Title**

Jack Mendesh (June 12, 2024)

BECKER, Minn. -- Entering the final round with a two-shot lead over Park Christian, the boys from Fertile-Beltrami extended their lead and claimed the 2024 Class A boys state title.

The Falcons posted a final round 307, 13 shots better than their first round and the lowest of the tournament, for a two-day total of 627 to pull away from the field for an eight-shot victory over second place finishers Walker-Hackensack-Akeley who finished at 635.

With the win, Fertile-Beltrami claims their third boys state title in four years and third overall. They received solid play from their whole team with their four counting scorers finishing within the top 27 of the individual tournament lead by senior Masen Nowacki who finished in a tie for 10th place.

On the individual side, Walker-Hackensack-Akeley's Parker Brock overcame a three-shot entering the round to claim the individual title over first-round leader Carson Boe.

Brock, a junior, used a bogey-free 3-under-par 69 in the final round to post a total of 140 to pass Boe and claim his first state title. The only bogey-free round of the tournament, Brock played a very steady round with 15 pars and birdies on 2nd, 5th and 17th holes to claim a two-shot victory.

**CLASS AA - GIRLS****Detroit Lakes Girls Claim Eighth Team Title at Class AA Tourney; Windhorst-Knudsen Medals**

By Nick Hunter (June 12, 2024)

JORDAN, Minn. – After being held without a birdie during the opening round at Ridges at Sand Creek, Lake City High School's Jordana Windhorst-Knudsen carded two birdies over her final two holes to claim medalist honors with a one-stroke victory at the 2024 Minnesota State High School League Class AA Championship.

Severe weather shortened the final round to nine holes, where Windhorst-Knudsen would card two early bogeys before staging a late rally to claim the individual title.

**CLASS A - GIRLS****Fillmore Central and Dawson-Boyd Share Class A Girls Title; Lund Claims Individual Title**

Jack Mendesh (June 12, 2024)

BECKER, Minn. -- Heading into the final round as the top two teams on the leaderboard, the girls from Fillmore Central and Dawson-Boyd ended up with a share of the Class A girls state title.

Fillmore Central opened the day with a narrow five-shot lead which was chipped away throughout the day by Dawson-Boyd ending in shared title between the two for the first time in Class A since 2003 when Caledonia and Spring Grove shared the title.

In a weather shortened final round of 16 holes, Fillmore Central posted a two-day total of 683 (345-338) to claim their first title since 2016 and second overall while the Dawson-Boyd also posted a two-day total of 683 (350-333) to claim their first title in school history.

Dawson-Boyd was led by junior Lindsey Lund who took the crown in the individual portion of the tournament with a two-day total of 11-over 147 (80-67) to edge out B O L D's Kenna Henriksen, who posted a 148 (80-68), by one shot.

Lund opened the day in a tie for third place behind first round leader Paige Beyer of Border West. Lund started with a steady front-nine of even-par and would play the back-nine in 3-over to claim the victory by one.

Henriksen also opened the day in a tie for third place after an opening round 80 and would go on to tally a pair of 2-over par nines during the final round to finish one shot shy of the title.

With the win, Lund claimed her first state title.

First round leader Beyer would struggle throughout the final round playing the 16 holes played in 13-over to finish in a tie for third place at 17-over 153 (76-77) along with Fillmore Central's Myleigh Scheevel (78-75) and Dawson-Boyd's Alyssa Swedzinski (84-69).

## CLASS AAA - BOYS

### Ohe Closes Deal in Boys AAA Continued

Centennial sophomore Cooper Daikawa duplicated his first-round 69 and finished alone in second place at 138. Sam Udovich, who won the Class AA title in 2022, when he was a freshman at St. Croix Lutheran, has been at Cretin-Derham for the last two years, and he tied for third at 140, having closed with a 72. He tied Jacob Wilson, the Mahtomedi junior who shot 70 both days.

Fifth place was an All in the Family affair, as the defending Class AAA champ, Spring Lake senior Jake Birdwell, bounced back from a first-round 74 with a 69, but his younger brother, freshman Chase Birdwell, matched Ohe for the low score of the day with a 68, and he and his older brother tied at 145. Last year, Birdwell won by two shots over Cretin-Derham Hall's Joe Honsa with a 136, and Honsa (138) finished two ahead of Ohe (140). This year, Honsa struggled with his game both days and tied for 49th at 158 (79-79).

On Tuesday, Daikawa was playing with Ohe, and he kept pace early on, birdying the 368-yard, par-4 second hole and the par-5 fourth. He hurt his chances to catch Ohe when he bogeyed the other par 5 on the front nine, the 535-yard sixth. But he birdied the 540-

yard, par-5 11th and the par-4 13th (370 yards). That got him to 3 under for the day and 6 under for the tournament, putting him two behind Ohe. But that was as close as he got, and Ohe essentially closed him out with his birdie at the 17th.

In the absence of the 2023 team champion, Edina, it seemed that last year's runner-up, Maple Grove, was the heir apparent, and the Crimson led the team standings after the first round -- but not by much. And in the final round, they had a bad day, combining for a score (316) that was 11 shots higher than the one they posted in the opening round. That enabled Benilde-St. Margaret's, the team that dethroned Edina in Section 6AAA, and 2AAA champ Waconia, to move to the head of the pack. In the end, it was BSM, which started the day in fifth place, that emerged with the team championship -- by a single stroke, 596 to 597 over Waconia. Maple Grove was third at 599.

The Red Knights' charge was led by sophomore Patrick Hastings, who tied for seventh with Waconia junior Riley Baisch at 145. They both shot 73 in the opening round and 72 in the final round.

### Holy Family Boys Win Weather-Shortened Class AA Championship... Continued

Starting his round with an eagle on the opening hole moved 18-hole co-leader Jack Justesen to 4-under for the championship, but he would give back two strokes with back-to-back bogeys at the fourth and fifth holes.

Grinding down the stretch, Justesen carded birdie at the par-5 seventh to post a final-round 35 to edge P.J. Herron by one stroke at 3-under 105.

Staples-Motley junior Carter White followed his opening-round 72 with an even par 36 during the final round, carding two birdies over his final two holes to move him into third place.

### Fertile-Beltrami Cruises to Class A Boys' Title; Brock Mounts Comeback... Continued

Boe, starting on the 10th hole, had a shaky first-nine making the turn at 3-over for the round. He would battle back on the second-nine shooting a 1-under 35 to post a 74 and two day total of 142 but it was not enough to catch Brock.

Two Mr. Minnesota Golf finalists finished just behind Brock and Boe. Heritage Christian Academy's Evan

Villagomez used a final round 3-under 69 to finish in solo third place at 143 while Martin County West's Hunter Schmidt fired a final round 1-over 73 to finish in a tie for 4th with New Life Academy of Woodbury's Avery Ross at 145.

## CLASS AAA - GIRLS

### Jirele Wins Girls AAA Title, But with Help Continued

mainly because of the water hazard to the right of the fairway, and it was the 16th that did her in, enabling Owatonna sophomore Carmen Jirele to claim the individual title.

It was that same water hazard at the 16th that undid a charge by the defending champion, top-ranked Simley senior Reese McCauley. McCauley, who shot 74 on during the opening round, had birdied the 430-yard, par-5 11th hole, the 312-yard, par-4 13th and the 368-yard par-4 15th during the final round. That got her to 2 under for the round, and back to even par for the tournament -- and within range of the leaders. She could have used another birdie, or two, but she flared her tee shot at the 16th to the right -- and into the hazard. The 2024 Ms. Golf had to make a 10-foot putt just to salvage a bogey on the hole.

McCauley probably mis-clubbed her tee shot at the daunting, 180-yard, par-3 17th, which was playing into a wind that was picking up in velocity (to about 12 to 14 mph, and gusting to more than 20 mph) as the afternoon wore on, and the two-time Class AAA champion (2021 and '23) had to save par with a 30-yard bunker shot and a 15-foot putt at the 17th. Then she had to save par from a bunker again at the 18th, which she did, thanks to a first-rate bunker shot and a 6-foot putt. As a result, McCauley, the Gophers' prize recruit for 2024, ended up with a 71 and tied for third at 145 with Orono junior Ava Hanneman, who had the second-best score of the day, a 69.

First place in the AAA came down to a contest between Morton and the first-day leader, sophomore Carmen Jirele of Owatonna. Last year, Jirele tied for 34th at the state tournament in 2023, but she worked on her game over the summer, and was much improved this spring, so much so that she was the medalist in the Big 9 Conference tournament and in the Section 1AAA tournament. She led the AAA girls tournament after shooting a 69 on Tuesday, but during the final round, she followed a birdie at the 405-yard, par-5 fourth hole, with bogeys at the 475-yard, par-5 sixth, the par-3 seventh (170 yards) and the par-4 eighth (320).

She was 2 over for the round and 1 under for the tournament, and stayed that way by paring the next six holes, but then made a gorgeous birdie at the par-5 14th, where her wedge shot from 70 yards landed 3 feet right of the pin, but spun left and hit the pin pretty softly. It almost went in for an eagle 3. Instead, it ended up a few inches from the hole, and Jirele tapped in for her birdie. She, like McCauley, bogeyed the 16th, and that dropped her back to 1 under overall.

Unlike McCauley, Jirele hit the 17th green with her tee shot, although she was in the back left corner, about 40 feet from the cup. It wasn't all that easy a two-putt from back there. Basically, the shot that won the tournament for her was the next one -- her long, curling putt that disappeared into the cup for a birdie and got her back to 2 under. Jirele parred the 18th and finished with a 73, and a two-day total of 142.

Meanwhile, Morton, playing several groups behind Jirele and McCauley, had taken the lead by shooting 34 (2 under) on the front (East) nine, thanks to birdies at the fourth, seventh and eighth holes. She birdied the par-5 11th (West No. 2), but bogeyed the 12th, which didn't really change anything. She was still 3 under for the tournament -- and leading Jirele by one stroke.

Then came her disaster at the 16th. Morton lost her tee shot to the right, and the ball went into the water. She got a drop from there (with a penalty stroke), but needed five more shots to get her ball into the cup and made a triple-bogey 7.

That reversed the status between Jirele and Morton. Now it was Jirele, sitting in the Bunker Hills clubhouse, who had the lead, by two strokes. Morton birdied the 18th hole, but she couldn't overcome that triple. After spending most of the previous two hours at 2 under for the round and 3 under for the tournament, Morton ended up even par for the round, with a 72. That put her at 143 for the two days, and that was one too many. Having led Maple Grove to a second straight team title, she had to settle for second place individually.

### Detroit Lakes Girls Claim Eighth Team Title at Class AA Tourney... Continued

International Falls senior Kelby Anderson carried the lead to the final hole before making a triple-bogey to post a final-round 41 to place tied for second with Holy Family's Elizabeth Fong.

Entering the final round with an 11-stroke advantage, Detroit Lakes expanded its lead by carding a final-round 159 to earn a 13-shot victory over Lake City for the eighth team title in school history.

Leading the way for Detroit Lakes was sophomore Tatum Gatheridge, who posted a final-round 37 to finish tied for 13th at 121, while freshman Jaycie Sliper

contributed by shooting 4-over 40 on the final day to place tied for 18th.

Sophie Christianson, an eighth-grader, carded a 4-over 40 during the final round to finish tied for 20th, and both Sydney Miller and Hannah Knoop tallied top-25 finishes in a winning effort.

The Lakers won six state titles in a seven-year span beginning in 2012 before jumping up to Class AAA.

Following back-to-back state team titles in 2021 and 2022, Lake City now has finished runner-up in back-to-back seasons.

## Putter Lifts Baxley to Second Win at Twin Cities Championship

By Nick Hunter (June 30, 2024)

MEDINA, Minn. – After earning the first state title of his career at the Twin Cities Championship in 2006 at Edinburgh USA, Ralph Baxley waited 17 years before his next state victory, winning the Minnesota Public Golf Association Combination Championship last season at Pebble Creek Golf Club.

Less than nine months later, Baxley collected his third state championship, trickling in a 15-foot par putt on the final hole at Baker National Golf Course to edge Trent Peterson to win his second Twin Cities Championship crown.

"It's kind of cool to win this tournament 18 years apart," Baxley said following his win. "The fact that you can maintain the game for that long. I had a spell where I completely lost all sense of direction, but I've been working really hard and building everything back.

"I've been playing solid all year, but I've just been battling the putter and now the putts are finally going in."

Firing a 1-over 73 during the opening round at Theodore Wirth Golf Course, Baxley entered the final round two shots off the lead and chipped in for birdie on the opening hole to quickly rise to the top of the leaderboard.

He took a step back with bogey at the third, but answered by converting back-to-back birdie chances at the fourth and fifth holes to reach 3-under for the championship.

Following a bogey at the par-4 ninth, Baxley two-putted from 10 feet at the 10th for birdie, and rolled in his 20-foot uphill putt for birdie on the ensuing hole.

#### Entry Deadline

Friday, June 20, 2025

Baxley failed to get up-and-down at the par-3 12th, resulting in bogey, but found his footing over his final six holes by making consecutive pars, including his final putt from 15 feet at the 18th after finding a greenside bunker with his approach.

"I knew the line was good, but I thought it was going to dive off at the end because I mishit it," Baxley said of his final putt. "I heeled the putt slightly and thought I left it short. I was kind of surprised it got there—got a little lucky.

"Down the stretch I wasn't really making anything, but at the same time, I wasn't making any mistakes."

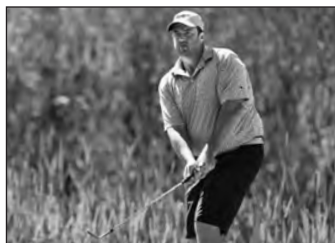

With his win, Baxley put to rest a string of three runner-up finishes at the event since 2019, due in large part to his putter.

"I actually switched putters today—I missed a lot of short putts during the round yesterday," he said.

Entering the final round with a share of the lead with Bobby Frazzini, Peterson struggled early by bogeying two of his first three holes before drawing even with back-to-back birdies at the fourth and fifth.

Peterson again took back-to-back bogeys at the seventh and eighth holes to turn in 1-over for the championship.

*Ralph Baxley, Bunker Hills GC won the 2024 Twin Cities Championship, finishing with a 73-70—143 (-1)*

A two-putt birdie at the par-5 10th helped Peterson pull within one shot of the lead, but he was unable to capitalize on multiple birdie chances down the stretch, including an 8-footer at the 18th to force a playoff.

"I'm hitting my driver really well right now, but chipping was not good—it's where I lost all my shots today," Peterson said following his round. "Rough

start with bogey-bogey, and that kind of put me behind the ball. Battled back and had a couple of putts coming in and just couldn't make them.

"Ralph played good today, and he deserved to win."

Former University of Minnesota golfer Harry Plowman Ollington carded a 2-over 74 to finish in a share of third place with 2018 champion Erik Bredesen at 3-over 147.

## Jason Christenson Uses Late Surge to Claim Twin Cities Senior Championship

By Jack Mendesh (July 31, 2024)

LAKEVILLE, Minn – Jason Christenson birdied three of his last four holes at Brackett's Crossing Country Club to claim the Twin Cities Senior Championship. Christenson posted a 1-under 70 to edge out Bill Tadewald by a shot and Brad Johnson and 2022 Twin Cities Senior champ Keith Piotrowski by two shots to claim his first state victory.

Christenson started steadily with pars on his first two holes followed by a birdie at the fifth hole to move to 1-under for the day. He continued the solid play, making pars on his next three holes to sit at 1-under through six holes. He would stumble at the par-4 seventh to fall back to even par.

Christenson made the turn at even par but would give back two strokes with bogeys on the 10th and 13th holes to move back to 2-over for the day and two-strokes back from the leader Tadewald.

Standing on the 14th tee two-shots back, Christenson made the move necessary to win the tournament. He would go on to roll in birdie putts on the three of his last four holes, including a birdie on the 18th hole while still tied with Tadewald, to claim the one-shot win and the first state victory on his resume.

Jim Ryan of Hazeltine National Golf Club fired an even-par 71 to claim the Masters Division by two shots over Tim Maase.

Jerome Baier of Monticello Country Club carded a net 5-under 66 to claim the Senior Net Division title by two shots over Mike Olson while RJ Smiley of Northwood Hills Golf Courses shot a net 3-under 68 to win the Masters Net Division by two shots over Paul Korman and Skip Schultz.

*Jason Christenson (left), won the Senior Division, finishing with a 1-under-par 70.*

*Jim Ryan (right), won the Master Division finishing with an even-par 71.*

## Daikawa, Hines Win at the Twin Cities Junior Championship

By Jack Mendesh (July 8, 2024)

BLAINE, Minn – Cooper Daikawa fired a bogey-free 8-under 63, a tournament record, at Victory Links Golf Course to win the 29th Boys' Twin Cities Championship by five shots.

Daikawa got out the gates fast with a birdie on the first hole of the day followed by birdies at the 4th, 5th, 6th and 9th holes to make the turn at 5-under for the day.

He would continue the strong play on his back nine with birdies at the 10th, 12th and 16th holes to secure an 8-under-par round and his first state title.

Rochester's Timothy Sexton took second place after a 3-under 68 which included five birdies against two bogeys and Avery Ross finished in third place after an even-par 71.

Maple Grove's Connor Monson fired a 2-under 69 and survived a playoff by making a par on the first playoff hole to defeat Charlie Nielsen and take the title in the Boys' 13-15 division.

Little Falls' soon to be 9th grader Imagine Hines took the Girls' Twin Cities Championship title with a 6-over 77.

Hines got off to a slow start with bogeys on three of her first four holes to start the round. She would go on to make two more bogeys on the front nine, on the 6th and 9th holes, to make the turn at 5-over for the day.

Hines would right the ship on the back nine opening with seven straight pars to jump into the lead. She stumbled with a bogey on the par-3 17th but made par on the 18th to claim the one-shot victory over Byron's Calie Dockter, Elk River's Lexi O'Donnell and Totino-Grace's Kaitlyn Burstad who all shot 7-over rounds of 78.

With the win, Hines claims her first state victory.

The Fairway Foundation's Emory Goodlow claimed the title in the Girls' 12 and under division.

# TWIN CITIES OPEN

**Format:** 36-hole stroke play

**Eligibility:** Male or Female, Amateur or Professional

**Handicap Limit:** 6.0 or lower at the time of entry

## Now a Professional, VanArragon Collects First Win at Twin Cities Open

By Nick Hunter (May 21, 2024)

PRIOR LAKE, Minn. – Following a record-breaking 2023 season, former Valparaiso University golfer Caleb VanArragon continued his run of remarkable play into the 2024 season, carding an 11-under 133 to earn a three-stroke victory at the Twin Cities Open at The Meadows at Mystic Lake.

The defending Minnesota State Open and Minnesota Golf Association Amateur champion erased an early two-stroke deficit during the final round by firing a bogey-free 6-under 67 to claim his first victory in his first event as a professional.

"It still hasn't sunk in yet that I'm a pro—it's such an abrupt transition," VanArragon said. "The last four years have kind of been the same way in college golf, playing as a team for coaches to amateur golf in the summer where it's a bit of an adjustment.

"Having that on my mind while I'm hitting shots is a challenge. There is money on the line now, and I've never played that way before. That's something every new pro experiences, I guess."

VanArragon rolled in his first birdie of the final round at the par-4 fourth to move to 7-under for the championship, and would take the outright lead at the sixth following back-to-back double-bogeys by first-round leader Bryce Hanstad.

Sinking his birdie chance from 20 feet at the par-3 seventh, VanArragon extended his lead to three at 8-under for the tournament.

After a two-putt birdie from 50 feet at the 10th, VanArragon began to pull away from the field by converting his birdie look from six feet at the 14th. He tallied one final birdie at the 16th when his approach stopped four feet from the hole.

A two-putt par at the last gave VanArragon his fifth state victory in four seasons.

"My driver was solid this week—I was never really in any trouble," said VanArragon. "My irons were good for the most part. I think I hit about 16 greens, which is pretty good for this course. The greens aren't generally that big, especially with the par-3s.

"This was a good tournament to start out my career [as a professional]."

VanArragon fired a 6-under 66 to begin the tournament, sitting two shots back of 18-hole leader Bryce Hanstad, who finished second behind VanArragon at the MGA Amateur last season.

Sklebar, a professional from Fargo, N.D., climbed the leaderboard in a hurry, carding six birdies over a nine-hole stretch mid-round to join VanArragon in the lead at 9-under with four holes to play.

But back-to-back bogeys at the 15th and 16th proved fatal for the 28-year-old as he slipped to 7-under for the championship.

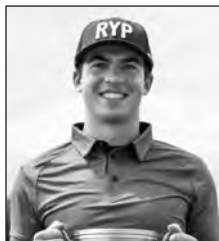

He rebounded by converting a birdie chance at the 17th to finish three shots back of VanArragon at 8-under 136.

Following an opening-round 67, former North Dakota State University golfer Nate Adams carded a 2-under 70 during the final round to claim low-amateur honors in third place at 7-under 137.

Adams played his first 11 holes of the final round in even par before dropping back-to-back birdies at the 12th and 13th to pull within two shots of the lead.

He would bogey the par-3 14th but finished on a high note with a birdie at the last for a final-round 70.

## Vandelac Hangs on to Win Minnesota Senior Open

By Nick Hunter (May 29, 2024)

MAPLEWOOD, Minn. – Bouncing back from an early double-bogey during his final round at Keller Golf Course, professional Matt Vandelac carded a pair of birdies over his final 12 holes to claim a one-stroke victory at the 40th Minnesota Senior Open.

Vandelac rolled in his par putt from 10 feet at the last to edge 2018 champion John Brellenthin, 2017 Minnesota Golf Association Amateur champion Dave Carothers and Aaron Wiemiller for the third victory of his career.

"This win is huge—I'm 64-years-old," Vandelac said following his victory. "It makes me happy that I put the practice in and shows that I can still compete.

"My plan was to come out and play aggressively. I wasn't trying to make pars—I wanted to make birdies. Started out kind of rocky, but I made a couple. I stuck with my swing, figured some things out and went with it."

Entering the final round one shot ahead of defending champion Chris Borgen following his opening-round 67, Vandelac failed to get up-and-down to save par at the second before finding the penalty area behind the fourth green, leading to double-bogey and dropping him to 2-under for the tournament.

Vandelac quickly gained momentum by sinking his birdie putt from 40 feet at the par-4 seventh to get back to 3-under for the championship.

"Being 3-over after four, you're thinking, 'Here we go,' but I hung in there," Vandelac said. "I made a bomb on seven and I started hitting the driver more solidly. I was just kind of hanging on and guiding it out there. Hitting it well and keeping it in play was the key for me."

He then took advantage of the par-5 10 by carding his second birdie of the day to reach 4-under and regain a share of the lead.

Much like his opening round, Vandelac leaned on his putter down the stretch during the final round, sinking a six-foot downhill putt to save par at the par-3 15th.

Left with 10 feet at the last to avoid a four-way playoff, Vandelac's par putt dropped to give him his biggest state victory.

Vandelac's most recent win came in 2022 when he claimed the section's Minnesota PGA Fall Scramble at Burl Oaks Golf Club.

The year prior, Vandelac carded a 4-under 68 to win the Heppner's Auto Body Pro-Am at Indian Hills Country Club.

Following his round of even par to open the championship, Carothers played his first nine holes in even par before carding four birdies against one bogey over his last nine to move up eight spots on the leaderboard by shooting 3-under 69.

## Vandelac Hangs on to Win Minnesota Senior Open Continued

"I struck the ball a lot better today. I scrambled a little bit yesterday and was able to get it up-and-down," Carothers said. "Today I was a lot more solid and had a lot of birdie looks. I made a couple of 15-footers.

"Overall, I'm pretty satisfied with how I played. My game was very unknown coming in—I didn't play last year because I had back surgery. I played a little this spring, so I was pleasantly surprised with how the two days went."

Carothers became the second oldest player in MGA Amateur Championship history by carding a final-round 66 to earn a one-stroke victory at Interlachen Country Club in 2017.

Wiemiller carded two birdies and two bogeys during his front nine, but went bogey-free over his last nine, sinking one birdie at the par-5 12th to post a final-round 71, sharing low-amateur honors at 3-under 141.

Brellenthin, winner of the 2021 MGA Senior Amateur on his home course at The Minikahda Club, remained even for his final round through 10 holes before converting a birdie chance at the par-4 11th to move to 2-under for the tournament.

Making one of just nine birdies at the par-3 15th this week, Brellenthin moved within one shot of the lead, finishing with a final-round 70 to place tied for second at 141.

## 7 Down with 7 to Go, Israelson the Younger Comes back to Win at Southview

By Mike Fermoyle (June 9, 2024)

WEST ST. PAUL -- There really wasn't anything about the way Andrew Israelson's final round in the Minnesota PGA Foundation Pro-Am was going to suggest that he was going to win the tournament. Starting on the back nine at Southview Country Club, he was two behind the 36-hole leader, Michael Schmitz, and the deficit quickly became four when Israelson bogeyed the 10th and 11th holes. From there, it got worse, and he was trailing by seven by the time he was playing the first hole.

But a holed wedge shot reversed his fortunes, dramatically, and Israelson put on a spectacular rally on the front nine in spite of heavy winds (17 mph, gusting to 30), shot a 3-under 68 and won the tournament by two strokes with a 54-hole total of 203 (-10).

The victory was worth \$5,000 to the 26-year-old Minneapolis Golf Club assistant pro.

"I can definitely use the money," Israelson said, smiling as he accepted the check.

Schmitz finished second at 205 (worth \$3,000), with a final round of 72. Ross Miller, a two-time former champion, was one of only two players other than Israelson to break par. He shot 70 and moved up four places, from seventh to third with an aggregate of 208. Grant Shiffranski (72) and Scott Cole (71) tied for

fourth at 209. The third player to beat par was Brady Swedberg, who closed with a 69 and finished fourth at 210.

After beginning his round with those two bogeys at 10 and 11, Israelson got started in the right direction with a birdie at the 12th hole. But Schmitz birdied it, too. A birdie at the par-3 15th by Israelson was offset by a bogey at the 16th, and not only did he fail to birdie the easily-reachable-in-two, par-5 17th (488 yards), but he bogeyed the also-easily-reachable par-5 18th (475), a hole that Schmitz, playing right behind him, eagled. So, by the time Israelson got to the front nine, he was seven behind, and not thinking about winning.

"I made a really bad bogey on 18, and I was mad about that," he said afterward. "But I was thinking: 'Just try to shoot 4 or 5 under on the front, and make sure you finish second.' I really wasn't thinking about winning. I just wanted to play the front nine as well as I could, and then see what happens."

A couple of missed birdie chances on the first and second holes didn't make him feel any better. He was still seven down to Schmitz, and now with only seven holes to go. But then he holed a 97-yard wedge shot for an eagle 2 at the 356-yard third hole, and suddenly, the complexion of things changed.

## 7 Down with 7 to Go, Israelson the Younger Comes Back... Continued

Although winning the tournament didn't necessarily seem within reach yet, Israelson had just gained two strokes on Schmitz, and it became three when Schmitz bogeyed the third. Israelson hit his tee shot at the 477-yard, par-5 fourth hole into the third fairway on Saturday, unintentionally. But on Sunday, he decided that was the way to go, hit a wedge onto the green for his second shot, and two-putted for a birdie. He hit a 5-iron shot onto the green at the 201-yard, par-3 fifth, the hardest hole on the front nine, and made a par, which put him within two of Schmitz, who parred the fourth and bogeyed the fifth.

In recent years, Southview has developed several native areas around the course. The fescue in those areas has grown to more than a foot in height -- and gotten devastatingly thick -- during the past couple of weeks, and the native areas played a significant role in the Foundation Pro-Am this weekend. Especially during the final round, when Schmitz got tangled up in the native area adjacent to the par-5 sixth hole. The result was a double bogey.

At roughly the same time as that was happening, Israelson was draining a 40-foot putt for birdie up ahead on the seventh green -- and now he was one ahead.

"When I got to the eighth tee, I saw that I was leading," he noted, "and I was thinking: 'What just happened back there?'"

This tournament was called the Tapemark for 52 years (1972 through 2023), and Israelson's father, Bill, won it twice, in 1991 and '93.

"He was really aggressive," Andrew said. "He was always smart about it, but he was definitely aggressive. And whenever I play with him, if I pull out an iron on a par 4 or a par 5, he doesn't like it."

Nevertheless, Andrew was thinking about hitting a 4-iron off the tee at the 360-yard, par-4 eighth. Then he changed his mind and switched to his driver, which he hits an average of 305 to 310 yards in the air. His father would have approved, and it turned out to be a very good decision. He flew the ball right around 320 yards in the air, onto the slope above and to the left of the green. The ball bounced right at approximately a 45-degree angle, toward the green, and rolled diagonally across the green, missing the pin by less than 2 feet. It ended up in a hollow just to the right of the green, about 18 feet from the cup. The ball was in the rough, but it was an easy chip.

From there, Israelson nearly holed it, and had a tap-in for a birdie.

He had just gone 5 under in a span of six holes. Meanwhile, Schmitz, after a bogey at the seventh, had gone 5 over in five holes -- and Israelson was leading the tournament by three shots.

Schmitz cut the final deficit to two by making a birdie at the ninth.

### Herron Shoots Final-Round 64, Edges VanArragon and Tylke in Playoff at Minnesota State Open

By Nick Hunter (July 10, 2024)

MAPLE GROVE, Minn. – Adding another chapter to the Herron family's book of Minnesota golf at Rush Creek Golf Club, University of New Mexico golfer Carson Herron fired a final-round 64 before surviving a playoff against defending champion Caleb VanArragon and Max Tylke to claim the 107th Minnesota State Open.

Herron rolled in his downhill birdie chance from six feet on the second playoff hole to capture his third and biggest state victory to date.

"A lot of blood, sweat and tears went into this one because I haven't won in a while and I didn't really expect to win," Herron said after his win. "I probably played my best round of golf ever, and to win in a playoff was icing on the cake.

"Countless hours and a lot of work goes into it. Once you do it, you can appreciate the grind and how it

feels to get it done. It was great to put myself in this position and build here in the future."

Following his final round 64, Herron received words of advice via text message from father, Tim, who's playing in the PGA Tour Champions' Kaulig Companies Championship in Ohio this week.

"He said to be prepared for playoff mentality, and I came in with the mindset to play aggressively," the younger Herron said. "My dad's been a huge inspiration for me. He's the one who pushes me to get better and we practice a lot together—it's priceless and I wouldn't trade it for anything."

Beginning his final round six shots off the lead, Herron quickly went to work by sinking his birdie opportunity at the second before stringing together

Carson Herron (Wayzata CC) won the 107th Minnesota State Open, July 10, 2024, at Rush Creek Golf Club. Herron finished with a score of 72-70-64—206 (-10).

six birdies over a seven-hole span beginning at the par-4 fifth to eliminate a five-stroke deficit.

Following a lengthy weather delay, Herron failed to get up-and-down to save par at the 13th, but rolled in consecutive birdie putts at the 17th and 18th to take the clubhouse lead at 10-under.

Herron's par putt from eight feet found the bottom of the cup on the first playoff hole for a spectacular sand save after struggling to get out of a fairway bunker with his second.

Spinning his approach to six feet on the second play-off hole, Herron converted one final birdie chance to seal the championship.

"I hit the ball really well all tournament, but the first two days, I was getting impatient with the putter and trying to force putts to go in. It doesn't work that way," Herron said. "Today I kept giving myself good chances.

"I'm proud of how I fought and gave myself a chance. I got better every round and had a strong finish today."

In addition to his victory Wednesday, Herron will earn an exemption into the PGA Tour Americas CRMC Championship at Cragun's Legacy Courses—site of Herron's most recent victory at the Minnesota PGA Junior Match Play Championship in 2020.

In special company, Herron now joins his great-grandfather, Carson Lee Herron, who won the Minnesota State Open in 1932 at Minneapolis Golf Club.

Looking to become the first player to win back-to-back Minnesota State Open titles since former University of Minnesota golfer Ben Greve in 2016-17, VanArragon opened the championship with consecutive rounds of 2-under 70 before climbing the leaderboard early in the final round by sinking four birdie chances during his opening nine.

The former Valparaiso University golfer and Blaine High School standout rolled in a 10-footer for birdie at the par-3 12th, and followed it with another birdie at the 13th to reach 10-under for the championship.

### Herron Shoots Final-Round 64... Continued

Unable to get up-and-down for par at the 14th, VanArragon gave back a shot with bogey, but bounced back by converting his birdie chance at the 16th to reclaim a share of the lead by posting a final round 66.

During the playoff, VanArragon's birdie chance stopped inches from the cup at the first before leaving his birdie putt well short of the hole on the same line at the second playoff hole.

Finishing as low professional, VanArragon took home a check for \$13,500 in prize money.

"[The money] is some consolation, but hats off to Carson, he played so good in the playoff by coming back from a couple of rough shots and getting up-and-down," VanArragon said following his round. "He's well deserving after how well he played this week.

"I scored well for how I played the first two days. I had some issues with tee shots for the first round and a half. My drives about halfway through the

round yesterday were a lot more dependable. I was really happy I was able to grind through it and put up some good scores."

Coming up just short again, Tylke has now claimed four runner-up finishes over the past two seasons.

Earlier this year Tylke and partner Ryan Tschann finished second at the Minnesota Public Golf Association Four-Ball Championship at Oak Glen Golf Course before Tylke fell to Trent Peterson at the Minnesota Golf Association Mid-Players' Championship at Deacon's Lodge in June.

Tylke fired a 4-under 68 during the opening round, and finished with back-to-back rounds of 69 to force his way into a playoff.

Missing the ninth green with his approach against Herron and VanArragon, a missed bogey putt on the first playoff hole eliminated him from contention.

# MINNESOTA SENIOR PGA PROFESSIONAL Championship

**Format:** 36-hole stroke play; Minnesota Section qualifier for the National Senior PGA Professional Championship.

**Eligibility:** Open to Class A Minnesota Section PGA Members who are in good standing and at least 50 years of age.

## Berry Holds On to Claim Fifth Minnesota Senior PGA Professional Title

By Nick Hunter (August 21, 2024)

OAKDALE, Minn. – A pair of late birdies Wednesday at Oak Marsh Golf Course helped Minnesota Golf Hall of Famer Don Berry secure his fifth Minnesota Senior PGA Professional Championship, carding a 5-under 135 to claim his first win at the championship since 2020.

Posting an even par 70 during his final round, Berry edged defending champion Eric Chiles by one stroke.

"I felt like I played really good yesterday, and last week I felt like my game was coming around," Berry said following his victory Wednesday. "It was such a nice day today, I figured somebody had passed us. I knew the birdie on 18 was important, but I had no idea it was to win.

"On the front today, I missed a couple of short birdie putts and didn't play that great. I three-putted nine, which really set me on a four-hole stretch of weird things—I hit it in the water on a hole."

The 2024 Senior PGA Professional Championship is set to be played Sept. 24-29 at Sunriver Resort in Sunriver, Ore.

Joining Berry at the national championship next month are Eric Chiles, Dale Jones, Bill Israelson, Daniel Callahan and Jason Sudenga.

Carrying a two-stroke advantage over Chiles after a bogey-free 65 Tuesday, Berry played his first eight holes in even par before a three-putt bogey at the ninth put him at 4-under for the championship.

PGA Golf Club,  
Port St. Lucie, Fla.

Berry bounced back with a birdie at the par-5 11th, but gave back two strokes with back-to-back bogeys at the 12th and 13th holes.

Taking advantage of the par-5 16th, Berry carded his second birdie of the round before finishing with a birdie at the last to claim a one-stroke victory.

The 62-year-old Minnesota Golf Hall of Fame member claimed three straight titles beginning in 2014, with his most recent victory coming in 2020 at Medina Golf and Country Club.

Chiles, who fired a final-round 67 to beat Bill Israelson and Derek Stendahl by two strokes at Highland National Golf Course last season, opened with a 67 Tuesday to trail Berry by two shots entering the final round Wednesday.

A bogey at the par-4 fourth set Chiles back to 1-under for the tournament, but he'd recover with birdies at the seventh and ninth holes to turn in 1-under for the round.

Giving up a stroke with a bogey at the 13th, Chiles would card one final birdie at the 16th to post a final-round 69 to finish alone in second at 4-under 136.

A final-round 66 helped Dale Jones climb four spots on the leaderboard Wednesday to finish in a tie for third with six-time winner Israelson at 3-under 137.

*Don Berry (far left) claimed medalist honors with scores of 65-70—135 (-5).*

*Group picture (L to R), Bill Israelson, Don Berry, Dale Jones, Daniel Callahan, and Eric Chiles finished as qualifiers for the national championship held at Sunriver Resort in Oregon in September 2024. Jason Sudenga (not pictured) also finished as a qualifier.*

## St. Kate's Senior Hillman Fires 70 to Win Shortened Minnesota Women's State Open

By Nick Hunter (August 2, 2024)

BROOKLYN PARK, Minn. – Shaking off a double-bogey during her back nine, St. Catherine University golfer, Paige Hillman, tallied a late birdie to edge two-time champion Betsy Kelly to earn the first state win of her career at the 24th Minnesota Women's State Open.

After heavy rains washed out the opening round at Edinburgh USA, the championship was shortened to 18 holes, where Hillman's 2-under 70 earned her a one-stroke victory.

"A win means a lot—to see all the hard work pay off," Hillman said following her round. "It gives me some more confidence and momentum going into my senior season."

"I had a good start and gained some momentum going into the front, had the double-bogey, but then I was able to turn it around."

Starting her round from the 10th tee, Hillman got off to a fast start Friday with a pair of birdies over her first three before rolling in her third birdie of her front side at the par-4 17th, sinking her putt from six feet.

A double-bogey at the par-4 third put Hillman at 1-under for the tournament, but the 22-year-old would roll in her birdie opportunity from four feet at the fifth to reach 2-under where she'd finish following consecutive pars to post a round of 70.

"I hit some greens and was able to make some putts," Hillman said. "Being in the fairway and hitting it close obviously helped."

Following an opening-round 83 to begin the Minnesota Golf Association Women's Amateur a week prior, Hillman fired a 4-over 76 during the final round to finish in a tie for 16th place.

"I didn't have many expectations coming in. I just wanted to do the best I could and keep working on the swing thoughts I had," she said.

Regaining her amateur status this season, the two-time champion Kelly battled back from an early bogey by sinking three consecutive birdie chances beginning at the par-4 third to reach 2-under for the championship.

*Paige Hillman (White Eagle GC) celebrates with her St. Kate's teammates after winning the 2024 Minnesota Women's State Open Championship*

## St. Kate's Senior Hillman Fires 70 to Win Shortened Minnesota Women's State Open

Continued

Giving back a stroke with a bogey at the eighth, Kelly converted her birdie chance from inside of six feet at the par-5 ninth to reach 2-under for the round once again.

Unable to continue her momentum to her inward nine, Kelly took a three-putt bogey at the 10th.

The former professional took advantage of a par-5 for the third time during her round with a tap-in birdie at the 15th, but a bogey at the 17th proved fatal as Kelly two-putted for par at the last to card a 1-under 71, one short of Hillman.

"I had it going, but I just made too many mistakes," Kelly said following her round. "I had four birdies on the front, which is great, but made some dumb bogeys on the par-3s. Where I screwed up was coming in—I knew [No. 17] was going to make or break the

tournament. I missed a two-footer there and then made another mistake on 18.

"I haven't competed really at all this year. I'm trying to play an easier game and it's been really good the last few weeks. My ball-striking has been so good, and it showed today because I had five birdies, but made too many mistakes. I've got to tighten it up."

As a professional, Kelly won the 2021 championship at Minnesota Valley Country Club and successfully defended her title the following season at Rush Creek Golf Club.

Lauren Chambs, a soon-to-be junior at Wayzata High School, tallied a pair of late birdies to post an even par 72 to finish alone in third place, while Furman University sophomore Kelsi Mauzy finished in fourth place following a round of 1-over 73.

## Kringen and Windhorst-Knudsen Winners at MN Jr. PGA Tournament of Champions

By Nick Hunter (August 7, 2024)

LAKE ELMO, Minn. – Carding three birdies during his final nine holes before surviving a two-way playoff at Royal Golf Club, Dylan Kringen earned a one-stroke victory over Michael Johnson to win the 26th Minnesota Junior PGA Players Tour Tournament of Champions.

Thanks to a win earlier in the season combined with his victory, Kringen earned 2024 Minnesota Junior PGA Player of the Year honors.

After heavy rain washed out the opening round, the championship was shortened to 18 holes, where Kringen began his day at 3-over through his first seven holes.

He quickly answered with back-to-back birdies at the eighth and ninth holes to limit the damage before drawing even with his birdie at the 10th.

Birdies at the 14th and 17th put Kringen at 2-under for the championship, but he would bogey his final hole to finish in a share of the lead with Johnson at 1-under 71.

Defeating Johnson on the first playoff hole, Kringen earned the first state victory of his career.

Johnson, who will begin his collegiate career at Minnesota State University, Mankato this fall, got off to a solid start with a pair of birdies during his opening nine to turn in 2-under for the championship.

He carried momentum to his back nine by converting a birdie chance at the 11th, but dropped two shots with bogeys at the 12th and 13th holes to fall back to 1-under for the tournament.

Johnson rebounded with a birdie at the 15th, but it was nullified by a bogey at the 16th, and he

would go on to post a 1-under 71 before falling in the playoff.

Carding an even par 72 Tuesday, Charlie Willette finished in a tie for third along with Cade Callan and North Dakota's Silas Cusenbury.

Windhorst-Knudsen Cruises to Girls' Title

With birdies on the first three holes of her round, Jordan Windhorst-Knudsen carded 15 straight pars to cruise to a five-stroke victory over 2024 Class AAA individual champion Carmen Jirele, shooting 3-under 69.

Windhorst collects her third win of the season after claiming the Class AA individual title at Ridges at Sand Creek in June before winning the Minnesota Junior PGA Championship at Detroit Country Club a week later.

Jirele got off to a rocky start with a bogey at the par-4 fifth before taking double-bogey at the par-3 seventh to drop to 3-over for the day.

She quickly rebounded by converting her birdie opportunity at the eighth hole to turn in 2-over.

Finding her stride during her final nine holes, Jirele carded one birdie against one bogey to card a 2-over 74.

With a pair of Minnesota Junior PGA victories and a trio of runner-up finishes, Jirele also finished runner-up at the Minnesota Junior PGA Championship to help her earn 2024 Minnesota Junior PGA Player of the Year honors.

Lauren Chams bounced back from a 3-over 39 during her front nine by shooting a 1-over 37 over her final nine holes to finish alone in third place at 4-over 76.

*Far left, In the Boys' Division of the 2024 Tournament of Champions, Dylan Kringen tied for first with Michael Johnson at 1-under par 71 and won the championship in a playoff.*

*Near left, Jordana Windhorst-Knudsen won the Girls' division with a 3-under par 69.*

## Gaugert Coasts to Seven-Stroke Victory at Minnesota PGA Professional Championship

By Joseph Oberle (August 27, 2024)

EDINA, Minn. – A day after breaking the course record at Braemar Golf Course with his 11-under 61, former University of Minnesota golfer Alex Gaugert fired a round of 64 to cruise to a seven-stroke victory at the 94th Minnesota PGA Professional Championship.

“A win means a lot—I don’t know the last time I won a two-day event as a professional,” Gaugert said following his win. “I’ve been playing better the last few years, and it’s pretty cool to be a PGA professional in this industry.

“I felt good coming in, the swing wasn’t as good as yesterday. Got off to a little bit of a slow start by not hitting it quite where I was looking.”

With his victory, Gaugert earns a spot in the national PGA Professional Championship April 27-30 at PGA Golf Club in Port St. Lucie, Fla.

Gaugert will be joined at the national championship by Jeff Sorenson, Matt Newman, Brady Swedberg, Christopher Sauer, Thomas Campbell, Eric Chiles and Scott McDonald.

Following a pair of birdies over his first four holes, Gaugert carded his only bogey of the championship at the par-3 fifth to drop to 12-under for the tournament.

He quickly bounced back with a birdie at the seventh and an eagle at the eighth to reach 15-under.

The Lake Geneva, Wis., native cruised during his final nine holes, carding four birdies to post a final-round 64 to finish seven shots clear of Sorenson at 19-under 125.

“A birdie at seven and an eagle at eight really got me going,” Gaugert said. “I was trying to get to 20-under, I was really pushing to get there. Overall, it was a good day, I putted well again.”

Gaugert, a caddie for fellow Gopher and PGA Tour’s Erik van Rooyen, wins for the fourth time since 2022 and collects his first section victory since Premier Banks Pro-Member at Indian Hills Golf Club.

Sorenson, the defending champion and five-time winner of the event, began his final round seven shots off the lead before carding three birdies over his first seven holes to move to 7-under for the championship.

Rattling off four consecutive birdies to start his back nine, Sorenson would reach 11-under, but was slowed by a bogey at the 14th.

A pair of late birdies putt Sorenson comfortably in second place at 12-under 132, four shots ahead of Newman, Swedberg and Sauer.

## Wherley Captures Wire-to-Wire Victory at Minnesota Golf Champions

By Nick Hunter (October 5, 2024)

EDINA, Minn. – Dropping an eagle putt from 20 feet during his back nine Saturday at Edina Country Club helped professional Jake Wherley secure a two-stroke wire-to-wire victory over Wes Buntenbach and Trent Peterson at the 50th Minnesota Golf Champions.

Wherley entered the final round with a two-stroke advantage over Buntenbach and would card a 1-under 71 on the final day to earn his second victory of the season.

“Always thankful to win a golf tournament because you never know when they’re going to come, or if they’ll come again,” Wherley said of his biggest victory to date Saturday. “I’m blessed to walk away with a win today.

“Proud of the way I hung in there and battled. I truly play once a week in section events, so I never really know which game is going to show up.”

Playing his front nine in 1-over Saturday, Wherley took charge of the championship by sinking his eagle putt from 20 feet at the par-5 12th and followed it with a two-putt birdie from 30 feet at the 13th to take a three-stroke advantage over Buntenbach and Peterson.

Despite a three-putt bogey on the final hole, Wherley carded a final-round 71 to earn his sixth career victory by shooting a 36-hole tally of 7-under 137.

“My game plan today was the same—try to hit fairways and try to hit greens. It was a lot trickier today with the wind about double what it was yesterday,” Wherley said. “Greens were still pretty firm and quick.

“Got off to a shaky start at 2-over through four holes, so I just tried to hold on because I knew there were some chances on the back with the par-5s. Thankfully, took advantage of some of those. I was scoreboard watching probably the last six holes and I was really shaky on some of those two and 3-footers coming down the stretch.”

Notching 12 top-25 finishes in 15 starts this season, Wherley pushed his earnings to over \$9,300 for the 2024 season with his victory Saturday.

His first section win came in 2020 at the Minnesota PGA Fall Scramble, and he’d follow it with two section wins in 2021.

Wherley edged Andy Smith to claim the 2022 Minnesota PGA Assistants’ Championship at Edina Country Club. Last month, the 31-year-old Wherley earned his fifth state victory at the Minnewaska Fairways Fore All Pro-Am at Minnewaska Golf Club.

A double-bogey during his back nine Saturday proved costly for Buntenbach, falling short of his second victory of the season by finishing at 5-under 139 to place tied for second with 2019 champion Peterson.

“I played really well yesterday, still had three three-putts, so I could’ve played really well. Today was exciting just being in the final group, but a roller coaster on the front,” the 27-year-old Buntenbach said following his final round Saturday. “Able a lot of birdies, very confident in the putter.

“Hot start in the beginning of the year and played really well until mid-July. Started playing really well again recently. One more section event on Tuesday, so I really want to finish strong.”

New to the Minnesota section in late 2023, Buntenbach claimed an assistants’ event in June at Geneva Golf Club for his first state win. In 25 events this season, Buntenbach captured 19 top-10 finishes to help him collect more than \$14,000 in earnings.

Peterson, who claimed his 2019 Minnesota Golf Champions title at Edina Country Club, finished as low amateur Saturday, posting a final-round 69 to finish two shots back of Wherley at 5-under 139.

*Jake Wherley (far left) won the championship, carding rounds of 66-71—137 (-7).*

*Bill Israelson (middle) took Past Champions honors posting a 72-71—143 (-1).*

*Trent Peterson (near left) earned low-amateur honors with scores of 70-69—139 (-5).*

## Buntenbach and Eldred Winners at Minnesota PGA Match Play

By Nick Hunter (October 8, 2024)

DELLWOOD, Minn. – Carding three birdies during his final nine holes Tuesday at Dellwood Country Club helped professional Wes Buntenbach stage a late comeback to edge Derek Holmes, 2 and 1, to win the 2024 Minnesota PGA Match Play Championship.

Buntenbach closes out the season with eight consecutive top-5 finishes and three victories during his rookie campaign in the Minnesota section.

“Counting the [Minnesota Golf Champions], I had three second-place finishes in a row—tired of finishing second I guess, so it was nice to get the win today,” Buntenbach joked following his win Tuesday. “The final match was close the whole time and neither of us made a lot of putts today. I made them when it counted and never let the match get away from me.”

Falling behind Holmes early during the final match, Buntenbach tied the match by winning the fifth hole and once again tied the match to draw even with Holmes through nine holes.

The two traded wins at the 11th and 12th holes before Buntenbach took advantage of a Holmes miscue at the par-3 16th to recapture the lead.

On in two at the par-5 17th, Buntenbach two-putted for birdie to close out the match, 2 and 1, to claim his third win of the season.

“I had a strong start to the year and then had a strong finish to the season,” Buntenbach said. “I played the least amount of golf in my life going into a full-time job teaching at [Medina Golf and Country Club], but I still have plenty of playing opportunities.

“Having freedom to play and practice—I play with a lot of members, and I have a good work-life balance with golf. Before, it was all about playing and really a grind—almost too much. Having a little stability makes it a little easier to play.”

The 27-year-old Buntenbach opened the championship with a victory over Johnny Schwaller before dispatching Dominic Scopone during the second round, 3 and 2.

Facing off against fourth-seeded Derek Stendahl in the third round, Buntenbach defeated the 2022 Minnesota Senior Open champion, 2 and 1, and would then get past two-time match play champion Eddie Wynne, 3 and 2, to reach the semifinals.

Early Tuesday, Buntenbach downed seven-time champion and Minnesota Golf Hall of Famer Don Berry, 3 and 2, to advance to the championship match.

## Buntenbach and Eldred Winners at Minnesota PGA Match Play Continued

Buntenbach posted a 5-under 139 Saturday at Edina Country Club to finish second to Jake Wherley at the Minnesota Golf Champions for his 11th top-5 finish of the season.

He claimed his first victory at the second Luther Pro Series Assistants' Event in June before defeating Trey Fessler at the Minnesota PGA Assistants' Match Play Championship. Holmes finishes the season with four top-10 finishes, while finishing runner-up for the second time since falling to Eric Rolland at the 2018 championship at Windsong Farm.

### Eldred Birdies Her Way to Minn. Match Play Title

Coming off a runner-up finish at the Minnesota PGA Assistants' Championship last month at Medina Golf and Country Club, former Ferris State University golfer Alayna Eldred cruised during the final match against Ally Rogers to claim the fourth Minnesota PGA Women's Match Play Championship.

Eldred tallied four birdies during her front nine to build a 3-up lead through nine holes before carding another three birdies during the final nine to claim her first tournament win since her junior year of college.

"This win means so much to me," Eldred said Tuesday. "I've been itching to get a win in the section and to get it done today means a lot. I'm proudly going to bring [this trophy] back to my club when I go in to work tomorrow and show it off.

"I feel like my game is peaking at the right time and I'm really excited to go to Florida in a couple of weeks. I'm feeling really good about my game at this point in the season, so hopefully I can have a good showing down there."

Rogers took the early lead during the final match my sinking her birdie chance from inside of 25 feet at the third. But Eldred came charging back with three consecutive birdies, including a putt from 30 feet at the fourth, to win four consecutive holes to quickly build a 3-up lead after seven holes.

Eldred extended her lead by sinking a massive birdie chance at the par-3 12th hole before converting a short birdie chance at the 13th to go up by five over Rogers.

Rogers countered by winning the 14th, but Eldred closed out the match with one final birdie putt from inside of six feet at the 14th to win her first event as a professional, 5 and 3.

"I had a few slip-ups earlier in the day and didn't quite play how I wanted to," Eldred said. "Coming into the back nine when I was 3-up, I felt like I was playing well and had a good shot at it. [Rogers] was playing really well all day, and I knew she could throw some birdies at me, especially because she was chipping so well, she had a chance to make every chip she had.

"This afternoon was probably the best golf I've played all summer long, so I'm really happy with how I played in the final match."

A native of Osakis, Minn., Eldred's only other state victory came in 2014 at the Resorters Tournament at Alexandria Golf Club.

Turning professional in June, Rogers was the highest-seeded player entering the week before rattling off three straight wins to reach the championship match.

Playing her first professional event at the Minnesota Women's State Open at Edinburgh USA in August, Rogers placed tied for 58th at the weather-shortened event.

"Overall, I'm happy with how I played," Rogers said Tuesday. "Obviously a little bummed, but Alayna was tough to beat. She made tons of birdies, so what do you do? Have to make more birdies.

"I'm proud of how this year finished. I had a tough time at the State Open, but happy with how I played here and showing that I can hang around.

## DISCONTINUED MNPGA CHAMPIONSHIPS

### MINNESOTA SENIOR HIGH SCHOOL SHOWCASE

This 18-Hole invitational event was originally created as a replacement event for high school players who lost their senior season due to the COVID-19 pandemic that wiped out 2020 spring season sports in the MSHSL.

It was held one more year and then discontinued.

## McCauley Ties for Big Ten Individual Title; Gophers Are 9th as a Team

By Mike Fermoye (April 22, 2024)

HAVRE de GRACE, Maryland -- Bella McCauley started Sunday's final round in the Big Ten Conference Championships tied for 18th place, six strokes behind the leaders. But the University of Minnesota sophomore lit up the Bulle Rock Golf Course with an 8-under-par 64 and ended the day in a three-way tie for the individual title.

The former Minnesota state high school champion, who tied for second in the Big Ten last year as a freshman, posted a 54-hole total of 209 (7 under). She tied a pair of seniors, Michigan's Monet Chun and Indiana's Caroline Craig. Craig closed with a 70, Chun with a 71.

McCauley's 64 was the lowest round of the tournament -- by three strokes. She made eight birdies on Sunday and was bogey free.

Craig's teammate Carloine Smith matched the second-lowest round of the weekend on Sunday, with a 67, and tied for fourth at 211, along with Northwestern's Lauryn Nguyen, who opened the tournament with a 67.

With Craig and Smith both finishing in the top five individually, Indiana was able to edge Michigan State for the team crown with an overall score of 856. The Spartans were one behind at 857, six ahead of third-place Northwestern.

Minnesota finished ninth at 884.

## McCauley Named All-American

By Mike Fermoye (May 25, 2024)

Bella McCauley, the University of Minnesota sophomore who claimed a share of the Big Ten Conference championship this spring and then defied the odds by qualifying as an individual for the NCAA Championships for the second year in a row, has been named an All-American Honorable Mention.

The former state high school champion from Inver Grove Heights won twice during the 2023-24 college season, first at the Boilermaker Classic, and then at the Big Ten tournament, where she closed with a 64. To qualify for the NCAA Championships as an individual, a player has to finish first among 41 players -- the six who enter the regional as individuals and also all 35 of the players on the seven teams don't advance. (Five teams advance from each of the six

regionals.) This year, McCauley made it by shooting a final-round 65 at the Auburn Regional and finishing second individually. Auburn freshman Anna Davis was the only player to finish ahead of her, and the Auburn qualified for the NCAA as a team.

At the NCAA tournament, which was played on an Omni at La Costa Course that favored high, soft fades, McCauley struggled. She tends to hit low hooks. That wasn't the preferred shot on a course with firm -- and often elevated -- greens, and she tied for 86th.

McCauley, who had three top-10 finishes in '23-24, and five top-20s, now owns the Gopher season and career scoring records. She averaged 72.39 for the season, and has a 72.59 average for her two years of college golf.

## Iowa State Rallies to Win Gopher Invitational by 2 over Minnesota

By Mike Fermoye (September 9, 2024)

INDEPENDENCE -- Rudy Sautron, playing in his first tournament for the University of Nebraska, shot a final-round 2-under-par 69 at Windsong Farm Golf Club and won the individual championship at the Gopher Invitational with a 54-hole total of 208 (5 under).

Iowa State came from 10 behind 36-hole leader Iowa in the team competition with a third-round total of 279 to win by two over host Minnesota, 860 to 862. That 279 was the best team score of the day by 10 strokes. Thanks in no small part to Sautron, Nebraska finished third, five behind Iowa State at 865.

The highest finisher for Minnesota was Eduardo Galdos, a senior from Peru who tied for seventh place at 213, after a final-round 71. Cormac Sharpe, a junior from Scotland, began the day tied with Sautron for second at 139, but he posted a 75 on Monday and slipped back into a tie for ninth at 214.

## Bethel Claims Third Straight Minnesota Golf Classic; Kent State's Acevedo Medals

By Nick Hunter (September 8, 2024)

MAPLE PLAIN, Minn. -- Carding a team score of 299 in the final at Pioneer Creek Golf Course, the Bethel University men's golf team earned a one-stroke victory over the University of Wisconsin-Eau Claire to win its third consecutive Minnesota Golf Classic.

The Royals were led by senior Jack Wellen, who fired a final-round 69 to move up 19 spots on the leaderboard to finish tied for fourth at even par 216.

Bethel also got help from senior Will Karkoc, who finished tied for 21st at 221, and by freshman Charlie Solberg, who bookended his second-round 74 with two rounds of 76 to close out the championship tied for 38th at 10-over 226.

Kent State University's Ramiro Acevedo earned medalist honors.

## Darling, Rydqvist & South Carolina Blitz Elite Field at the Annika; McCauley Ties for 4th

By Mike Fermoyle (September 12, 2024)

LAKE ELMO -- The Annika Intercollegiate gets one of the strongest fields of the college golf season every year. This year, seven of the 12 teams in the field came into the tournament ranked among the top 20 in the country.

South Carolina must not have noticed. The defending champion Gamecocks, who are ranked No. 4, shot the lowest score of the day in each of their three rounds at Royal Golf Club. They matched No. 7 Wake Forest with a 276 in the first round. That was the lowest single-day score by any team in the tournament, and they did it again in the final round. That gave them the surreal total of 833 -- 31 under par! -- and they won by 27 strokes over No. 10 Oregon. Wake Forest was another shot behind in third at 861, and No. 12 Arizona State finished fourth at 862.

It is pretty good measure of how strong the field was that the highest-ranked team, No. 3 UCLA (the runner-up in the 2024 NCAA Championships), finished sixth, five behind fifth-place Duke (No. 15 in the rankings) at 871.

This was the fourth time that South Carolina, which is coached by former Edina High School star -- and Duke All-American -- Kalen Anderson, has taken home the first-place trophy.

Fittingly, the Gamecocks were led by their two returning All-Americans, Hannah Darling and Louise Rydqvist, both seniors.

The Royal course concludes with two par 5s. As it turned out, the 528-yard 17th was decisive. Rydqvist didn't birdie it, and Darling did. Darling closed with a 68, which put her at 202 (-14). Rydqvist shot 66, and that gave her a 203. C. Lopez-Chicarra of Wake Forest shot 68 and finished third, four behind Darling at 206.

It was another five shots back to fourth place at 211, and that was where Minnesota's Bella McCauley was, tied with Duke's Katie Li after turning in a 70. A fourth-place finish was pretty impressive, considering the competition, and it was McCauley's second top-four finish in the two tournaments she's played so far as a junior. The former Minnesota state Class AAA high school champion from Inver Grove Heights took third earlier in the season in West Lafayette, Ind., at the Boilermaker Classic.

The Gophers' Mariana Mesones closed with a 71 and tied for 16th at 217. McCauley's younger sister Reese shot 74 for the third straight day, and the resulting 222 had her in a tie for 34th.

As a team, Minnesota tied for ninth at 877, along with Clemson, the No. 18 team in the national rankings.

The University of South Carolina women's golf team repeated as team champions at the 2024 Annika Intercollegiate with South Carolina's, Hannah Darling, taking the individual medalist honors.

# DRIVE, CHIP & PUTT Qualifying

The Drive, Chip and Putt Championship aims to help younger generations begin their lifelong connection with golf by providing a fun, interactive platform for participants of all skill levels. This free youth golf development initiative welcomes boys and girls ages 7-15 to participate in separate divisions in four age categories. Top performers at the local level will advance through subregional and regional qualifiers, respectively. Top 80 performers (40 boys and 40 girls) earn an invitation to the National Finals at Augusta National.

- Stage 1: Local Qualifying (May/June/July/August) - in all 50 states
- Stage 2: Subregional Qualifying (July/August) - at approximately 60 sites
- Stage 3: Regional Qualifying (September/October) - 10 host sites
- Stage 4: Championship Final (April the following year)

## Vegas Birdies Final Hole to Claim Victory at 3M Open

By Nick Hunter (July 28, 2024)

BLAINE, Minn. – Rolling in his short birdie putt on the 72nd hole at TPC Twin Cities, Venezuelan Jhonattan Vegas claimed a one-stroke victory over Max Greyserman at the 2024 3M Open for the fourth PGA Tour victory of his career.

"It hasn't been easy, that's for sure," Vegas said following his first victory since 2017. "It's been a lot of grinding, a lot of dealing with injuries, a lot of headaches, but these are the moments that you get up every day and you work hard, you do all the right things because nothing feels better than this."

A significant week for Vegas, who picks up his first victory in seven seasons to earn fully exempt status through 2026.

Along with claiming 500 FedEx Cup points, Vegas moves from 149th to 66th on the points list to qualify for the playoffs, while taking home a paycheck of more than \$1.4 million in the process.

"Sixty-six is still not a secure place going into the playoffs, but in a way, I just gave myself a pretty good chance to move up," Vegas said. "You go from—maybe I've got to have a great fall to move up and

have a good status for next year—to really preparing to try to have a run at the FedEx Cup.

"That's the beauty of golf, that's the beauty of the PGA Tour. No other tour in the world provides that. Any week can change your life forever, so just thankful the win came this week."

Carrying a one-stroke lead into the final round, Vegas' two birdies during his opening nine were negated by a pair of bogeys to turn at 16-under for the championship.

Falling out of the lead momentarily after failing to get up-and-down for par at the par-3 13th, Vegas countered by rolling in his birdie putt from inside of 10 feet at the 15th to rejoin Greyserman in a share of the lead.

Hitting his second to the front of the 18th, Vegas' putt from 96 feet stopped three feet from the hole, and he'd roll in a final birdie putt to secure his fourth PGA Tour win.

"This is a special place for me—I got a lot of friends that were here. It's a course that I really connected extremely well three years ago when I came in sec-

## Vegas Birdies Final Hole to Claim Victory at 3M Open Continued

ond here, so I knew it was a golf course that I had a great chance of playing well," Vegas said. "Obviously expectations were not trying to win, we're just trying to have a great week and obviously a great week turned into a win."

Sunday's finish marks the fifth top-25 for the 39-year-old this season.

Thanks to a final-round 8-under 63, the 29-year-old Greyserman earns the second top-5 finish of his career this week, following his fourth-place finish at the Zurich Classic of New Orleans in April.

"I felt like I had been playing well the last couple months after working with my coach on a few things," Greyserman said following his final round. "Last week, for example, I went into the final round fourth place and had a bad Sunday, so I decided today was going to be my day. Started a little slow, but just had to stay patient like I always do, and the putts started dropping on the back nine.

"I think I just locked up my spot in the first playoff event, so that's big because that's another huge point opportunity and hopefully continue to play my way up."

Entering the final round eight shots back of the lead, Greyserman carded just two birdies during his opening nine to move to 10-under for the tournament.

A string of three consecutive birdies to begin his final nine holes put the former Duke University golfer quickly into contention at 13-under.

After sinking his birdie chance from 18 feet at the 14th, Greyserman followed it by converting his birdie chance at the 15th from inside of 25 feet to reach 15-under.

On the front edge of the 18th in two following a spectacular second from the trees left of the fairway, Greyserman two-putted from 78 feet to claim his best PGA Tour finish in 22 career starts.

Denied his first win since the Sony Open in 2019, Matt Kuchar fired an even par 71 for a third-place finish to earn a significant boost in the FedEx Cup points race, moving to 111th, but will still need another strong finish at the Wyndham Championship in two weeks to keep his streak of 17 straight seasons of qualifying for the playoffs intact.

"It was a good week looking back on it. It was fun to be out with a chance to win on Sunday," said the 46-year-old, following the final round of his 555th start on the PGA Tour. "I hadn't had this opportunity in a while and to be in the last group Sunday to have the lead for a moment there was an exciting day.

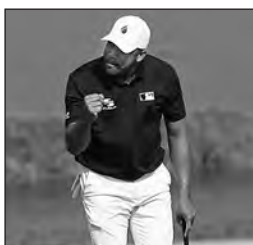

"Making the playoffs, keeping my job for next year, they're all checkmarks. I normally like to check these off a lot earlier in the year than right now, but tis the bed I made. Certainly helpful. It is on my mind; it is something that I know is kind of back there."

Maverick McNealy posted a 1-under 70 to finish tied for third with Kuchar at 15-under 269 for the fifth top-5 finish of his career since earning his Tour card in 2020.

## Kjettrup Earns Promotion with Third Win of the Season at CRMC Championship

By Nick Hunter (September 1, 2024)

BRAINERD, Minn. – For a third time this season, Denmark's Frederik Kjettrup entered the final round with the lead, and for the third time this season, Kjettrup finished on top of the leaderboard.

The PGA Tour America rookie buried his eagle putt from inside of 25 feet on the 72nd hole at Cragun's Legacy Course to earn a two-stroke victory at the 2024 CRMC Championship presented by Gertens, earning Kjettrup an automatic promotion to the Korn Ferry Tour for the remainder of the 2024 season, and the entire 2025 season.

With his victory this week, Kjettrup looks to follow in the footsteps of inaugural CRMC Championship winner Jake Knapp, who won his first PGA Tour event earlier this season in Mexico.

"I saw him on the picture when I walked in the clubhouse the first day, so figured good company if you can win this tournament," Kjettrup said after his win. "It's nice to see a guy like him like playing out here on the Americas, like you are in the same footsteps that he was two years ago. Seeing that you can progress so quickly if you play good golf, that's good to see."

Winning his third event of the season, Kjettrup becomes the first player to earn the three-win pro-

motion on any international tour since the rule went into effect in 2020.

Entering the final round with a four-stroke lead, Kjettrup carded a lone birdie during his opening nine to turn in 21-under for the championship.

Taking advantage of the par-5 16th for the fourth time this week, Kjettrup kept pace with American Bryce Lewis, who nearly tied a course record with his 9-under 61 during the final round.

Needing a birdie on the final hole to win, Kjettrup hit his second at the par-5 18th to just over 20 feet, rolling in his eagle putt to clinch his third victory of the season.

"Obviously a lot of nerves, especially knowing I needed a birdie to win, so a lot of nerves," Kjettrup said. "Definitely felt the heartbeat go up a little bit and some nerves kick in, but tried to control it as good as I can and obviously hit a nice shot in here."

Lewis, who entered the final round facing a seven-stroke deficit, quickly made up ground with three birdies and an eagle during his front nine to turn in 18-over for the tournament.

**Kjettrup Earns Promotion with Third Win of the Season at CRMC Championship** Continued

Stringing together four birdies over a five-hole stretch late in his round, Lewis briefly held the out-right lead at 22-under.

Trouble off the tee would lead to a par on the final hole, giving Lewis a final-round 61 to help the 24-year-old secure his second top-5 finish of the season.

University of New Mexico senior and 2024 Minnesota State Open winner, Carson Herron, fired a final-round 68, claiming a 12th-place finish at 11-under 269 to lead all local players this week as the former Minnetonka High School standout made his debut at a PGA Tour sanctioned event.

"Really good week—thankful for the opportunity to play, really grateful for that and being able to put myself out there and make the cut," Herron said following his round. "I didn't have a great putting display this week, I was frustrated a lot, but I have to remember that I came here to have fun, especially after I made the cut.

"I'm playing really good golf, being patient with myself. I'll hopefully sniff a couple wins and continue to put myself up there and continue to learn whatever the future has in store."

Caleb VanArragon, last season's Minnesota State Open and Minnesota Golf Association Amateur champion, fired his only round over par for the week, a 1-over 71 to finish tied for 19th at 9-under 271 for the best finish of his career at a PGA Tour sanctioned championship.

"Definitely more than I was expecting out of the tournament," VanArragon said. "Bummed with the round today, but to be in this position, if you would've given me 9-under for four rounds at the start of the week, I would've definitely taken it. A great experience—the first time I've played a weekend at PGA Tour event.

"Tough round today. I felt like I hit the ball as well as I did yesterday, maybe even a little better with my irons, but I had a couple of bad three-putts and didn't have distance control with my putter all day."

Former University of Minnesota golfer Ben Warian, the second amateur in the field this week along with Herron, bounced back from a third-round 3-over 73 by carding a final-round 68 to finish tied for 42nd at 4-under 276.

## 3M CHAMPIONSHIP

The 3M Championship was a professional golf tournament in Minnesota on the PGA Tour Champions schedule, played annually at the TPC Twin Cities in Blaine. 3M was the main sponsor of the tournament. It debuted in 1993 as the Burnet Senior Classic, and was originally held at the Bunker Hills Golf Course in nearby Coon Rapids. After eight editions, the tournament moved to the newly built TPC Twin Cities in 2001, when 3M took over as sponsor.

Within the tournament was the "Greats of Golf Challenge," an exhibition scramble on Saturday among teams of former major winners and hall of famers of both genders. Recent participants include Jack Nicklaus, Gary Player, Lee Trevino, and Nancy Lopez. [5]

In 2018, it was announced that the 2018 3M Championship would be the final playing of the event, as it would be replaced by the 3M Open on the PGA Tour starting in 2019. Kenny Perry was the final champion of the event, winning his third 3M Championship on August 5, 2018.
